Dear Miss Tarbell:

Thanks a lot for the revised Young piece. I think it carries out our little chat excellently.

However, it did strike me that it was just a little slow going in the first half, and I wondered if we couldn't bring Owen D. Young out more vividly and more completely by injecting a few paragraphs to set him up well forward in the lead, say after the second paragraph.

If you agree with this suggestion, suppose you just send me the paragraphs at your convenience and we will mortise them in here.

Sincerely,

Sumner Blossom
