Miss Ida M. Tarbell,
132 E. 19th St.,
New York City.

Dear Miss Tarbell:-

I am attaching the four copies of our little Congress News which were issued in Cleveland thinking that perhaps you had not kept the copies sent to your hotel room.

I am particularly anxious to get criticisms and suggestions regarding this little adventure because it is probable that we will wish to issue a paper next year. Will you please give me your thoughts in regard to the value of this paper and any suggestions which you may have regarding its improvement?

With kindest regards, I am

Very truly yours,

C W Price

General Manager.
