Miss Ida M. Tarbell,
120 E. 19th St
New York City

Dear Miss Tarbell:

I was delighted to get your note of the 19th and to hear about the plans for your lecture in April. Thursday evening, April 18, or Friday evening, April 19, will suit us admirably for that lecture. How would this subject do: "The business of being a woman", or "Some phases of a woman's political responsibilities both national and international in view of the present world situation"? Of course, under the first subject you could bring in part of the latter, and other things besides.

I hope you will not have to hurry away after the lecture so that we can have a good long visit for a day or two. We certainly will have alot of things to talk about.

As ever,

Very sincerely yours,

Samuel H. Ranck
