OF ALLEGHENY COLLEGE

WIN THAT GAME!

VOL. L, No. 7. MEADVILLE, PENNSYLVANIA NOVEMBER 4, 1931.

THREE UNDER CLASSES ELECT OFFICERS DURING PAST WEEK

Entire Slate Victorious in Upper Class Elections; Sophomores Split.

In elections after chapel on October 28 and 30 respectively, the junior and sophomore classes chose officers. The third year men ratified by a close vote the entire ticket headed by Carey March, president; but the sophomores selected a split slate, with Melvin Meadowcroft as chief executive.

Both elections were conducted under faculty supervision, with Dean of Men J. R. Shultz as chairman on Wednesday and Dr. C. F. Ross on Friday. A Student Senate committee composed of Wilson Kelley, Fred Harper, and Ross Brown counted junior ballots; Dr. Ross and President Tolley were tellers for the sophomores.

In addition to President Carey March, the juniors elected the following: Wilber Koehler, vice-president; Knighton Waite, treasurer; Miss Ruth Bowden, secretary; and Miss Wilma Rogers, historian. The rival ticket included: Bramer Carlson for president; Arthur Balser, for vice-president; James Wallace, treasurer; Miss Mary Katherine Klingensmith, secretary; and Miss Wilma Kuhnert, historian. The only other nominee was Arthur Balser for president, the nomination being declined. The first two offices were voted on separately, and the last three on a single ballot.

The sophomore election was carried out with the same precision as that preceding, but with greater variation in results. Meadowcroft captured the presidency over Judd Liebendorfer; but only Miss Jean Holman, who received the secretaryship, was successful with Meadowcroft on that ticket. She defeated Miss Dorothy Day. The opposition placed Sam Smith as vice-president over Earl Kohn, Fred Kiebort as treasurer over Waldo Johnson, and Miss Elizabeth Kirkland as historian over Miss Mary Wishart.

Freshman Elections

The results of the Freshman elections which took place on Tuesday, November 3, are as follows:

President, Sam McKim; vice-president, Tom Pringle; secretary, Winnie Andrews; treasurer, Bob Scott; historian, Clarissa Duff.

Other nominees of the election were: for president, Dick Ray; for vice-president, Bob Davidson and Dick Cessna; for treasurer, Bob Hamilton; for historian, Tom Hawkins and Jack Elder. Miss Andrews was unanimously elected to the office of secretary.

AUTO ACCIDENT IS FATAL TO STUDENT

College is Shocked by Death of Miss Julia Roessing.

Following an accident late Friday evening near Blairsville, Miss Julia Westcott Roessing, of Cheswick, Pennsylvania, a member of the sophomore class of Allegheny College, died Sunday morning at 10:45 in the Indiana hospital.

Miss Roessing was accompanied by Miss Mary Frances Walsh, of Indiana, Pennylvania, daughter of Dean and Mrs. M. J. Walsh. Miss Walsh is a member of the senior class of Allegheny College.

Miss Roessing was born September 5, 1912, at Cheswick, which has been her home since that time. She entered Allegheny in September, 1930, where she was a member of Theta Upsilon and Cwens, national sophomore women's honorary society. She is survived by her parents, two older sisters, and a brother, George B. Roessing, a member of the Allegheny faculty.

Interment will be held this afternoon at 1:30.

Allegheny Singers to Make Appearance in Buffalo January

An invitation has been extended to the Allegheny College Singers to appear at the Students' Volunteer Convention to be held in Buffalo, N. Y., from December 30 to January 5. The singers will probably appear January fourth and fifth. Tentatively this invitation has been accepted providing the expenses can be met.

To be invited to attend this convention is indeed a signal honor. Students from 700 colleges and universities will be present and the talent has been selected from a relatively small group of these. This talent is the finest available so Allegheny should be proud of her singers and exert all possible influence to facilitate their appearance at the convention.

Trustees Purchase Cullum Residence for President's Home

The Executive Committee of the Board of Trustees of Allegheny College announces the purchase of the late residence of Mrs. George Cullum, 438 Chestnut Street, to be used as a temporary home for President William P. Tolley and his family.

The dwelling was leased by the trustees during the past Summer for a two-year period with the option of buying at any time. Owing to the fine repair work and sound condition of the house the property has now been purchased by the College. The house has been occupied by Dr. Tolley since July 1, when he entered upon his new work here.

It was stressed by members of the executive committee that the purchase of the Cullum property was only for a temporary home and that in a few years it is hoped a suitable location near the College may be secured. It is expected that the residence will be used only for a period of five or six years.

St. Benedict's College altered their freshman regulations to keep up with the times and now the first year men are compelled to wear Empress Eugenie hats instead of the customary "dinks."

A college in a Northwestern state will offer a course in the "Perfect Wife" this year.

NOTICE

This week the following Fraternities will be photographed for the Kaldron:

Alpha Chi Rho
Beta Kappa
Theta Upsilon
Alpha Gamma Delta

Since the contract with the photographer has only two weeks to run it is very important that these pictures be taken at this time. A great many students have failed to have their pictures and unless these are taken within the next two weeks the students' pictures will be left out of the Kaldron.

PHI DELTA THETA BEGINS PLANS FOR NEW RESIDENCE

The trustees of the local chapter of Phi Delta Theta, under the instigation of L. A. Wells Construction Company of Cleveland, recently procured an option on some property belonging to Mr. LaBounty. This property, approximately five acres in all, is situated north of College Street, about fifty yards east of Highland Avenue. It runs one hundred and fifty yards along College Street and the proposed extension, and extends back the depth of a full block.

The situation of the fraternity house promises to be ideal, for it will be built at a point overlooking two ravines which are enclosed by the property.

In the near future, the property is to be cleared of underbrush. While this is going on, an architect will be drawing up the plans for the house. These plans must be sanctioned by the trustees of the Chapter before construction begins. Work will begin shortly after the plans are accepted.

Across the ravine, from Highland Avenue to the house, a rustic bridge will probably be constructed. This construction will be an epic of bridge-building at Allegheny College, for its span will be some fifty or sixty yards. The landscape in front of the house will be made still more beautiful by a terraced lawn.

The house itself is to incorporate the most modern, desirable features to make it an ideal fraternity house. According to present proposals, study and sleeping rooms will be built in units of two, with a bathroom, a lavatory, and a shower for each unit. An outside entrance will be provided for each room. The house will be very homelike, and quite different from anything yet constructed in the fraternity house line. It will be well equipped, and will be large enough to banquet two hundred people.

CHANGES ARE MADE IN PUBLICATIONS BOARD

President Tolley Announces New Appoinments This Week.

Fall reorganization of the faculty control bodies continues, as President William P. Tolley announces the names of part of the group who will make up the Publications Board this year.

Two new members have been appointed to date—Professors J. L. Ross and F. F. Seeley. Further appointment of a faculty member is at present under consideration at the office of the President, but as yet the name is not ready for publication.

The personnel of the previous Board of Publications included Dr. Darling, Dr. J. L. Ross, Professor McClean, John M. Underwood, Charles C. Shaw, Clifford M. Lewis, and Elmer R. Reed. The same students will continue to serve on the Board. Dr. Darling was formerly chairman.

The faculty members will have a double function as members of the governing body. Not only will they act as electors and administers, but each one will have a separate publication to which he is to act as advisor. He will have no power of censorship whatsoever, but will be available for advice whenever solicited.

Liberal Club to Discuss Weighty Problem Thursday

Liberal Club comes into activity this week, with a meeting tentatively planned for Thursday. "Disarmament" has been announced as the subject for consideration during the first several meetings. Interested persons are invited to attend the regular meetings, the dates of which will be announced in these columns from time to time.

Problems of the present day are taken as subjects for consideration at the meetings of the Liberal Club. These topics are approached from many angles and treated by varied methods. It is hoped by officers of the Liberal Club that Norman Thomas, the well-known Socialist, will be secured sometime during the semester to make an address. In addition to speakers from outside the college, there will be talks by faculty members and students, and general discussions by all present.

Liberal Club is liberal in its treatment of individual opinion. The fact that differing views are welcomed and may be freely voiced tends to kindle a lively interest in discussions. Moreover, anyone can be a member of Liberal Club, and all who have an interest in liberal discussions are extended an invitation to attend the meetings.

Liberal Club is young. It was organized three years ago largely through the efforts of Tom Gill, who becace its first president. For the second year of its existence, Michael Cammarata took over the presidency, being succeeded by Ruth Birkner.

TICKET CAMPAIGN FOR PLAY STARTED

Experimental Reduction Made in Price of Seats; Louka Recast.

Monday afternono the active campaign for the sale of tickets for George Bernard Shaw's "Arms and the Man" was begun, with an allotment of tickets being placed in the hands of a representative of each sorority and fraternity on the campus. Mr. Fred Harper is the Business Manager of the production and is supervising the ticket sale. An experiment is being given a trial for this play whereby each ticket will sell for fifty cents, all seats being reserved as usual. This change was made in order to fill the house to capacity on each of the three nights on which the play is to be presented, November 14, 16, and 17. If the new arrangement is not successful for "Arms and the Man." the usual admission price will be charged for the subsequent productions.

Due to the illness of Miss Virginia Slacum it was necessary to recast her role of Louka. Miss Betty Henry has been selected for the part. Naturally enough this substitution has caused some confusion, but this is being ironed out, and Miss Henry is fitting into the rehearsals excellently.

The producing staff is working at a feverish pace on what is expected to be the finest sets ever seen on the stage of The Playshop Theatre. New lighting equipment and stage fittings have been added to the already excellent theatre apparatus, and these will greatly facilitate the work of the producing staff with the result that the play will be professional in every respect and well worth the whole-hearted support of the student body.

Famous Reader to Present Play in Chapel Nov. 13th

Alexandre Dumas' amusing comedy, "A Marriage of Convenience." will be presented in Ford Memorial Chapel on Friday evening, November 13, by Miss Lila Newdick, reader, of Boston. Miss Newdick is one of the best loved of the younger alumnae of Leland Powers School and her work as a reader of plays is characteriezd by a delicate, unaffected, yet vivid portrayal of character and emotion.

Miss Newdick comes to Allegheny College under the auspices of the American Association of University Women. Meadville Branch, and the proceeds will go to the Fellowships and Student Loan funds of that organization. A low admission price of fifty cents will be asked, so that all students may take advantage of this unusual opoprtunity. Students in the French and Public Speaking Departments will be espceailly interested in this portrayal of French Court life in the reign of Louis XV.

Tickets are on sale at the Alumni Office.

ENOUGH OF ABSURDITY

During the past two weeks The Campus has endeavored to point out the absurdities which are included in the childish and insipid rules and regulations which govern the women students of the College. As a result, sentiment against these moth-eaten rules has reached a peak, and has been aggravated by a continuously petty enforcement policy on the part of the student governing body. The attention of The Campus has been directed to two other "misdemeanors" for which harsh penalties were meted out.

Three Freshman women obtained permission from a member of the Women's Student Government to be escorted from Arter Hall to the Library by men students. On this walk of about one hundred yards they were seen by another member of the Student Government who reported the violation, and the three young ladies were "campused" for a period of two weeks each.

Another woman, a junior, forfeited a date without first obtaining permission. The usual penalty for this offense has been a fine of fifty cents. In this case the young lady was "campused" for two weeks.

These are only glaring examples of the many offenses with which the Women's Student Government and its absurd rules deal. How much longer will the members of the student body tolerate such practices? The rules must be revised. It is within the power of the Women's Student Government to make this revision. Will it be done out of a sense of propriety and the fitness of things, or must an avalanche of student disapproval force the rules to be revised.

Contrary to many expressed opinions it must be recognized that Allegheny College is a social center as well as an institution of learning. The sooner this realization is reached the better it will be for all concerned. This is not a girls' finishing school. Young women comprise the female contingent of the student body, and they must be treated as such. Allegheny must keep pace.

GIRLS IN UPRISING AGAINST STUDENT GOVERNMENT RULES

House Meeting to be Held for Vote on Revision; Petition to go Before College Women.

Indignation over the practices of the Women's Student Government resulted in a demonstration early this week by the women which bids fair to result in a revision of the regulations.

Monday evening several women, incensed at the wholesale campusing of freshman girls, drew up a petition asking for the complete revision of Rule 6 which prohibits men acompanying freshman women during the day. On Tuesday morning this request was taken to Dean Bowie, who expressed satisfaction with the petition but asked that the action be deferred until a house meeting could be called. She stated further that if a majority of students were in favor of the revision, the request would be granted. The leaders of the movement, therefore, obeyed her request, and no action will be taken until the meeting is called.

Dissatisfaction with the present regulations came as a result of two women being campused for being escorted to church on November 18 by two freshman men. Then one girl was punished for walking several steps with a man while she was giving him a class assignment. Last Monday, penalties were meted out to three women who, having permission from one Student Government member, were accompanied by men on the campus. There were campused by other members of the governing body.

The Campus, in its editorial columns, brought these facts to light, and the women immediately took action. It is expected that the rules will be revised within the next two weeks.

MISS BOWIE PREPARING NEW SOCIAL PROGRAM

A program of all social and extra-curricular activities is being formulated by Miss Bowie for the purpose of centralizing all social activities on the campus. When the program is completed copies of it will be placed in Hulings Hall, in Bentley, and probably in the men's dormitory for the convenience of the students; it will also be reported in The Campus. Miss Bowie hopes to complete the program in the near future, and in order to do so she asks that all the students cooperate with her in obtaining all the data necessary.

QUILL CLUB ELECTS SEVERAL MEMBERS

Quill Club elected ten new members at its first meeting of the present school year on Tuesday, October 27, in Hulings Hall. The following, from a list of fifteen nominees presented by the Executive Committee, were chosen:

Miss Martha Fell, Miss Ruth Staples, Miss Eliazbeth VanKirk, Miss Myrtle Sanzenbacker, Miss Virginia Jane Miller, Miss Dorothy Day, Miss Elinore Page, Paul Siple, William Hunter, and Warren Bugbee.

Dr. Stanley S. Swartley spoke, after conclusion of routine business, on the career and literary record of Charles S. Brooks. The Cleveland essayist will deliver a lecture at this school under the auspices of the club, if present plans work out.

Miss Edith Rowley concluded the program by leading a discussion concerning "Browsing Rooms." A committee composed of Miss Katherine Millhoff, chairman, Miss Isabel Stamm, and Paul Caress was appointed to investigate the advisability of seeking such a room for the Library through such means as the Quill Club finds available.

One of the most popular faculty members at Colgate University is a psychology professor who compells his students to sleep in class as a means of determining the most efficient tone for an alarm clock bell.

Alpha Chi Rho Receives O. D. K. Scholarship Cup

The cup symbolizing the highest fraternity scholastic average was awarded to Alpha Chi Rho by Tom Lawry, representing Omicron Delta Kappa, at the Chapel exercises last Friday. George Johnson accepted the cup in behalf of the fraternity .

This is the third year that the cup has been awarded. Phi Delta Theta has held possession of the trophy for the last two years. In order for a fraternity to permanently possess the cup, it must have the highest scholastic standing three years, two of which must be in succession.

Alpha Chi Rho average for the scholastic year of 1930-1931 was 78.62. Beta Kappa placed second with an average of 78.35. Third place was won by Phi Gamma Delta with an average of 78.30.

The remaining part of the exercises was devoted to a pep meeting.

Curriculum Committee Discusses Plans for Adaption of Courses

In its first meeting on Thursday, October 29, the Curriculum Committee held a discusion of the ideals and functions of a liberal arts college. This preliminary inquiry was conducted in preparation for a searching study of the present curriculum for the purpose of determining whether it carries out the principles of education in the liberal arts.

The group laid general plans for carrying out its duties, and will meet weekly to consider the program of studies from every possible angle. Later the meetings are to be open to all members of the faculty.

Professor Lee D. McClean occupies the chairmanship of the committee, and is assisted by Dr. Guy E. Buckingham, Dr. Henry Ward Church, Dr. Oscar P. Akers, and Dr. Clarence F. Ross.

At Stephens College, a class in Casting and Fishing enjoys a maximum enrollment each year.

FACULTY MEMBER PROPOSES HINTS ON HOW TO STUDY

In connection with the article in last week's issue of The Campus concerning the ways and means of improving Allegheny's scholastic standing among the country's colleges of liberal arts, the following suggestions from the faculty give some very helpful methods of how Allegheny students may improve their own scholastic standing and also that of the college. There is no doubt that these principles are prerequisite to the betterment of Allegheny's standing, and therefore, they should be considered in all seriousness.

First, each student should have a time study budget. This would enable him to prepare his assignments for each recitation, and thus eliminate the piling up of work at the end of term. It is a well known fact that when one tries to learn an entire term's work in a few hours before an examination one is going to forget what he has learned just as quickly as he learned it. When one has a certain time to study a subject he knows that he must do it at that time or not at all; therefore, he is more likely to get his studying done. Also he will develop his powers of concentration, because he has only a certain amount of time in which to study each subject.

In the second place, students should do more free reading in their major fields. By free reading is meant reading which is not assigned for report. Text assignments and assigned library readings are just the minimum amounts to be read so that one can get a smattering of the subject. It is only by extensive reading that one can become thoroughly acquainted with a subject, and when one is majoring in a certain field he should learn all that he possibly can about his study. Students can ask their instructors what books are best to read, and there is no member of the faculty who is not glad to direct a student's reading and help him to gain a more thorough knowledge of his major subject. When one is doing his reading he should read for exact knowledge first, hunt for facts, and then organize his material in a logical way so that he can retain what he has read.

Thirdly, on assigned papers the student should take upon himself the responsibility of correcting his errors and seeing that he has said what he means to say before handing in his papers.

In the fourth place, students should use all their time profitably. When one is loafing he can do it advantageously. He can read, play bridge, engage in intelligent conversation, or do any number of worth while things and not just sit around wasting time and not doing anything at all.

The Campus

of Allegheny College

Established 1876

Entered as second-class matter, October 30, 1904, at the Postoffice at Meadville, Pa., under the Act of March 3, 1879.

The Campus is forwarded to all subscribers until an explicit order is received for its discontinuance, and all arrearages are paid according to law. Subscribers are requested to inform the manager of any change of address.

Subscriptions $1.50 a year. Single copies 5 cents.

JULIA ROESSING

The Campus joins with the entire student body in extending its heartfelt sympathy to the family and friends of Miss Julia Roessing, whose sudden death on Sunday resulted in an irreparable loss to our college. Her absence will be felt by all.

A DISAGREEABLE SITUATION

Word has recently been brought to us that Allegheny is fast receiving an unsavory and unmerited reputation of mistreating visiting football teams. The coach of the Adrian team told one of The Campus reporters that the unsportsmanlike conduct of the right side cheering section was the only thing that detracted from a very enjoyable stay in Meadville.

We have since learned that the students are in no way responsible for this practice but that the juvenile conduct is that of fans who come from other places to view the games. To say that these are town men would be disparaging some of the Meadville fans who are very sporting in their attitude. But these men do live in Meadville and are reflecting upon the reputation of the college.

Therefore, being apprised of the facts, the athletic officials should exert every power to eliminate this practice before the Geneva game. The Campus is more than willing to help if there is anything that it can do. We must curb this practice.

SUPPORT OUR ADVERTISERS

This year, in spite of most adverse business conditions, the merchants of Meadville have been most generous with Allegheny College in contributing to her publications through the medium of advertising. Every week, the columns of this paper which are devoted to advertisement are filled to capacity, and publications' expenses are met without difficulty.

These men are serving us in an appreciable manner, and it is our duty to reciprocate by trading at their stores. Those stores who refuse to support a college activity certainly do not deserve the help of any of the students. But those who feel that they are merely contributing rather than buying and yet are satisfied to act in behalf of the college are worthy of any help that we can afford.

Therefore, consult the advertising columns before making any purchases hereafter and trade with only these merchants who are deserving of your support. Not only will you be acting as you should but you will make it much easier for the managers to secure ads in the future. The existence of a publication depends upon the advertisers; so do what you can to maintain the interest of the merchants in the school.

THOSE HONORARY FRATERNITIES

There has been considerable discussion in the past several years as to the value of an honorary fraternity, but nothing has ever been done to remedy the situation. Instead the wearers of the keys still plod along content with bidding and banqueting, drawing criticism from every source.

When one considers the meaning and purpose of these honor societies, he will recognize the vast field of activity that is open to every one of them. And when the members of the fraternities themselves realize the possibilities, they will understand how far short they are falling of making the existence of these societies worthwhile.

These groups are established for mainly one purpose—to recognize those students who have excelled in one particular field and to honor them accordingly. But is it an honor to charge a man from ten to twenty-five dollars for a gold key, the intrinsic value of which is about four or five dollars? If instead the fraternity would admit the undergraduate into a society engaged in a worthwhile activity which draws approval from the remainder of the student body, then its purpose would be perhaps realized.

As one of the items in his program, Dr. Tolley wishes to have every group justify its existence on the campus. If he follows through his plan and acts accordingly, there will be a great reduction in the number of key-giving honorary fraternities on the campus. In fact, one can hardly see any reason why any one would stay under those conditions.

Therefore, it is up to these societies to find some worthy activities. If it is impossible for them to find any, then some of the members should write to other chapters and ascertain their means of activity. The acid test is about to be used, and unless some action is taken, most of the honorary fraternities will be found wanting.

CAMPUS CLIPPINGS

Attendance at Sunday School for three years was a recent punishment meted out to a University of Colorado student who was caught drinking.

* * *

Boston University is doing its bit toward lessening unemployment by replacing professional ushers with unemployed graduates at its home football games.

* * *

The student body at George Washington University is composed of forty different nationalities.

* * *

An early morning celebration of the 10-6 Dickinson football victory over Penn State College was brought to a halt when the paraders were scattered by tear gas bombs thrown by Carlisle policemen. Five students were arrested.

* * *

Sorority women at the University of Missouri are helping out during the depression by spending no more than a nickle of their "date's" funds when they go out for an evening.

* * *

The University of Pennsylvania has donated the use of their football field for a charity game between Lehigh and Penn State.

* * *

Five hundred students at the University of West Virginia found it necessary to leave school because of the failure of two Morgantown banks.

* * *

Eddie Rotan, 220-lb. Yale athletic and inter-collegiate wrestling champion, centers his ambition on song writing and not athletics.

* * *

Tulane University medical students are required to swallow rubber stomach tubes in order to be able to appreciate the position of their future patients.

These expelled irritants are not present in your LUCKY STRIKE. "*They're out—so they can't be in!*" *No wonder* LUCKIES *are always kind to your throat.*

Allegheny in Athletics

ALLEGHENY TIES GROVERS IN HARD TILT SATURDAY

An over-confident Allegheny Alligator was unpleasantly surprised at Grove City's Homecoming last Saturday, when the Crimson effectively held him to a 7-7 deadlock. The Blue and Gold Alligator snapped and threshed furiously in an attempt to turn the tide in its favor, but after coming from behind to even the count he considered himself fortunate that he was only slightly wounded and not trampled to death in defeat.

Two things became obvious as the game progressed: first, that the Blue and Gold machine was not running true to form; second, that the Crimson was playing inspired football. Until the latter part of the fray the Blue and Gold was quite consistently outplayed. It was Berger's long forward pass to Horn in the closing moments of the game and "Nick" Varano's well-timed placekick for the point after the touchdown, that enabled Allegheny to doom Grove City's hopes for glorious victory. All in all it was an extremely interesting game—as colorful and breath-taking as anyone could wish for.

Laying a barrage of forward passes all over the field and shooting reverse plays through the line for lengthy gains, Berry's cohorts had Allegheny bewildered throughout most of the first two periods. Allegheny received the kickoff, but was unable to make headway; Garbark punted to the Grove City 30 yard line. On the first play a Grover back skirted left end for 19 yards on a reverse. Another trick play was held to no gain, but a forward pass was good for 11 yards and a first down. Then two more reverses netted 29 yards for the Crimson. At length Allegheny gained possession of the ball on their own 20 yard line when a pass intended for a Grove City receiver was grounded behind the goal line. After being held to no gain in two plays and being penalized 15 yards, the Blue and Gold was forced to punt from behind its own goal line. For the remainder of the first quarter the ball flew back and forth on frequent exchanges of punts, although for the most part the ball was in Allegheny territory. As the second quarter began Grove City had possession of the pigskin on its own 48. Two reverses netted only 3 yards, but a forward pass was good for a first down, placing the oval on Allegheny's 30. The Crimson march was finally halted when Varano intercepted a pass on his own 20. Garbark twice handed the ball to Berger who smashed the left side of the line for a total of 7 yards. Then Garbark pounded into right guard for 5 and a first down. But if Allegheny fans thought that this was asignal for a march to the Crimson goal, they were extremely disappointed, because Garbark was soon obliged to punt. Later, an exchange of kicks gave Allegheny the ball in midfield. A reverse with Varano lugging the leather into right tackle was good for 5. Then a pass, Berger to Garbark, placed the ball on Grove City's 35 yard line. Varano hit right tackle for 8 and Berger plowed into the same spot for 5 to advance the pigskin 13 yards closer to the Crimson goal. Garbark picked up 2 at left tackle and Berger made 2 on a reverse and 7 on a line smash to give Allegheny another first down. At this point Coach Berry began to send in a horde of fresh crimson-clad substitutes to stem the Blue and Gold advance. That these substitutes meant business was evidenced by the fact that Allegheny lost 6 yards on the next two plays, while a forward pass was broken up. The Alligators lined up with Varano back to try for a field goal, but both teams were offside and the kick was low. A 'Gator pass was knocked down and it was Grove City's ball on their own 25. A play at right end gained 4 and one at left tackle made 2. An attempted punt was disastrous for the Grovers when Francis broke through to block the ball and Brown recovered for Allegheny on the Grove City 19. The Blue and Gold tossed two passes—the first was incomplete and the second was intercepted just as the gun sounded for the end of the first half.

The second half was even more interesting than the first. Both teams were determined to score and every means of deception and power was employed. Allegheny kicked off and Grove City returned the ball to their own 32. Two plays advanced the leather 9 yards; then a quick kick on the third down went to Berger who ran back 12 yards to the Allegheny 39. Garbark slipped through right guard for 3 and right tackle for 2. Varano drove into right tackle for about 5 yards, failing by a matter of inches to make a first down, but on the next play Garbark advanced the ball far enough to cover the required 10. Berger shot a short pass to Varano for 8 yards and then hit center for another first down. Again Berger caught the Grove City defense off guard and snapped a 14 yard pass to Garbark. Two plays later he was not so successful when Grove City intercepted one of his offerings on its own 20. Then the Crimson demonstrated that they could forward pass too, one of their tosses being good for 23 yards and another for 7, placing the ball on the 50 yard stripe. For the remainder of the third quarter both teams resorted to frequent punting, being unable to swing their offensives into scoring action.

But the fourth quarter was a different story. The final period opened with the ball in Allegheny's possession on its own 22. Garbark cut in at right tackle and slipped through for a 5 yard gain while Berger made a first down with a 7 yard jaunt around left end. Garbark finally punted, after the Blue and Gold had failed to gain in three plays, the kick going to Grove City's 48. Here the Berry-coached machine began a devastating forward pass attack. A 10-yard toss started things off. Two line plays reaped 7 and a reverse went through the Alligators for 20 yards. Then, unexpectedly, a long forward pass sailed from the Grover backfield and arched its way into the arms of a Crimson player who sprinted across the Allegheny goal. The place kick for the point after touchdown was successful and with the end of the game fast approaching the 7 to 0 lead of Grove City looked bad for Allegheny. But as the Alligators lined up to receive the kickoff they were undaunted; in fact they seemed more determined and more spirited than they had before. It was as if the Grove City touchdown had cleared away the fog that had been hovering over the Allegheny team all afternoon. Garbark received the kickoff and returned to his own 38. A play at left tackle gave the Blue and Gold 2 yards. Then Allegheny desperately opened up with a sparkling play which was executed to perfection. Horn cut out at a sharp angle from his position at right end and caught an accurate pass thrown by Berger, then tossed a lateral to Garbark who had been running behind and to the right of him; the Grover safety man pulled Garbark down after he had sped for a 20 yard gain. Another pass was incomplete while a play at left end lost 5. Then Garbark steppedinto the picture again by being on the receiving end of another Berger pass which gave Allegheny a first down. After Berger had hit left tackle for 1 yard, Fate decided that Allegheny needed a touchdown. Berger received the pass from center and backed up slowly watching for an uncovered wearer of the Blue and Gold. He poised a moment and then flung the ovate far down to the right corner of the gridiron where Horn was streaking with several Crimson players at his heels. He caught the pass and sped across the goal line. Garbark held the ball for the place kick and the unhelmeted Varano started the ball on its important flight; it rose spinning from the ground, hit one of the uprights and carromed inside. With a matter of seconds left to play neither team could break loose although frantic forward passes were thrown in all directions. The game ended while the Alligators were in the midst of an apparently powerful offensive drive to the Crimson goal.

FRESHMEN VICTORIOUS IN INTERCLASS GAME

Frosh Team Comes From Behind to Score 13-6 Victory.

On Monday afternon two well-groomed teams met on Montgomery Field to decide the question of supremacy in football in the two under classes. The teams played this game as part of the regular gym work for under-classmen, being coached in the elements of football by Mr. Way and Mr. Daniels. Contrary to expectations, the Freshman team made a final fierce attack on the Sophomores late in the last quarter, and defeated them by a score of 13-6.

The Sophomores kicked off to Vigrass, but it was not until near the end of the first quarter that either team came within scoring distance. With the first quarter almost over the Sophs blocked a punt deep in Freshman territory, and in short order Kerr took the ball to the 5 yard line. The first quarter ended with the ball in that position, but in two tries as the second quarter got under way Gregg carried it across the line. The extra point failed by a matter of inches. Throughout the remainder of the second quarter and all through the third the teams fought on practically even terms, neither team seriously threatening to score. The last quarter was the exciting one. About the middle of this last period the Freshmen took the ball and started a march down the field. Several nice passes and some trick plays aided the Frosh in getting the ball inside the 5 yard line, but it required the last bit of power in the team to push the leather across. The extra point was rushed over to give the Freshmen a 7-6 lead. With only seconds to play, the Freshmen kicked off. On the first play the Sophs tried a pass, but a Freshman intercepted it, and with the aid of some clever blocking sprinted 40 yards to the goal. The try for the extra point failed as the final whistle sounded.

The game was featured by some fine work by both teams, and by the interest shown in the contest by both the student body and the faculty. This game marked another step in Allegheny's new athletic policy, since it was purely an inter-class affair. As a result of the success of the first game, it is probable that similar games will become part of Allegheny's regular program of athletics.

Lineup:

FRESHMEN		SOPHOMORES
Lavier	centers	Kent
Vigrass	guards	Cole
Cohen	guards	Ferraracio
Wallace	tackles	Hershelman
Brown	tackles	Thomas
Hamilton	ends	Smith
Naylor	ends	Hill
Gaisford	backs	Kerr
Michels	backs	Gregg
Blainer	backs	Nichols
Vetavich	backs	Murray

Officials—Lopeman, Garbark, Morse.

VOLLEY BALL RACE WELL UNDER WAY

During the past week there has been considerable activity in the volley ball league. The season got under way October 26, and since that time eleven games have been played.

The first night of the season Beta Upsilon defeated Phi Delta Theta, 2-1, and Sigma Alpha Epsilon defeated Phi Kappa Psi, 2-1. On Oct. 27 Beta Kappa won a 2-1 victory over Delta Tau Delta, and Alpha Chi Rho lost to Phi Gamma Delta, 2-0. The following night Sigma Alpha Epsilon won from Phi Delta Theta, 2-1, and Beta Upsilon had an easy time with the Non-Fraternity team, winning 2-0. On Oct. 29 the Non-Frats came back to defeat Delta Tau Delta, 2-1, and the Sigs took another victory, this time from Alpha Chi Rho, with a 2-0 score. Friday night only one game was played, Phi Gamma Delta defeating Phi Kappa Psi 2-0. Monday night Beta Kappa defeated the Non-Frats, 2-0, Phi Gamma Delta defeated Delta Tau Delta, 2-0, and Phi Delta Theta won from Alpha Chi Rho, 2-0.

At the present time the Sigs and the Phi Gams are in the lead, each having three victories and no defeats. The B. U.'s and B. K.'s each have two victories and no defeats, and the rest of the teams have suffered at least one loss.

ST. BONAVENTURE TO TRY ALLEGHENY NEXT SATURDAY

With any feelings of overconfidence pounded out by the Crimson of Grove City last week, the Allegheny Alligator will embark next Friday for Bradford, where on the following afternoon they will encounter the gridders from St. Bonaventure. Due to Allegheny's record thus far this season, the Blue and Gold will be the favorites, but by a very slight margin. The eleven from New York State is reputed to have an advantage in weight of approximately ten pounds to the man, and in addition they play a brand of hard-hitting football that soon wears down a lighter aggregation. There is not much data in the line of comparative scores of the two teams, the only mutual opponent being Thiel. The Alligator ran up a 20-0 score against this team as compared to St. Bonaventures' 21-0 victory over the same eleven, which seems to indicate that the two squads are fairly evenly matched.

It is probable that Coach Crum will work in as many substitutes as possible in order to save the first string men for the game with Geneva the following Saturday.

GENEVA DEFEATED

Geneva took an unexpected defeat at the hands of Franklin and Marshall College last Saturday, the final score being 20-0. The pre-game dope seemed to give the Geneva team more than an even chance to win, but it is a well-known fact that dope means very little in football. In the first part of the game the Franklin and Marshall team started a passing attack that caught Geneva off guard, and during the entire game kept Geneva guessing. Geneva also tried a passing attack, but the F. & M. backs succeeded in breaking up most of the attempts. Not once during the game did Geneva seriously threaten the F. & M. goal.

Society

Another Hallowe'en has passed—quite quietly this year, as far as parties on the hill are concerned, there being but three dances—those of Alpha Gamma Delta, Sigma Alpha Epsilon, and Beta Kappa, all held on Friday evening. That of the Alpha Gams' concerned new pledges, and the Sig affair was characterized by the proverbial pumpkins and black cats, while from all appearances Beta Kappa entertained with a Bowery Brawl. In addition to the party Friday night, Sigma Alpha Epsilon entertained Dr. C. J. Ling at a smoker, held on Thursday evening at the chapter house.

PHI KAPPA PSI

Guests at the Phi Psi house over the week-end were as follows: Mr. Donald Severn and Mr. Wells.

DELTA TAU DELTA

The Delts had as their week-end guests the following: Mrs. Frank Helfrich, Titusville, Pa.; Dr. and Mrs. Wallace, Sharon, Pa.; Bob Thompson, Erie, Pa.; Miss Lucille Thomas, Bellevue, Pa.; Mr. and Mrs. B. V. Goodrich, Detroit, Mich.; Mrs. R. O. Hamilton, Little Rock, Ark.; Joseph Horn, Butte, Montana.

PHI DELTA THETA

Jack Eastmann, of Smethport; and Dr. and Mrs. B. A. Smith, of Warren, were guests of Phi Delta Theta over the week-end.

SIGMA ALPHA EPSILON

On Friday evening, October 30, Sigma Alpha Epsilon held a Hallowe'en party at the chapter house, the dance being an occasion of great frivolity and color. Traditional jack-o-lanterns and corn husks in the rooms, together with bebroomed witches, lent a true Hallowe'en air to the fete. Music was furnished by the Collegiate Ramblers, of Erie. Chaperones were Dr. and Mrs. C. J. Ling, and Mr. and Mrs. Anderson, of Turtle Creek. Guests of the fraternity were the Messrs. John Daly of Waynesburg; Frank Whitsett, of Monessen; Charles Bair, of Hickory; Gilmore Minnis and Claire Jackson, both of Meadville; Fred Boucher, of Erie; George Reuter, of Turtle Creek; Warner Peterson, Harry Dennison, Frank Butters, and Sam Smith.

Sigma Alpha Epsilon held a smoker in honor of Dr. Ling on Thursday evening, October 29. Guests of the affair included: Dr. Gamble, L. Nunn, P. Hill, L. Miller, R. Thomas, H. Anderson, and H. Morris.

Guests of Sigma Alpha Epsilon during the week-end included: Mr. Gaisford and Mr. Murray.

ALPHA CHI RHO

Among the guests at the Chi Rho house this week-end were the Messrs. Jones, Spears, Rasel, Butters, and Miss Helen Laufenberger.

BETA UPSILON

Guests entertained by Beta Upsilon over the week-end were: Mrs. F. R. Leipold, Mrs. L. L. Bell, Mrs. T. W. Giser, all of Annadale, Pa.

BETA KAPPA

Xi Chapter of Beta Kappa held its annual Bowery Ball at the chapter house on Friday evening, October 30. Decorations were carried out in the bowery style, and thirty-five couples were present in the usual costumes. Music for the evening was furnished by Herbie Johnson and his Vagabonds from Erie. Mr. and Mrs. H. P. Way and Mr. and Mrs. Daniels acted as chaperones for the party. Guests of the chapter included: the Misses Mervine, Bloom, and Eichers; the Messrs. Bell of Franklin; H. Laufenberger, J. Barco, B. Carlson, R. Cessna, and R. Maytum.

Guests of Beta Kappa for the week-end included: R. Kill, '29, of Elizabeth; W. First, '30, of Fayette City; W. Collins, '28, and V. Marion Lewis, '28, of Erie; Miss Lucille Ritts, of Butler.

THETA UPSILON

Eta chapter of Theta Upsilon announces the initiation of Genevra Hazen and Frances Walsh, Tuesday, October 27.

JELBART-McKEE

The marriage ceremony of Dorothy Jelbart and Maurice B. McKee, both of Meadville, was solemnized at high noon in the Grace M. E. church. Miss Jelbart, a member of Alpha Rho chapter of Alpha Xi Delta, graduated from Allegheny in '26. Active and alumnae members of Alpha Xi Delta attended the wedding and reception.

ALPHA GAMMA DELTA

Friday evening in the gymnasium of Hulings Hall, Kappa chapter of Alpha Gamma Delta presented its first chapter party of the school year in honor of the following pledges: Helen Perkins, Cordelia Taft, Lucille Johnston, Phyllis Bramer, Jean Tiffany, and Mary Shuman. Dutch Kress and his Olympians furnished the music, with Professor Howes and Miss LeRoy acting as chaperones. Guests of the chapter included the Misses Martha Bernard, Marion Sleeman, and Virginia Tufts.

KAPPA KAPPA GAMMA ENTERTAINS MRS. TOLLEY

An alumnae tea was given in honor of Mrs. Tolley on Tuesday afternoon, October 27, from 4-6 o'clock, by Gamma Rho chapter of Kappa Kappa Gamma. Mrs. Walton poured. The guests included: Mrs. Tolley, Mrs. Walton, Mrs. Swartley, Mrs. Carpenter, Mrs. Fahr, Miss G. Richman, Mrs. L. Culbertson, Miss Hempstead, Mrs. R. Cox, Mrs. I. Kent, Mrs. J. W. Hazen, Miss E. Gill, Miss D. Kerr, Miss M. Hayes, Miss E. Dulin, Miss G. Henderson.

KAPPA PHI KAPPA INITIATES TEN MEN

New members were initiated into Kappa Phi Kappa, professional education fraternity, on Wednesday evening, October 28, in Ruter Hall. At that time also the plans for a fall banquet were announced.

The list of new members follows: Dr. C. W. Skinner, William Hunter, George Harner, Charles Hartung, Robert Fairing, Homer Moody, Michael Yohan, Wallace Larson, Doyle Wallace, and Everett Thayer.

A speaker from Edinboro State Teachers College, Dr. Mudge, has been secured to address Kappa Phi Kappa at its annual fall banquet, which will be given at the Kepler Hotel on Wednesday, November 18.

ALPHA CHI SIGMA ELECTS SIX MEN

Alpha Chi Sigma, professional chemical fraternity, elected new members on Thursday, October 29. Those elected were Glenwood Black, Thomas Gates, Jack Pogue, Charles Poole, Glen Rumberger, and Charles Stanton.

Initiation ritual for the new members will occur on November 10, followed a week later by a banquet in the private dining room of the Kepler Hotel, on November 17.

Dr. Elliott Speaks Before Art Group at Public Library

The Meadville Art Association held its first meeting of the season at the Public Library building last night with a large number of members and guests attending. After a brief business meeting, Dr. William A. Elliott, of the Allegheny College faculty, gave a lecture on "New Trends in European Architecture," illustrated with photographs taken by him on his recent trip abroad.

Architecture, because of its lasting qualities, is probably the best known and understood of all the arts. The new, or modernistic architecture in unique and often startling forms, can be seen in various parts of Europe. It is apparently a complete departure from well-known forms, appearing like plain boxes piled on plain boxes, poured in concrete with curious shaped windows to break the monotony. Also quaint churches suggest Romanesque forms, but are topped with octagonal towers and with curious parabolic arches in place of the familiar gothic variety. However, the buildings, with their complete lack of ornamentation, plainly stood out with an attractive restful starkness from more conventional forms about them.

The new tendencies are not so new, being derived largely from the teachings of William Morris, an Englishman, who 50 years ago or more revolted from the ornateness and insincerity of the art of his day and taught that "form is function." The war loosed the restraint on these ideas and the present need of rigid economy has made them have a growing popularity in Europe, which, Dr. Elliott feels, will be much slower in coming to the surface in this country.

The devotion of Mussolini to the glories of the past has made the new architecture less popular in Italy, but the number of such buildings in Germany, Austria, Scandinavia and other parts of Northern Europe attest the growing interest in it.

Of especial interest were the pictures of the new municipal apartments with which Vienna is solving her housing problems in a most efficient way, modern architecture being matched with modern ideas of social betterment. Dr. Elliott felt that the new movement was successful to the extent that it is teaching a truer form of art with emphasis on the best of the past and on thought for greater beauty in the future.

"We'd rather have a Chesterfield and now we'll tell you *why*..."

Three mighty good reasons!

"MILDER"—*smoke as many as you like!* That's what every Chesterfield smoker knows . . . and it's not hard to prove, either. Just try this blend of milder, riper tobaccos!

"TASTE BETTER"—*you'll like as many as you smoke!* That's what more smokers are learning every day. Not over-sweetened, but just sweet enough for constant enjoyment. The mild, rich flavor of the finest Turkish and Domestic tobaccos.

"THEY SATISFY"—*in every way!* The tobacco, the paper, the package... everything about Chesterfield is the best that money can buy or that science knows about!

GOOD...they've got to be good!

©1931, Liggett & Myers Tobacco Co.
