TRACK ATHLETES MAKE GOOD SHOWING AT PITT

Allegheny Takes Third Place With Six Men—Penn State First.

Allegheny took third place in the Western Pennsylvania Intercollegiate track meet held under the auspices of the University of Pittsburgh at Schenley Oval on last Saturday afternoon. State College won the meet with a total of 75½ points, Washington and Jefferson, second with 30 points, while Allegheny was a good third with 24 points, winning over the University of Pittsburgh by a margin of four points. With only six members of the track team present at this meet the showing made against the best teams in this section of the state was indeed gratifying. The University of Pittsburgh, Westminster and Geneva were all left behind by the remarkable showing which the men representing the gold and blue made. Every man on the trip at least placed in one event. Two Western Pennsylvania track records were broken at this meet. "Chuck" Dotterrer, '14, made a new record by hurling the discus for a distance of 119 feet 7 inches, also breaking his former college record. Dotterrer was also the highest individual point winner on the Allegheny team, with first in the discus, second in the shot put and fourth in the hammer throw, totaling nine points. The track was in very poor shape so that the time in the dashes was slow. In the 100-yard dash Doran, '15, took the celebrated State runners in camp in the fast time of 10 2-5. Doran was also first in his heat of the 220 yard dash, but failed to place in the finals. Wells, '15, took first in the pole vault at 10 feet 10 inches. This height breaks another local college record. In the half mile Metcalf, '15, took third place, while in the mile the Allegheny runner placed fourth. Van Horn '13, and Scott, '16, also took fourths in the quarter mile and low hurdles respectively.

This remarkable showing made at Pittsburgh was not so much a surprise as it might have been, as Allegheny's team this year has been showing up well in the chances they have had. Leaving State College out of consideration, in a dual meet, the gold and blue would probably be victorious over any team which took part in the meet at Pittsburgh. The summaries follow:

100 yard dash, first heat—Doran, Allegheny, first; H. Springer, W. and J., second; MacDonald, Pitt., third; White, State, fourth. Time, 10 2-5.

Second heat—S. Springer, W. and J., first; Rosenthal, Pitt, second; Davis, Pitt, third; Quay, Geneva, fourth. Time, 10 4-5.

120 yard high hurdes.—First heat, Hammett, State, first; Ormsby, State, second; Scott, Pitt, third. Time, 17.

Second heat.—Smith, W. and J., first; Barron, State, second; Boots, Pitt, third. Time, 17 2-5.

Finals—Won by Hammett, State; Ormsby, State, second; Smith, W. and J., third; Barron, State, fourth. Time, 16 4-5.

One mile run—Floto, W. and J., first; Thomas, Pitt, second; Lun, State, third; Metcalf, Allegheny, fourth. Time, 4:39 4-5.

440 yard dash.—Won by Piner, State; Rosenthal, Pitt, second; Sheff, Pitt, third; Van Horn, Allegheny, fourth. Time, 51 1-5.

Grove City Game

Visitors Rally in Eighth Inning and Take Game by 3-1 Score.

In another game characterized by the same hard luck that has followed Allegheny since the opening of the season, Grove City won out last Wednesday on Montgomery Field. Allegheny made her first and only run in the first inning, and it looked like Allegheny's game up until the fatal eighth, when two hits, a base on balls, a fumble, and a wild throw netted Grove City three runs.

Without a doubt, the finest article of ball yet played this season was exhibited in this game. Allegheny's support was good, E. Gilbert, Rose and Bash fielding especially well. Hawk's pitching also featured, for although he struck out but one man, he presented only one base on balls and five scattering hits, giving the first hit in the sixth inning.

First Inning.

For Grove City, Hazelwood and Conley went out by the same route, Gilbert to Campman. Thorn lifted an easy one to Campman. No hit, no runs.

For Allegheny, Richards walked and promptly stole second. Robinson fanned, but Campman sacrificed Richards to third, going out short to first. Hawk hit to short, who fumbled, letting Richards home and giving Hawk his base. C. Gilbert hit a hard one to pitcher, and on his fumble advanced to second while Hawk went all the way to third. Van Slyke went out on a long fly to right. No hits, one run.

Second Inning.

Allen went out on a long fly to center. Rose caught Alleson's and Rutledge's flies back of second. No hits, no runs.

E. Gilbert was an easy out, third to first. Rose struck out and Bash went out on a fly to the pitcher. No hits, no runs.

Third Inning.

Rose took Veach and Patterson into camp on easy flies back of second. Glenn went out on a long fly to center. No hits, no runs.

Shortstop Conley threw Richards out at first. Robinson was given a base when Rutledge let through his bounder, but went out on a fielder's choice when Campman hit to Rutledge. Allen captured Hawk's fly to right. No hits, no runs.

Fourth Inning.

Hazelwood hit an easy bounder to second; Conley and Thorn lofted flies to E. Gilbert in center. No hits, no runs.

Hazelwood threw C. Gilbert out at first. Van Slyke got the first hit of the game over third base, but died on first when E. Gilbert and Rose went out on flies to third and left. One hit, no runs.

Fifth Inning.

Veach took three whiffs at the air, and Patterson and Glenn dropped flies into the hands of Rose and Bash. No hits, no runs.

Richards came across with a hit through short. Robinson and Campman went out on flies to second and left. Hawk was thrown out at first by Hazelwood. One hit, no runs.

Sixth Inning.

Allen went out, Rose to Campman. Alleson got Grove City's first hit through second. Rutledge went out on a fly to Gilbert at short. Bash took in Hazelwood's fly in right. No hits, no runs.

C. Gilbert got to first on a fly to center and stole second. Van Slyke's fly was caught by the first baseman. Gilbert was caught napping off second. Alleson got an assist and out on E. Gilbert's grounder. One hit, no runs.

Seventh Inning.

Conley's fly to right was caught. Thorn got first on a hit to center, stole second and advanced to third on the throw-in from Veach's long fly to right. Patterson dropped one into Gilbert's hands at center. One hit, no runs.

Rose hit through third base and was advanced to second by Bash's sacrifice. Richards received his second pass. With two on bases, Robinson and Campman fanned. One hit, no runs.

Eighth Inning.

Glenn got to first on a hit, but was thrown out at second on a fielder's choice, when Allen hit to short. Allen went to second when Rose overthrew first. Alleson was passed to first. Rutledge sacrificed the runners forward a base. Hazlewood was given life on Rose's fumble at second. With the bases full, Conley hit a three-bagger over Gilbert's head in center, bringing in three runs. Hawk captured Thorn's fly. Two hits, three runs.

Side went out in order: Hawk on a grounder to short, Gilbert on a fly to left, and Van Slyke on a fly to right. No hits, no runs.

Ninth Inning.

Veach got first on a hit through short. Bash caught Patterson out in right and doubled Veach at first. Glenn went out, Gilbert to Campman.

Side went out in order: Gilbert on a fly to center, Rose on a bounder to pitcher, and Bash on a fly to short. No hits, no runs.

Notes on the Game.

Hawk allowed but three men an inning to face him for six out of the nine innings. In two other innings four faced him, and in the other but seven.

Rose had a busy day at second. Five flies came his way.

Bash made a pretty shoestring catch in the fifth inning.

A pretty double play was pulled off in the ninth when Bash after catching Patterson out, doubled Veach at first.

NEW FRATERNITY HOUSE ON NORTH MAIN STREET

Phi Gamma Delta Awards Contract to Morrison and Son of Meadville.

During the past week, announcement was made of the signing of a contract by the alumni association of Phi Gamma Delta fraternity for the erection of a new chapter house. Recently the fraternity purchased one of the Shryock lots on North Main street, south of the Odd Fellows' Home and about 250 feet north of Prespect street. The land secured has a frontage on North Main Street of 125 feet and is 200 feet deep.

The new fraternty house will be a red brick building with a frontage of 70 feet on the street and 32 feet in depth. The structure will have a plain front with a small entrance, while on the south side a large veranda will be built the length of the house. The building will be three stories in height, the first floor containing a large living room, dining room, parlor and kitchen, with a special part of the house set off for the matron and help. The second and third stories will be largely devoted to studies and sleeping rooms, which are to be built in the suite fashion. The house when finished will accommodate eighteen to twenty-four persons, besides the help. The new fraternity home will be of fine proportions and modern in every respect. The third story will have the mansured roof effect. The old house on North Park Avenue has been sold to the college and will be vacated as soon as the new home is ready of vacancy. The plans were drawn by Frederick Griffin of Pittsburgh.

College Play

Duzer Du to Present "Trelawney of the Wells" on Thursday.

The finishing touches for the Duzer Du play are now being put on, and on Thursday night the cast will undoubtedly be in shape to present "Trelawney of the Wells" in an excellent manner and entirely worthy of the former successes that Duzer Du has staged. A marked departure from the accustomed order was made this year when a play of modern composition was chosen for production. Owing to the fact that the play is a modern one the work of drilling the cast has been harder than in any previous year, but Miss Spalding, who has been working hard for the last three weeks, is confident of its success. Pinero, the author, is one of the best known modern playwrights, and his works are well worth presenting by the best professional companies. "Trelawney of the Wells" was first produced in 1898 with excellent success. Mary Mannering, the noted actress, played the leading part of Rose Trelawney.

The box office at the theater opened this morning at nine o'clock when the tickets that have been purchased during the last week or so from students were exchanged for reserved seats. The college orchastra will furnish the music for the production of the play, and a good program can be expected from them.

MEADVILLE HIGH TAKES INTER-SCHOLASTIC MEET

Good Time Made in Many Events—Eight Schools Participate.

Before what was the largest crowd that ever attended any athletic contest on the local Montgomery Field, Meadville High School won the first interscholastic meet held under the auspices of Allegheny College on last Saturday. It was a great day both for the college and Meadville High School. Seven other schools had their men entered in the meet, but were unable to cope with the speedy runners from Meadville. The local High School was first with 49 1-2 points; Erie, second, with 33 points; Jamestown, N. Y., third, with 30 1-2 points; Rochester, fourth, with 12 points; North East, fifth, with 10 1-2 points; Westfield, N. Y., sixth, with 8 1-2 points; Kane and Conneaut, O., tied for seventh, with 5 points each. Greenville and Ridgeway, two High Schools which had planned to make entries, were unable to have contestants on the field.

Most of the athletes arrived in the city on Friday and were entertained at the various fraternity houses and Cochran Hall during their stay in Meadville. On Saturday morning the last of the contingent arrived for the preliminaries which began at 10:00 p. m. The 104 entries were considerably eliminated in the preliminary try-outs. The attendance at the morning contests was not so large, but in the afternoon a great influx of rooters for the visiting teams filled the stands. In the preliminary heats some fast time was made, especially in the dashes where the number of entries made the contestants hustle for a place.

At 1 o'clock a parade of the entire student body of Meadville High formed on the downtown streets accompanied by the Moose and Italian bands of this city. After marching about the main streets to the field, they filled an entire section of the stands, which had been reserved. About two hundred rooters from Erie High occupied another section of the stands, while interested spectators from the student body and city swelled the crowd to about a thousand people.

Since all the preliminaries had been run off in the morning, promptly at 2 o'clock the finals commenced with the 100-dard dash. This event was one of the prettiest races of the afternoon and was won by Carmont of Meadville High, in the fast time of 10 2-5 seconds. In the morning preliminaries Carmount made the distance in 10 1-5 seconds, thereby establishing a new record at Meadville High, as well as running the event in phenomenal time for an interscholastic meet. The final of the 220-yard dash was run in 23 seconds flat, Carmount of Meadville also winning first. Anderson of Erie High was another leading point winner of the meet, with two firsts in the hurdles, second in the 100-yard dasn and fourth in the high jump. Weller of Meadville, won the high jump by clearing the bar at a height of 5 feet 7 1-4 inches, a record which is better than found in most colleges. In the other field events Meadville was not so well represented, although in every contest her representatives were able to make points. Jamestown had a strong team in many respects and the remarkable showing of their man Clark, who took first in the pole vault by clearing the bar at 10 feet 5 inches, besides taking places in a number of other events, showed him to be one of the leading athletes at the meet.

Fry of Rochester High, won both the shot put and discus, both events going at good distances. Leach, the phenomenal weight thrower from Conneaut, O., High, was only able to take a second and a third. Freund of Meadville jumped a distance of 19 feet 10 1-2 inches in the broad jump which although below his record, was a good leap. The middle distance runs were probably the most hotly contested of the afternoon. The quarter mile was rather easily won by Devine of Erie, but in the half mile and one

A Case of Suffrage.

The person who criticises conditions in anything is sometimes looked upon as a "knocker" but there are exceptions where such action is justified. One place in which such action seems especially justifiable at Allegheny is the lack of student control in the larger part of activities and affairs that affect the students as vitally as either the college or any particular organization. However the lack of any student senate, organization or board of control with the majority of the members students of the college itself, has placed a large share of the responsibility for the success of the student affairs on the Faculty rather than on the students. And the accounts in the weekly papers of other colleges of Allegheny's standing regarding the passage of legislation by that body such as "the honor system, "budget plans" and even of the plan to limit college activities read like fairy tales. With the present status of things of the kind at Allegheny, it would seem that student affairs have simply stood still while the college has been progressing at rapid strides during the last few years.

However, until some change is made in the plan of organization of the college council or until some definite steps are taken to vest a body of representative students with the confidence and authority to go ahead and arrange such things, the Faculty is the only body with authority to regulate and supervise college and student activities. A representative body of students might take the initiative and give the students some plan for student responsibility or even the Faculty itself. In a recent magazine article, the president of Lafayette College made the statement that the college students furnished a cooperation for the college in a direct proportion to the amount of participation allowed to them, and the theory sounds reasonable at least.

TENNIS TOURNAMENT CLOSES.

The tennis tournament which began on April 16 came to a close Saturday with the exception of two postponed matches for the determination of position No. 1 in Class A. The winner of the Brownell-Mates challenge will be given an opportunity of challenging Cox for first position. Although these matches will not be played off until after today, it was possible to pick the team that is to represent Allegheny against Grove City today. The team that will represent Allegheny College in the dual meet tomorrow with Grove City will consist of Cox, Mates and the Brownell brothers. The match of doubles scheduled between the Brownells and Mates-Cox for Monday was not played off because of the interclass track meet, Mates and Cox retiring in favor of their opponents.

WOOSTER HERE SATURDAY FOR A DUAL TRACK MEET.

The Wooster University track team has signed a contract for a track meet on the local field on next Saturday afternoon. The Ohioans have been secured in place of the University of Rochester which was forced to cancel. Since this will be the first track meet with a foreign institution on Montgomery Field, the interest manifested will surely surpass that of any other athletic event in some time. The Allegheny team has all of its men in good condition for any hard meet meet which the Ohioans might determine to put up. The previous meet held at Pittsburgh plainly showed that the gold and blue is doing things in track this year. Even in the showing of the six men sent to Pittsburgh on last Saturday to compete in the intercollegiates, where only the best track men in this section of Pennsylvania were present, Allegheny's work again evidenced the fact that this year's team is doing exceptionally well.

In a recent meet which Wooster had with Dennison University some fast time was made in some events, while in others the time made would not be hard for the Allegheny team to beat. The two mile run was made in 10 minutes 10 2-5 seconds, which is probably the fastest event of the whole meet. In the sprints and weights the Ohioans have little that can be counted upon.

CLASSICAL CLUB.

The Classical Club held its last meeting of the college year on last Tuesday night. At this time, the meeting was largely devoted to a series of magazine reviews, which were presented by Miss McKinney, '13, Miss Marion Thomas, '13, L. E. Elbel, '14.

As a result of the election of officers for the ensuing year, the following members were chosen: Chairman, P. W. Johnston, '14; secretary-treasurer, Miss Alice Chapin, '14; delegate at large, Miss McMahon, '15. There was some discussion as to the purchase of some ornament for the club room, but nothing was definitely decided upon at this meeting.

MEADVILLE HIGH TAKES INTER-SCHOLASTIC MEET.

(Continued from page one.)

mile runs the large field made the time fast as well as the race hotly contested. In the mile run Gebhardt of Erie was disqualified for a foul, the race going to Shellstrom of Jamestown. The half mile was another hard event in which Ellis of Meadville put up one of the most plucky fights of the afternoon. After falling down on the home stretch he managed to get up and beat out three other contestants for a second place, Roberts of Erie taking first. Probably if this accident had not happened Meadville High would have had another first place. As it was the local school had four firsts, five seconds, besides having a number of men both in the third and fourth places.

In the beginning of the meet it looked as if the fight for first honors would be between Erie, Jamestown and Meadville, but after five or six events Meadville began to forge to the front to win the meet by a safe margin. North East High proved to be one of the surprises of the afternoon. Although new at the sport, the men representing this school managed to beat out three other competitors. Conneaut High was expected to make a better showing, but they had too few men present to be well enough represented in all the evnts. The events of the day were closed with the relay race which was undoubtedly the hardest fought contest of the entire meet. Six schools were entered in this race and the runners kept well bunched throughout the course, so that when the home stretch was reached three runners came up the cinder path with hardly a foot between them. By a hard spurt the representative from Jamestown High managed to win the race for his school.

Gold medals were given to those men taking a first place, silver medals to those taking a second place, and bronze to those taking a third place. Four places were made to count in the final results. Medals were likewise given to those men running on a team which placed in the relay.

Mr. J. G. Pentz, '03, one of the four State Inspectors of Schools for Pennsylvania, returned to Meadville for the first time since graduation and was for several days last week the guest of his former classmate, Mr. Malcolm H. Dewey.

The Teutonian girls gave a delightful party at Hamilton's last Thursday evening. The company enjoyed an excellent supper and in the evening various amusements were engaged in. Dr. and Mrs. Snavely were the chaperons.

A large delegation of Y. M. and Y. W. C. A. people went to the Crawford County Poor Farm Sunday, taking ice cream for those who live there. The Home people have come to know some of the Christian workers and call for them by name as soon as they arrive.

The annual Junior-Senior "Burial of the Hatchet" was held last night at the Gymnasium. J. M. MacGowan, '14, committed the hatchet to its final resting place and Miss Marion Carroll, '14, spoke on the relations of the two classes. C. S. Miller responded for the Seniors.

The last issue of the Pacific Christian Advocate gives an interesting account of the work of Reverend W. W. Youngson, '92, pastor of the youngest Methodist Church in Portland, Oregon. Dr. Youngson has only recently taken charge, coming from the Park Avenue Church, East Orange, N. Y. Under his leadership the new church is progressing well and bids soon to be one of the important churches of Portland.

Although the attendance at the last regular meeting of the Y. M. C. A. was very poor, the meeting was full of interest. C. A. Eckles, '13, the leader of the evening, gave an intensely practical talk on the place of the Y. M. C. A. in college life. In his short address, he showed that no college man is too big for this organization; and, as well, that the Y. M. C. A. has a place for every man in the college no matter how insignificant the man might be.

The alumni of Meadville High School attending college were more than glad to see their alma mater forge to the front in the Interscholastic meet on last Saturday afternoon. Although almost all of the schools represented have some of their graduates attending Allegheny, yet the fact that almost one hundred of the present student body are graduates or attended the local high suffices to say that in many places on college hill some celebrating was going on.

Frank O. Amon, '12, and Joseph C. Blucher, '13, of the department of Chemistry have recently accepted positions in the Havemeyer Chemical Laboratory of New York University in New York City, where they will take up graduate courses leading to advanced degrees. The positions, which, besides being in a good university are also moderately remunerative, were secured through the close personal friendship of Dr. Arthur E. Hill of the University and Dr. R. E. Lee of this college.

The annual party of the Alpha Gamma Delta sorority was held Saturday evening at the Saegertown Inn. A special car left Meadville at 7 o'clock carrying the banqueters who numbered fifty-two. Dr. and Mrs. Frank C. Lockwood acted as chaperones. The tables in the Inn dining room were artistically decorated with red and buff roses, marguerites and crab apple blossoms. Candles and tiny baskets were also used in decorating. Games and music added much to the pleasure of the evening.

The members of the Kappa Alpha Theta sorority entertained a number of their friends at dinner at Saegertown Inn on last Thursday evening. The party left on a special car at 5:30 and immediately after the arrival at the Inn an eight course dinner was served in the private dining room. The various amusements afforded by the popular inn were provided for the guests. The party returned to Meadville on a special car at 11:00. Dr. R. S. Breed, Miss Emma Edson, '02, and Dr. and Mrs. F. C. Lockwood were the chaperones.

At the present time, there is some rumor that the Freshmen and Sophomores are going to engage in a baseball contest soon. Both classes have plenty of material to select from and as the time to the semester examinations is short, a game to be played would have to be contested right away. This annual game between the two under classes has always afforded plenty of amusement, as well as rivalry, so that the game this year, if played, will undoubtely furnish the usual amount of sport for those interested. The inter-class meet of yesterday again evidenced the rivalry between the "Centennials" and the neophytes, which is generally wound up by a baseball game near the close of the year.

Miss Annie Mackenzie, Miss Gertrude Bracken and Miss Irene Frank, of Oil City, visited Miss Helen Mackenzie, '16, Thursday on their way home from a missionary convention at Edinboro.

The leader of the regular Sunday evening Y. W. C. A. meeting was Miss Janet Ellis, '15. The subject was "What Can I Do," and had reference to work college girls can do in the summer. The leader gave many helpful suggestions, after which several of the girls told of different lines of work open to the college girl during her summer vacation.

PRESIDENT CRAWFORD'S TRIP.

During the past week President Crawford has been a very busy man. In the earlier part of the week he left Meadville for Erie, from there going to Chicago on college business, and from Chicago to Atlanta, Ga. At Atlanta, Dr. Crawford attended the meeting of the Board of Trustees of the Gammon Theological Seminary, of which he is a member. From there he proceeded to New York on some more college business. In his visits to the various cities, Dr. Crawford was interviewing applicants for Dr. Breed's place in the Biological department.

This morning President Crawford speaks at the commencement exercises of the Cambridge Springs High School, while in the afternoon he will address the Meadville District Conference at Corry. On Thursday morning of this week he will be present at the dedication services of the Normal Park Methodist Episcopal Church to make an address. Reverend S. W. Robinson, '07, is the pastor of this church.

OFFICERS CHOSEN FOR ORATORICAL ASSOCIATION.

At the final election of the Oratorical Association held on last Wednesday morning in Bentley Hall, J. M. MacGowan, '14, was elected to the office of president for the ensuing year; W. J. Armstrong, Jr., '16, secretary, and W. A. Ellis, '16, treasurer. Mr. MacGowan was president of the association last year and during his tenure of office it had one of the most prosperous years in its history. The other two members are new in office, but are well known as debaters in college. Since the granting of the charter of the national debating fraternity of Delta Sigma Rho at Allegheny, much more interest in oratory will surely be awakened, so that debating and oratory will come into more prominence than ever in the next few years. During the past year the Oratorical Association has had the largest number of members in its history, something over one hundred being enrolled.

INTERCLASS MEET.

In the annual inter-class meet held yesterday morning on Montgomery Field, the Sophomores easily outdistanced all their competitors by taking 80 1-2 points, while the Freshmen were second with 35, the Juniors third, with 28, and the Seniors last with 22 1-2 points. Good time was made in all the events, especially in the high hurdles when Fahr, '15, and Long, '15, ran a dead heat, tying the college record at 17 1-5 seconds. Doran rather easily won the sprints, while Thomas, '14, and McKay, '16, did good work in the broad jump and high jump respectively. Wells, '15, in the pole vault had things all his own way and easily cleared the bar at 10 feet 4 inches. In the two mile run Metcalf, '15, bettered the college record by running the distance in 11:23, but as it was not in a regular meet the record will not hold. The Freshmen failed to show any exceptional men, while the superb work of the "Centennials" made the meet a one-sided affair before many events were run.

The events in their order were:

100 yard dash—Won by Doran, '15; Thomas, '14, second; Perley, '13, third; Brownell, '15, fourth. Time, 10 1-5.

220 yard hurdles—Won by Doran, '15; Scott, '16, second; Wells, '15, third; Ball, '13, fourth. Time, 29.

Shot put—Won by C. M. Dotterrer, '14; M. Dotterrer, '15, second; Ball, '13, third; Thomas, '14, fourth. Distance, 37 feet 2 inches.

Discus throw—Won by C. M. Dotterrer, '14; W. D. Dotterrer, '13, second; M. Dotterrer, '15, third; Galbraith, '13, fourth. Distance, 109 feet 1 inch.

Quarter mile—Won by Van Horn, '13; Brownell, '15, second; Fahr, '15, third; Hughes, '16, fourth. Time, 53 2-5.

Broad jump—Won by Thomas, '14; Kramer, '16, second; Wells, '15, third; McKay, '16, fourth. Distance, 20 feet 1-2 inches.
