Dear Dr. Warren:

In the interesting account of "Behind the Scenes" in Number 363 of Lincoln Lore you give the publisher's name ~~in full~~ as the New York Printing Company, 81,83 and 85 Center Street, New York. I think you are wrong. The publisher was G. W. Carleton & Company according to the title page, that is according to my copy which bears the date 1868.*

I am very glad to have this interesting comment on the book.

Will you not ask your secretary to send me a second copy of this number - 363. I am putting this one inside my copy but I want one for my Lincoln Lore file.

Very sincerely yours

* The New York Printing Co. published for Carleton & Co.
