THE CAMPUS

OF ALLEGHENY COLLEGE

1915

VOLUME XXXIV—NUMBER 2

MEADVILLE, PA., OCTOBER 5, 1915

ALLEGHENY WINS FIRST GAME

Gold and Blue Takes Easy Victory From St. Bonaventure in One-Sided Contest

In the opening game of the football season, the Allegheny eleven completely overwhelmed the St. Bonaventure team on Montgomery field. The final whistle found the visitors at the short end of a 52-0 score. Although the weight of the two teams was very nearly the same, the New York aggregation showed less knowledge of the game, while Coach Hammett's men showed the effect of the weeks of hard work which they have been given. In all fairness, the visitors must be given credit for putting up a hard fight through every minute of scrimmage, in spite of the ever-increasing tally which was run up against them.

Although Saturday's contest was so unequal that it could hardly be called a good football game, it was of importance as it placed the 1915 team under fire for the first time. The ability of the line, in particular, was almost unknown, due to the fact that only two of last year's veteran linesmen have returned to college.

The new men did well, although lacking on the offense. In defensive work all of the new men did good work. Although the visitors drove plunge after plunge into the line, only one gain was made during the entire game in this way, and the single successful drive netted less than one yard. On the offensive, however, the Blue and Gold line was weak in opening holes, so that in spite of the fast work of the backfield, the gains through the line were smaller than they should have been. Captain Pierson, '16, played his usual consistent game.

The sensational work of the game was shown largely by the backfield. The veteran quartet, Munhall, '16, Cox, '16, Bash, '16, and Arnold, '15, circled the ends time after time for large gains. Arnold's running netted the most ground, the speedy halfback covering large stretches of the field before being downed. Munhall's plunging was good, particularly as he was obliged in many cases to make his own holes. Carmont, '19, who played left end during the first half, gave some sensational exhibitions of circling the opposite end with the ball. Carmont is very fast, hits hard when tackled, and has the knack of falling four or five yards when in the grasp of his opponents.

During the second half, a great many substitutions were made. The entire 'varsity backfield was withdrawn and replaced by the second line of the scrub team. A number of changes were made on the line as well, so that the final whistle found nearly the entire second team on the field. Drake, '17, showed fine form, particularly in running back punts. Askey, '17, was put in at full early in the game. His line plunging was good, and defensive work excellent. Baldwin, '19, was played at halfback during the second half, and proved to be a consistent gainer and a valuable man on defense. McKay, '16, was worked both on end and as a back and showed up well at both positions.

Preceding the game, the men of the student body paraded through the city with the band, and led by the team in automobiles. The classes wore different colored hats and the Freshmen wore masks. Cheerleader Dundon, '16, and his assistant, Peckham, '17, were in charge.

First Half.

Cox kicked off to Tomasso on the visitors' 10-yard line, the ball being carried 10 yards. The St. Bonaventure halves attempted to circle the ends, losing 5 yards on one play and being held without gain on the other. Cronin attempted a plunge through the center without success, and Tomasso was obliged to punt. Bash received the ball on the visitors' 40-yard line. Arnold and Bash both made gains, the former around the end and the latter through tackle. Munhall attempted a drive through the line, but was held without gain. Arnold again circled right end for 5 yards. Bash equalled the distance through tackle. Both Munhall and Arnold then hit the line without success. The New York team was penalized for off side on an incomplete forward pass. Carmont carried the ball around right end for a 7-yard gain, which netted the first touchdown. Munhall kicked the goal. Score, 7-0.

Cox kicked to Everett, who ran the ball back 10 yards. Three successive line plunges by the Bonaventure backs failed to advance the ball, and Tomasso was forced to punt again. Arnold received the ball on his own 45-yard line, and carried it for 45 yards through almost the entire opposing team. He then went around end for a gain, but the home team suffered a 10-yard penalty. Cox made a slight gain around left end, and a forward pass failed. The ball went to St. Bonaventure. An end run, attempted by Everett, resulted in a loss of 5 yards. Kinney stopped a line plunge which brought the visitors no gain. In the next play the ball was fumbled and recovered by Allegheny. A second fumble followed but was recovered by the home team. Bash made 2 yards around the left end.

At the beginning of the second quarter, the ball went into play on St. Bonaventure's 20-yard line. Carmont, in a fast, hard run, gained 12 yards around right end. Bash followed with a 3-yard advance and Munhall plunged to within one foot of the line. After another attempt through the center of the line, without gain, Munhall broke through for the second touchdown. Score, 13-0.

Tomasso received on the 12-yard line, carrying the ball back 10 yards. The visitors attempted two forward passes without success. McConnell stopped a line plunge without gain, and St. Bonaventure punted. Munhall made 2 yards through the line, and Arnold 16 around right end. Arnold was run three times for gains, totalling 11 yards. Carmont was thrown back for a 5-yard loss. Cox threw a forward pass to Bash on the 5-yard line, the latter scoring. The goal failed. Score, 19-0.

St. Bonaventure put in Kilcoin for Clark, shifting Clark to fullback, and Cronin to quarter, where he replaced Tomasso.

Captain McCalliom received the next kick, carrying the ball back 12 yards. A line plunge through Byers and Kinney failed to gain, and one through Harbaugh netted one foot. Munhall got through the line and broke up an end run. Cronin punted to Bash. A forward pass having failed, the ball was given to Carmont who made good for 5 yards. Bash drove 10 yards through a tackle. The half ended with the ball in mid-field.

CALENDAR.

Today—
6:45 p. m.
Modern Problems Club.

Wednesday—
10:30-12:30.
Athletic Election, Treasurer's Office.
4:00 p. m.
Student Volunteer Band open meeting in Library.
6:45 p. m.
Y. M. C. A. in Cochran Hall, Y. W. C. A. in Hulings.

Thursday—
4:00 p. m.
Philo-Franklin Forum in Bentley.

Saturday—
3:00 p. m.
Allegheny vs. Akron at Akron.

Activities of Faculty Members During Summer

VARIOUS FORMS OF WORK AND PLEASURE TAKE UP THE SUMMER MONTHS.

While the student body was recuperating from the nerve-racking strains of a hard college year, as well as from the less arduous duties of a Centennial Celebration, the several members of the faculty were busying themselves in a great number of places between the Atlantic and Pacific. Some continued work in their departments, others worked upon some particular hobby, while not a few gave themselves up entirely to a period of relaxation and rest. European travel was not considered as pleasureable pastime as in times past, and all journeying was confined to the United States.

President Crawford remained in Meadville almost the entire summer, spending the greater part of the time in his office. In company with Mrs. Crawford, he made several week-end trips by automobile, one of these extending to New York City, where a two-day stop was made. He occupied the pulpit of some Pennsylvania church nearly every Sunday.

Dr. Elliot was in Meadville practically all of the vacation.

Dr. Smith remained in Meadville, devoting all of his time to completing his book, "Allegheny, a Century of Education."

With the exception of one week spent in Buffalo, Professor Ross was at home.

Dr. Lockwood's summer was a busy one. He supplied at the Fourth Street Methodist Church of Wheeling, W. Va., for four Sundays, and lectured at an institute in Wheeling for a week. Following this he spent some time at home, and then lectured at the Lincoln, Ill., Chautauqua. He also visited in Dayton, O., for one week.

Dr. Mulfinger summered in Meadville.

Dr. Cobern was on the program of several Chautauquas and assemblies, lecturing on archaeology in its influence on the Bible.

Dr. Ling was another who remained at home in Meadville.

Dr. Akers was at home, spending the major portion of his time at golf, with some research work as a side issue.

Dr. Lee was in Meadville working in the laboratory in Wilcox Hall, as well as keeping a close watch on the work in the new Carnegie Hall.

Early in the summer Dr. Snavely visited his home in Baltimore, Md. Following this he spent six weeks in the University of New York in the capacity of instructor of French. After the middle of August he was in Meadville attending to his duties as registrar.

Miss Spalding journeyed in California, attending both fairs, and also visiting the summer session of several western colleges.

Dr. Darling spent his time in the biological laboratory, doing research work on the inheritance of mice and the origin of chromosones.

Professor Hammett visited his mother and sister at Thurmont, Md., for three weeks, and spent the rest of the time at Meadville, going on several camping expeditions with his young son.

Dr. Henke was touring and camping with a party in Iowa, Minnesota and Wisconsin.

Professor Decker spent one month in Dickson, Ill., his former home, and on his return trip stopped in Chicago where he did some work in the libraries of the University of Chicago and Northwestern University.

Professor Swartley spent the summer in North Wales, Pa., the home of his parents. He went into Philadelphia daily, where he did research work in the library of the University of Pennsylvania. He spent part of the time

(Continued on page 2).

Plans for Fall Athletics Announced by Coach

CROSS COUNTRY TEAMS START THIS WEEK—BASKET BALL CALL MADE.

An extensive program has been mapped out by Prof. C. E. Hammett for athletic work outside the realm of foot ball. Although there is an unusually large squad working on the gridiron daily, there are many other men who desire a less strenuous form of exercise.

Cross country running was started on Monday, and will be continued on Mondays, Wednesdays and Fridays of each week until Thanksgiving. Two squads will be made up, one to run at four o'clock and the other at five. The first of these will be led by C. E. McKinney, '17, a middle distance runner on the 'varsity team for the past two years, and the second will be under the direction of C. A. Aey, '16.

The distance set for the squads is three miles. For the first day the men will walk and run alternately, so there is no danger of anyone becoming exhausted. Each day the run will be lengthened a little and the walk shortened, until after two weeks of practice the entire distance will be run. From then on an attempt will be made to gradually increase the speed. Occasionally a five-mile jog will be substituted for the faster three-mile, but in general the object will be to cultivate a good pace for the shorter distance.

On November 24th, the day before Thanksgiving, the annual cross country race will be run on a three-mile course. This will serve as a test of the result of the training, and will also reveal any likely material for the track team. Gold, silver, and bronze medals will be presented to the winners of first, second and third places, respectively.

The first of these races, held in 1913, was won by E. R. Patterson, ex.-'17, while last year's contest was taken by R. F. Kahle, '17.

Coach Hammett is enthusiastic over the benefits of cross country running to any man, whether a prospective track man or not. While he holds it the only basis for a track career, he considers that any man who wishes to keep in good physical condition will not be wasting time to give three hours a week to this activity. While the real work of conditioning the track team will be done in the spring, the fall is the time to develop stamina, for no man can hope to be a great runner in the spring who allows his legs to soften and his wind to fail him through the winter. Coach Hammett lays the

(Continued on page 2).

THE CAMPUS CATECHISM.

Ques. Do you read The Campus? Ans. Yes, I read it every week.

Ques. Whose Campus do you read? Ans. I read my own, as I should.

Ques. Do you read the news in its entirety? Ans. Yes. It is of interest to me to know all I can about the college I attend.

Ques. Do you read the ads? Ans. Yes. I desire to know those who are making it possible to buy The Campus at the rate I do and to patronize them when I have occasion.

Ques. What do you do with The Campus when you are through reading it? Ans. I send it home as a supplement to my letters. It therefore serves a double purpose and gives the folks at home a better appreciation of the school I attend.

Ques. When should Campus subscriptions be paid. Ans. At the first of the year; then the manager can know better the financial conditions and can give me the best for my money.

Annual Freshman-Sophomore Fight a Tie

TWO UNDERCLASSES FIGHT FOR SUPREMACY ON MONTGOMERY FIELD.

In spite of the threatening weather, the student body turned out en masse last Saturday morning to witness the annual Freshman-Sophomore field meet. The younger classes were very much in evidence, the rivalry both in the events themselves, and in the celebration of successes being very spirited. The final score of the day was a tie, each class having gained two points. The Sophomores, however, are generally conceded to have had a slight advantage, due to their winning the rope-tying contest, which is always the big event of the day.

The general supervision of the events of the day fell to E. W. Hickman, '16, the president of the Senior class. G. G. Witter, '17, president of the Junior class, handled most of the detail work connected with the meet.

The excitement during the entire meet was sustained, due largely to the fact that the unusual size of the Freshman class equalized the strength of the two classes by off-setting the advantage which the Sophomores would have because of their experience of last year. Both the Senior and Junior classes were present in a body to encourage and applaud their proteges.

The first event of the day, the tug-of-war, was won by the Freshmen. While the infant class had perhaps the advantage of weight, the Sophomores failed to show the knowledge of the event which their experience last year should have given them. On the first trial the Sophomores were obliged to drop the rope, and on the second trial, the 1918 team was dragged almost to the gate. This event counted one point for the Freshmen.

The obstacle race which followed was also won by the Class of '19. This event, which always causes an infinite amount of enjoyment for the spectators, was a little different from that of previous years. The barrel obstacles were not used, but instead, two new "stunts" were added. On the first lap, the first two men ran a sack race for about 40 yards, then went over a gymnasium "horse", and under a hurdle, the total distance being 250 yards. The second man was obliged to go under two tennis nets, which had been thrown across the track, and after running 200 yards, blow a quantity of flour out of a pan until a coin on the bottom was uncovered, and then pick up the coin with his teeth. The next men again ran a sack race and after climbing a step ladder, transferred the coin from their teeth to the teeth of the next two men. The final obstacle was the eating of a soda-cracker, the men being allowed to finish the race as soon as they could whistle.

The third event, the soccer-football game, resulted in neither side scoring, in spite of the fact that an extra period was played. J. Castle, '18, for the Sophomores, and Weissenborn, '19, for the Freshmen, showed the most skill in the game. Sanner, '16, refereed.

The rope-tying contest was the final event, 30 men from each side taking part. Each man was given two pieces of rope, each two feet long. The classes were lined up at opposite ends of the athletic field, and at a given signal, came together in the center of the field, the object being to tie up as many men as possible in the ten minutes which was allowed, and carry them across the line. Both sides attempted to encircle the ends of the opponents, with the result that the fight, instead of taking place in the center of the field, was scattered all over the field. It was largely a series of individual contests, which accounts for the small number tied up by each side.

THE CAMPUS

OF ALLEGHENY COLLEGE

Established 1876

Entered as second-class matter October 30, 1904, at the Postoffice at Meadville, Pa., under the Act of Congress of March 3, 1879.

Published every Tuesday morning during the academic year by a staff of editors selected on a competitive basis from the students of Allegheny College and devoted to the interests of the College and its community.

Subscriptions $1.50 a year; $1.00 in advance. Single copies 5 cents.

The Campus is forwarded to all subscribers until an explicit order is received for its discontinuance, and until all arrearages are paid according to law. Subscribers are requested to inform the Business Manager of any change of address.

Communications intended for publication should be sent to the Editor or dropped in the box in the main hall of Bentley before 9:30 a. m. Saturday.

OCTOBER 5, 1915

Allegheny's football season has opened, as last year, with a favorable beginning. A team whose strength was hardly known has been met and beaten with a comfortable margin, and Allegheny is waiting for the outcome of the second game, with Akron, next Saturday. A great deal of credit is due to the Coach and to the team for the splendid showing of Saturday, but especially noteworthy was the showing of college spirit in support of the team at the opening of the season. As the Coach said recently, it is not the team's game any more than it is the rooters' game. Such spirit as was manifested Saturday is the kind that will insure victory every time, and will show a winning team that there is a winning body of rooters behind them in every play. The Blue and Gold is to meet some hard teams this season. Remember the spirit to support them.

Football Season Opens

Y. M. C. A. MEETING.

The Y. M. C. A. meeting last Wednesday evening was one of the most interesting that has been held for some time and certainly was a fine starter for the year. W. J. Armstrong, '16, took charge and gave a rousing good talk on the subject of "The Imperishable Man Within." He spoke first of the importance of the physical body and went on to show where in addition to looking after this great factor of our lives we should not forget the "man within," for while our whole physical life may be taken away in one accident, nothing can take from us our spiritual self. If we can measure ourselves up to those standards set by Christ more than two thousand years ago and watch our every-day habits, taking just as much care of our spiritual nature as we do of our physical body we shall have fulfilled our Christian duties.

Following Armstrong's remarks, L. H. McKay outlined a new system of Bible study which is going to be taken up this year in connection with the regular Y. M. C. A. work. This study is going to deal with the every-day problems of life and will be held once a week for a few minutes directly following supper.

Owing to the fact that Harry Titus, ex.-'18, is unable to be here this year, a vacancy was made in the office of treasurer. The nominating committee suggested C. C. Curtis, '17, and this will be acted upon at the next meeting.

Y. W. C. A. MEETING.

On Thursday evening, Mrs. Diefenderfer, a member of the National Anti-Mormon Commission, spoke to the college girls in the Y. W. C. A. rooms. She told first of the wonderful spread of Mormonism. The Mormons work under a definite system. They have our entire country mapped out in districts each under the control and influence of Mormon missionaries. Their numbers are increasing very rapidly until at present we have one Mormon for every one hundred and eighty-five persons in our country. Our eastern colleges are alive with Mormon representatives who are quietly and secretly working for their faith. Then she mentioned the perils of Mormonism. She said in part: "I don't dislike the Mormons; it is their faith that I despise. They believe in plurality of gods and in plurality of wives. The womanhood of their people is terribly debased and debauched, and their women are educated and taught to believe that theirs is the only life for them, and that by leading such lives they are bringing honors upon their husbands. They rob God of all divinity. As to their ceremonies, their marriage ceremony is too vile to be mentioned. Then comes the question, Why do we tolerate such people in our midst? The answer is, We cannot help it. They control enormous amounts of capital and have a wonderful commercial influence and power. John Smith (nephew of the original John Smith) who is now their high priest, controls the sugar and salt industries of the West, making six dollars on each ton of salt sold. He has a commission of ten per cent. on all agricultural implements manufactured in the West. He has great influence in Wall Street also. Yet it is not this one man alone who is exerting his influence in behalf of Mormonism, but we have on the floors of our National and State Legislatures representatives of this faith who are defying the principles of our government and preaching blood atonement. The danger is eminent and the warning is that we be on our guard for these people are in our very midst."

ALLEGHENY WINS FIRST GAME

(Continued from page 1).

Second Half.

Coulsan replaced McConnell and McKay went in for Carmont. Munhall received on the 15-yard line and carried the ball five yards. Arnold and Bash made gains through the line. The ball was fumbled and recovered. A line plunge brought no gain and a second fumble gave the visitors the ball. Sullivan dropped back for a forward pass, but Arnold caught the ball in the air and by a sensational run tore through the visitors for 15 yards. Bash plunged through tackle, and a forward pass, Cox to Pierson, netted 35 yards. Arnold was played twice for 5-yard gains, and a third time for 2 through the line. Munhall hit the line for 4 yards and Arnold scored the touchdown. Bash kicked the goal. Score, 26-0.

Askey replaced Munhall. Cox kicked off to Everett. Three forward passes attempted by the visitors failed, Allegheny taking the ball on downs. Arnold and Bash gained on the ends a total of 12 yards, and then Arnold went through tackle for another touchdown. Bash kicked the goal. Baldwin went in for Arnold.

Everett received on his own 15-yard line and made 10 yards before tackled. Clark fumbled and Baldwin fell on the ball. Cox passed the ball 10 yards forward to Bash, who carried it another 10 yards for a touchdown. Bash again kicked the goal. Score 40-0.

Cox kicked to McCalliom and then made the tackle. Bash intercepted a forward pass and carried the ball in a splendid 35-yard run through the opponents' backfield for a touchdown. The try at goal failed.

Glasheen was put in for J. McNally by St. Bonaventure. McKay replaced Bash and Scannell went in at left end, and Drake replaced Cox. McKay kicked to Glasheen who ran the ball back 5 yards. A line plunge failed to gain for the visitors. Curry replaced Coulson. Harbaugh broke through the line and tackled McCalliom for a 5-yard loss.

At the beginning of the last quarter, Heckman replaced Byers and Curry went in for Coulsan. St. Bonaventure fumbled but recovered. A line plunge failed and Cronin punted out of bounds. Askey drove through the line for 5 yards; McKay equalled it through tackle, and Baldwin made 7 yards around end. McKay, Askey and Baldwin again gained, and the latter scored on an end run. The attempt by Kramer to kick the goal failed. Score 52-0.

Hauck went in for Curry, Curry for Kinney. Kramer kicked to Kilcoin, who was immediately dropped by Askey. St. Bonaventure attempted two line plunges without gain, and then made their first successful forward pass, Cronin to Glasheen, gaining 10 yards. A plunge through Harbaugh failed to gain. Engstrom went in for Heckman, who replaced Harbaugh. Sullivan failed to make good a forward pass. Cronin punted to Askey. Allegheny was penalized for off-side. Baldwin gained 2 yards and then Kramer got away with a 40-yard punt. Captain Pierson got down fast and dropped the St. Bonaventure halfback, who received, in his tracks. Cronin immediately punted. Drake received, running the ball back 8 yards. Baldwin tore around the end for a 9-yard gain, and McKay made 3 more through tackle. The final whistle blew with the ball in Allegheny's possession in mid-field.

The line-up and summaries follow:

Allegheny, 52.		St. Bonaventure, 0.
Carmont	l. e.	J. McNally
Kramer	l. t.	P. McNally
McConnell	l. g.	Ratchford
Harbaugh	c.	Cuzner
Byers	r. g.	Clark
Kinney	r. t.	Sullivan
Pierson (Capt.)	r. e.	Moffat
Cox	g.	Tomasso
Arnold	l. h.	McCalliom (C.)
Bash	r. h.	Everett
Munhall	f.	Cronin

Referee, Mauthe, Penn State; umpire, Smith, Oberlin; head linesman, Wirt, Pitt.

Touchdowns: Bash, 3; Arnold, 2; Carmont, 1; Munhall, 1; Baldwin, 1.

Goals from touchdown: Bash, 3; Munhall, 1.

Substitutions: Allegheny — Coulsan for McConnell, McKay for Carmont, Askey for Munhall, Baldwin for Arnold, Scannell for McKay, McKay for Bash, Drake for Cox, Heckman for Byers, Curry for Coulsan, Hauck for Curry, Curry for Kinney. St. Bonaventure—Kilcoin for Clark, Clark for Cronin, Cronin for Tomasso, Glasheen for J. McNally.

Adler Rochester Clothes at Veiths'.

KALDRON STAFF ANNOUNCED.

Although the members of the Kaldron editorial staff were chosen last June, this is the first opportunity that has been given for announcing the personnel of the new board. The electoral board, elected by the student body, selected as the editor-in-chief E. W. Hickman, '16.

Mr. Hickman has served on the staff of the Kaldron for two years as illustrator. Practically all of the cartoons and illustrations which have appeared in the annual during the past two years are his work, and are in themselves the best tribute to his ability as an artist and to his conscientious effort for the success of the Kaldron. It is particularly fortunate that this year Mr. Hickman is not only editor-in-chief of the Kaldron, but also president of the Senior class. The Kaldron is intended as a portrayal of the student life at Allegheny, and to reflect the sentiment of the student body. As president of the Senior class, Mr. Hickman should be in a very good position to note the trend of college opinion, and to catch the vital features of the college life of this year.

The other members of the editorial staff were chosen by Mr. Hickman, either because of previous good work on the staff, or because of successful activity in other lines of college activity. They are: Miss Helen Adams, '16; Miss Eva J. English, '18; Miss Elizabeth Best, '16; R. F. Kahle, '17; J. L. Wise, '16; John Weaver, '17.

In view of the wealth of interesting features which filled the Centennial Celebration of last June, and the unusual efforts which are being made to make this a big year in the college history, the 1916 Kaldron will undoubtedly be a red-letter number.

Whether or not the Kaldron is a truly representative paper, however, depends largely upon the student body. No editorial staff can portray the life of the entire student body unless the students co-operate. It is to be hoped that this year a large number of the students will contribute stories and sketches of the college life, and above all humorous sketches, so that the Kaldron will represent, not the editorial staff, but Allegheny.

Dr. F. G. Henke has organized a teachers' training class in the Stone Church to meet at the regular Sunday School hour in the Parish House. This is open to any college students who desire to take such a course.

Hulings Hall

The Sunday evening meeting of the Y. W. C. A. was in the form of a candle service. The leader was Miss Martha Kelley, '16. The new girls were taken into membership. Each new girl was given a small candle which she lighted from the large association candle. This made a very impressive and effective service.

Miss Rachel Cleveland, ex.-'17, of Erie, Pa., was the guest of Miss Lillian Fetzer, '17, over Sunday.

Miss Agnes McMahon, '15, was the guest of Miss Agnes Smith, '17, over Sunday.

Mr. and Mrs. H. E. Gates, of Oil City, Pa., visited their daughters, the Misses Helen and Claire Gates, Sunday afternoon.

Mrs. H. N. Neal and daughter, Louise, of Union City, Pa., were the Sunday guests of Miss Meredythe Neal, '19.

Miss Elizabeth Sykes, '17, was pledged to Kappa Alpha Theta Tuesday evening.

Miss Dorothy Sansom, '13, of Clarion, Pa., spent the week with friends in Meadville. She was the dinner guest of Miss Marian Miller, '16, Tuesday evening.

Mrs. D. R. Root, of Cambridge Springs, was the guest of her daughter, Miss Louise Root, '19, Monday.

Miss Marguerite Shelmadine, '12, attended a convention at Meadville on Wednesday, Sept. 29.

At a special meeting of the Girls' Glee Club Tuesday afternoon the following officers were chosen for the year: Miss Florence Downing, '16, leader; Miss Ruth Allgood, '16, manager; Miss Bessie Preston, '17, assistant manager.

The Epworth League of the Stone Church entertained the Freshmen Class at an enjoyable reception in the church parlors, Tuesday evening. A short musical program was rendered, after which the time was spent in getting acquainted. Light refreshments were served.

Miss Helen Baum, '18, on account of ill health, has given up her studies at Allegheny and returned to her home in Oil City. She will remain there for the winter.

Miss Dorothy Sansom, '13, of Clarion, Pa., and Miss Ruth Allgood, '16, were dinner guests at the Phi Gamma Delta House, Wednesday noon.

Mrs. D. R. McKenzie, Miss Wanda Moland and Miss Jennie Alexander, of Oil City, were the guests of Miss Helen McKenzie, '16, Monday evening.

On account of the vice-president and the secretary of the Girls' Athletic Association not returning this year, it will be necessary to have a re-election of these officers. The election will take place Thursday afternoon.

The girls of Hulings Hall have pledged themselves to assist in raising the fund for the City Hospital of Meadville.

Miss Marjorie Sykes, of Franklin, spent Thursday the guest of her sister, Miss Elizabeth Sykes, '17.

Mrs. Frances Diefenderfer addressed the usual mid-week service of the Y. W. C. A. Wednesday evening. Mrs. Diefenderfer conducted the meeting in a very interesting manner, using for her subject, "The System of Mormonism.

The town girls of Kappa Kappa Gamma will entertain the other members of the fraternity and their men friends at a progressive dinner Thursday evening.

Among the Hall girls who spent Sunday out of town were: Miss Cecil Edwards, '19; Miss Marguerite Beatty, '16; Miss Carmen Kahle, '17; Miss Helen McKenzie, '16, and Miss Charlotte Whipple, '16; at their homes in Oil City, Pa.; Miss Margaret Chapin, '19, in Union City, Pa.; Miss Jessie Howell, '18, the guest of her sister, Mrs. George S. Nichols, '15, of Westfield, N. Y.; Miss Hazel Linn, '18, and Miss Mary Baker, '19, in Espyville, Pa.

Mrs. Jessie Tiffany Nevins, ex.-'14, was visiting friends on the hill last week before leaving Meadville to take up her duties with her husband, Rev. Clyde L. Nevins, '13, in the Pittsburgh Conference of the Methodist ministry.

There was a slight error in last week's Campus as to the officers of the Hulings Hall Fire Department. The following appointments have been made: Fire Chief, Miss Emma Waring, '16; Captains for second floor, Miss Helen P. McKenzie, '16, and Miss Margaret Ross, '16; Captain for third floor, front corridor, Miss Hazel Ross, '16; Captains for third floor, rear corridor, Miss Georgia Carr, '17, and Miss Jessie Howell, '18.

ACTIVITIES OF FACULTY MEMBERS

(Continued from page 1).

in Litchfield, Conn., with Dr. W. H. Wood last year's acting professor of English Bible at Allegheny.

Miss Rowley spent her summer in the Adirondacks.

Professor Miller, who is bridge engineer of Crawford and Venango counties, made trips to Pittsburgh, Cincinnati, Norfolk, Va., Washington and New York, inspecting bridge material. During the summer he opened an office in Meadville in partnership with Roy Phillips, '10, for engineering practice.

Professor Matthaei took an eleven-week graduate course in German in the University of Chicago.

Professor Ward was at home at Le Roy, N. Y., except for three weeks at Niagara Falls and Hamilton, N. Y.

Professor Fegely worked in the chemistry laboratory throughout the summer.

THE STUDENT VOLUNTEER BAND.

The Student Volunteer Band held its first regular meeting of the year on Wednesday, Sept. 29. The meeting was given over especially to reorganization and election of officers. Robert A. Blasdell, '16, was elected leader; Miss Valeda Clough, '17, secretary-treasurer; Fred Gealy, '16, chairman of the Program Committee.

The Student Volunteer Band first put itself in evidence last year after being extinct for almost a college generation. It is composed of students whose purpose it is to spend their lives in foreign missionary work. It is a part of the great Student Volunteer Movement which is such a tremendous power in the colleges and universities of the world in obtaining recruits to realize the aim embodied in its motto: "The Evangelization of the World in This Generation."

The Band as organized at Allegheny aims to bring the opportunities of the mission field into the limelight so that Allegheny men and women may discover where they may most successfully invest their lives. To this end, open meetings are held every two weeks at 4:00 o'clock on Wednesday afternoon in the French seminar room in the Library. All interested in missions are invited to attend these meetings. Wide-awake, informal discussions are held and talks of real value on live subjects are given. The first open meeting of the year is to be held tomorrow, October 6, at the regular place. The subject discussed will be "The European War and Missions." It is desired that all who are interested will be present.

PLANS FOR FALL ATHLETICS

(Continued from page 1).

credit for much of his success in developing distance and middle distance runners to the autumn work. The cross country run is not only for the man who intends to try for the mile and two-mile, but is also invaluable to the men who will confine their endeavors to the 880 and 440-yard distances.

On or near October 15th R A. Cox, '16, captain of the basket ball team, will meet all candidates for the indoor game, and will assign work for three times a week under H. Bianchi, '18, a forward on the 'varsity quintet. He is especially anxious that any new men in school who have played basket ball will enter in this practice. The veteran players will not put in an appearance until after Thanksgiving.

The pre-season basket ball practice was instituted last year, with Capt. O. J. Graham, '15, in charge. At this time training was begun on October 1st, but it has been decided that it is advisable to start two weeks later. The work proved of much value in getting the team in shape, and incidentally developed several men who would probably have been lost sight of if they had come out with the large squad in December. Bianchi, '18; H. B. Kahle, '17, and Engstrom, '18, made the 'varsity squad as a result of this practice, any of whom might have been of little value otherwise.

The required physical training for Sophomores and Freshmen will begin on October 15th. All who are not out for foot ball will be expected to choose between cross country running, basket ball and individual work in the gymnasium.

Fraternity Men Adopt Rushing Rules

MASS MEETING IN CHAPEL RATIFIES WORK OF INTERFRATERNITY CONFERENCE.

At a meeting of the fraternity men of the college last Friday, the rules for the rushing and bidding of Freshmen were adopted by a unanimous vote. The fraternity men agreed in good faith to support the interfraternity council in enforcing the rules.

The rushing system last year was far from satisfactory. Practically every rule that was made was unenforced, while the late bidding day, which came after the mid-year examinations, made necessary a prolonged season of intensive rushing which was a burden to both the upper-classmen and the Freshmen. The rules which the fraternity men agree to support for this year are the result of a movement initiated by the fraternities last June. The new rules have the support and approval of the faculty, who have moved forward bidding day to Friday of Thanksgiving week.

The terms of the agreement between the fraternities are briefly as follows:

1. No man is to be bidden whose average daily standing in fourteen hours work is below C.

2. There is to be no initiation of men bidden until after the mid-year examinations, and no man is to be initiated unless he has completed at least twelve hours of college work, with an average grade of C.

3. No Freshman shall visit fraternity chapter houses between opening day and the beginning of Thanksgiving week except as agreed upon between the Interfraternity Conference and the Faculty. No Freshmen are to be bidden before this time. No money is to be spent on Freshmen in any way. No fraternity man is to visit any Freshman in his room. (This ruling has been interpreted as prohibiting the bidding of Freshmen by alumni, or the entertaining of Freshmen in the homes of alumni or town students, or in the homes of members of the chapters wherever situated. The ruling concerning the spending of money is to be strictly enforced, and must be followed not only in letter but in spirit.)

These are the most important of the new provisions of the agreement. The constitution of the Interfraternity Conference provides for the minor details as well. All of these rules have been accepted by the fraternity men in good faith and all of them will be strictly enforced. Penalties for non-observance will be provided by the conference.

Within a short time after The Campus goes to press, the constitution of the Interfraternity Conference will be printed, including the new rules. A copy of this will be given to every male student.

In order that there may be no misunderstanding of the rules by any of the Freshmen, a committee has been appointed to explain them to the men of the youngest class. This committee, which is composed of H. P. Rankin, '16; W. A. Ellis, '16, and J. E. Burns, '16, will meet with the Freshmen as soon as the constitution has been printed.

ACTIVITIES OF 1915.

The readers of the Campus are always interested in hearing from the alumni, and the undergraduates, in particular, will welcome any news of last year's Senior class. We are able to give some of the activities of the Class of 1915.

R. B. Allmendinger is in the employ of the Warren Chemical Products Co

C. V. Allshouse is teacher of History and coach of athletics at Duquesne High School.

Miss Edith Askey is teaching in Oil City.

Howard Boyd is teaching chemistry, biology and physics in the High School at Mercer.

C. F. Brockway is a teacher in the Mt. Vernon (O.) High School.

F. G. Brooks is teaching in the High School at Alverton, Pa.

Miss Alice Chapin is teaching in the High School at Brocton, N. Y.

H. K. Brooks is teaching in the High School and coach of football at Huntington, W. Va.

H. F. Brownell is assistant in chemistry in New York University and doing graduate work for his Master's degree.

Miss Irene Davenport is a teacher at Harmonsburg High School.

M. A. Dotterrer is a teacher and coach of athletics in the High School at Kellettville.

R. Harold Downing has sailed for South America to take a position with the Standard Oil Company.

Miss Hazel Duffy is teaching at Waterford, Pa.

Donald Dunbar is principal of the Glenshaw High School.

Douglas Dunbar is teaching History in the Wellsville (O.) High School.

Miss Janet Ellis is teaching History and German in the Sheffield High School.

Miss Katherine Fowler is teaching in the public schools in Meadville.

C. A. and E. B. Gilbert are both studying medicine at the University of Pennsylvania.

W. A. Godsave is in the ministry in the Erie Conference.

H. J. Hartman is at Drew Theological Seminary in Madison, N. J.

Homer R. Jacobs is back at Allegheny to study for his Master's degree.

R. P. Koehler is principal of the High School at Avonmore.

J. G. Lane is in the Boston Theological Seminary.

Miss Ruth Lavely is teaching in the High School at Avonmore.

G. B. Leiphart is teaching English in the Butler High School.

Miss Lucille Lippit is a teacher in the Bolivar High School.

W. P. Long is a chemist at Washington, D. C.

Miss Eleanor McKay is teaching in a rural school near Meadville.

David McKinley is principal of the Saegertown High School.

Miss Velma McKinney is teaching.

Miss Margaret McLane teaches English and History at Scottville, N. Y.

C. M. MacConnell is a teacher in the High School at Indiana Normal School, Indiana, Pa.

M. G. Mellon is a Fellow in Chemistry at Ohio State University.

C. L. Mulfiinger is teacher of German at Pennsylvania State College.

Miss Evelyn Norris is teaching in the public schools of New Castle.

M. R. Palmer is at Rochester Theological Seminary.

Louis Pappenhagen is a Fellow in Chemistry at Northwestern University, at Evanston, Ill.

Miss Rose Platt is teacher in a public school in Oil City.

F. H. Reichel has returned to work for his Master's degree in the Chemistry Department.

Miss Lillian Rice is a teacher at Limestone, N. Y.

G. A. Ricker is working under Dr. Lee for his Master's degree.

C. F. Baker is taking special work in Chemistry at Allegheny for his Master's degree.

E. A. Robinson is in business with his father in Pittsburgh. He has been in Oklahoma and Texas with a western oil company.

Miss Jeanette Robinson teaches English and German at Kellettville High School.

G. A. Shaner is teacher of Chemistry at Butler High School.

Miss Edith Sutton is teaching in Butler.

Mrs. Swift has returned to Franklin High School where she has been a teacher for some years.

S. S. Townsend is teaching at the Monessen High School.

Miss Dorothea Abrams is teaching in the High School at Collins Center, N. Y.

F. E. Arnold is taking a post graduate course in History this year at Allegheny.

John Bright returned this year for post graduate work in Biology and is also engaged in assistant laboratory work in the advanced courses.

Miss Dorothy Dashiell is spending the year at her home in Washington, D. C.

Veiths' will please you.

Mr. Robert P. Koehler, '15, was married Sept. 1 to Miss Ethel V. Hutchinson, of Bala, Pa. Mr. and Mrs. Koehler are residing at Avonmore, Pa., where Mr. Koehler is Superintendent of Public Schools as well as Principal of the High School.

News Items

Several other elections of interest took place during the week. On Wednesday the primary election for the treasurer of the Oratorical Association was held, with three groups of three men each as candidates. These were as follows: Group 1, J. C. Weaver, '17; D. D. Zuver, '17; R. F. Weide, '17. Group 2, R. E. McCreary, '18; H. L. Castle, '18; W. J. Hutchison, '18. Group 3, H. L. Wissinger, '18; C. J. Bryer, '18; J. D. Regester, '18. The three men chosen to be voted on at the final election on Friday were D. D. Zuver, '17; H. L. Castle, '18, and H. L. Wissinger, '18. The final count gave the office to H. L. Wissinger.

At a meeting of the Glee Club on Thursday, W. L. Scott, '16, was elected leader. Mr. Scott has been a member of the club for three years and with H. B. Kahle, '17, as manager, will guide the interests of the club during this year.

The first meeting of the Philo-Franklin Forum for the season 1915-16 was held in Bentley Hall last Thursday afternoon. It was well attended and included many members of the Freshman class. W. A. Ellis, '16, presided as president of the Oratorical Association, and G. G. Witter, '17, was elected secretary pro tem. Mr. Ellis, in a short speech, outlined the purpose and the plans of the Forum for the year. Following this, Professor Swartley explained a new plan which has been suggested to shorten the length of tenure of office of presiding officers from one month to two weeks. He also explained that these offices should in the future be open to underclassmen during the latter part of the year. The officers for the first two weeks were elected. W. A. Ellis was elected speaker and L. D. Kepner, '17, speaker pro tem. F. D. Gealy, '16, was elected secretary, and after some spirited discussion Mr. H. E. Walker, '19, was elected sergeant-at-arms.

The annual fall election of the Athletic Association will be held Wednesday from 10:30 to 12:30 in the Treasurer's office in Bentley. The following candidates will be voted on: Assistant Basketball Manager—J. E. Tarr, '17; R. L. Yost, '17. Assistant Baseball Manager—R. Reamer, '18; G. F. Stroup, '17. Secretary of the Association—R. L. Moore, '17. Tennis Manager—R. A. Cox, '16.

AKRON NEXT SATURDAY.

The University of Akron is a rival of old, although until January, 1914, the institution was known as Buchtel College. The first meeting of the two Blue and Gold schools was in 1902, when Allegheny administered a rather decisive defeat to her opponents, the score being 23-6. After that no games were scheduled until 1909, and for the past six years the little Ohio school has been one of the most feared opponents of the local elevens. That the two schools have been evenly matched on the gridiron is attested by the fact that of the seven encounters, two have resulted in victories for Allegheny, three for Akron and two in tie scores. To even up this record will be one of the chief interests of each member of the team. The Akron game of a year ago is well remembered, for it was the 3-3 tie which prevented Allegheny's going through the season with a complete string of victories. Below are the scores of games played between the two schools:

1902—Allegheny	23,	Buchtel 6.
1909—Allegheny	0,	Buchtel 5.
1910—Allegheny	6,	Buchtel 12.
1911—Allegheny	0,	Buchtel 6.
1912—Allegheny	0,	Buchtel 0.
1913—Allegheny	6,	Buchtel 0.
1914—Allegheny	3,	Akron 3.

Sweater Coats, Caps to match, $9.00 at Veiths'.

FOOT BALL RALLY IN CHAPEL.

The first assembly of the year, a foot ball rally, was held last Friday morning, with E. W. Hickman, '16, president of the Senior class, presiding. J. E. Burns, '16, president of the Y. M. C. A., told of the benefits of foot ball to the individual and to the college, and enumerated the reasons why the student body should support the team.

The only other speaker of the day, Coach C. E. Hammett, spoke at length of the good points of foot ball as a game, and then touched on the vital topic—Allegheny's team. He mentioned foot ball as a character-builder, a game in which every man who went out realized that he was going to get hurt sooner or later, but continued, nothing daunted. He congratulated the Freshman class on the fact that three out of their twelve candidates looked like fixtures on the 'varsity, but also expressed his regret that such a large class should supply so few men for the squad. As to the team, all appears to be settled now with the exception of left guard, but with Coulsan, '18; McConnell, '17; Curry, '16, and Hauch, '19, to choose from, the right man should be found. The coach considers Byers, '19, the best of the guards, and a man who should be able to hold his own against all comers. With one more heavy lineman of experience, we should be able to meet Pitt on about even grounds according to Coach Hammett. A plea was made for all backfield men to come out, for with the graduation of the class of 1916, an entire new set must be found. Miller, '17; Baldwin, '19; Askey, '17, and Drake, '17, are good men, but more are needed. The coach praised Baldwin highly, stating that he was already nearly 'varsity calibre, and that there was a possibility of him beating out one of the regulars before the present season was over. Pitt, Rochester and Geneva are the opponents whom Professor Hammett says we should fear this year. As to Allegheny's team, he made no promises, but said that the St. Bonaventure game would reveal in part whether we have a good eleven or not.

Miss Helen Wing is teaching in the public schools of New Castle.
