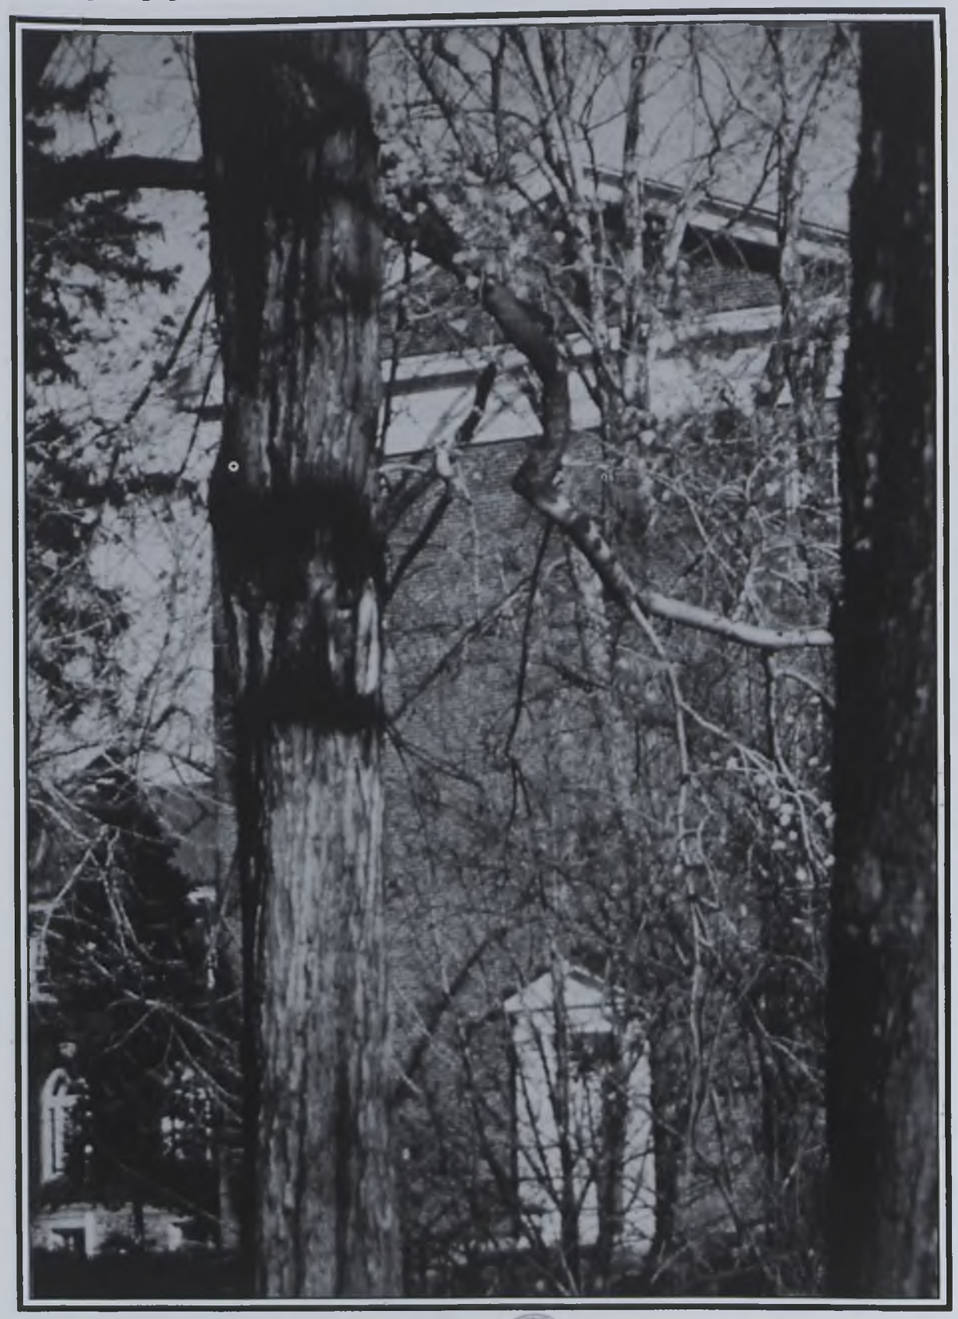
Fair Allegheny, yonder on the hill ❧ Through all the years our hearts are turning still



In love to thee, and so they ever will, O, Alma Mater, Beatissima.

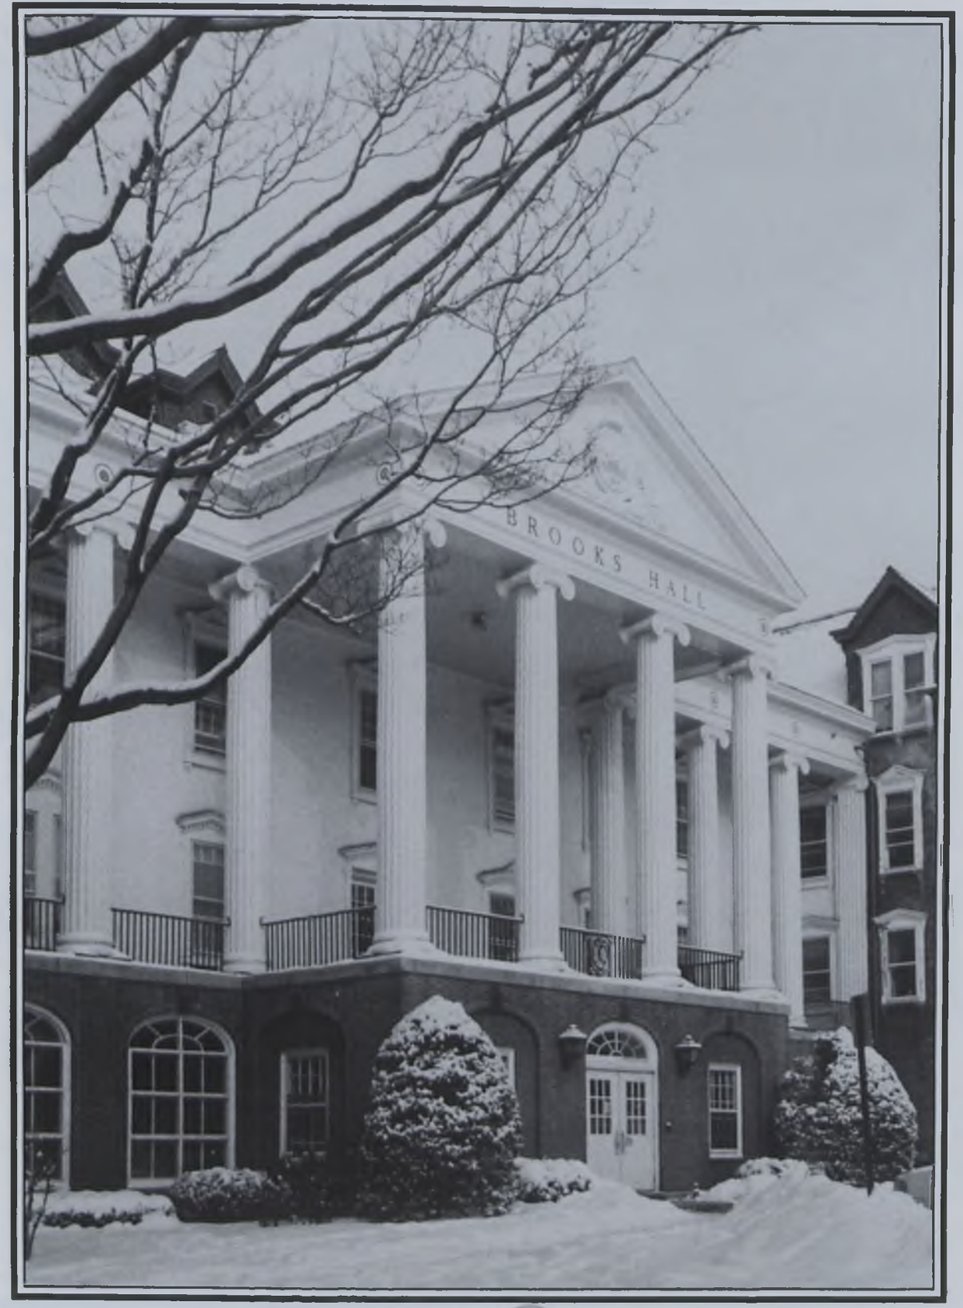
Warm rests the sun, so soft on wall and vine; ❧ *No air in all the world can equal thine,*



Again we flame our torches at thy shrine, *O, Alma Mater, Beatissima.*

Hail Allegheny, fair thy name shall be ❧ *As light sent forth at morn o'er land and sea;*

Our truest and our best we pledge to thee, *O, Alma Mater, Beatissima.*

Homecoming

It was a windy October Saturday. Homecoming. Floats. Club banners. The Gator. Old friends. The bleachers at Robertson Field were filled as students and alumni watched the Gator football team trample the Earlham Quakers.

Spectators lingered long enough to see Clay Saftner and Megan McCracken crowned as King and Queen, while the ADPi's and Theta Chi's took first place in the float competition with their rendition of "Undersea Farming."

The stands quickly cleared as the Gators romped, 75-0. Everyone headed to the CC for the traditional cider and donut party.

One night earlier, music filled the CC: Concert pianist Alec Chien and jazzman Floyd Williams kicked off the weekend festivities. Afterward, former Alleghenians (and some current ones) journeyed downtown to revive the College's age-old "Sociological Tour."

91-92 in Review

Dismantling a statue of Lenin was symbolic of what was to happen to the world's strongest socialist nation in 1991. After an August coup attempt by hardliners to remove Mikhail Gorbachev from power failed, the USSR was living on borrowed time. Week by week Gorbachev's authority weakened and Russian President Boris Yeltsin's influence grew as the republics called for the end of the Soviet Union. In December, 11 of the 12 republics formally ended their relationship with the Soviet Union and formed the Commonwealth of Independent States. Gorbachev resigned shortly thereafter and the leaders of the new commonwealth began the long process of settling their differences.

The U.S. celebrated victory over Iraq in a war that was shorter than expected, but Saddam Hussein remained in power.

Clarence Thomas was confirmed to the Supreme Court despite Anita Hill's charges of sexual harassment.

Alan Steen was among the stream of American hostages in Lebanon who were set free in 1991.

A five-year drought and fierce winds contributed to the devastation caused by a brush fire in Oakland, Calif.

A chance videotaping by a private citizen showing several Los Angeles policemen beating a suspect after a car chase touched off heated debates and forced Police Chief Daryl Gates to resign.

Magic Johnson shocked the nation when he retired from the NBA after tests revealed he was HIV positive.

Michael Landon, known for his roles in *Bonanza*, *Little House on the Prairie* and *Highway to Heaven*, succumbed to cancer.

Russian President Boris Yeltsin received enormous acclaim after his efforts to defeat the August coup attempt were successful.

Award-winning movie director Oliver Stone released *JFK*, a dramatic examination of the 1963 assassination of President John F. Kennedy, amid a storm of criticism. The film, starring Kevin Costner, and the ensuing discussion in the news media renewed calls for reopening the investigation.

U.S. President George Bush was at the height of his popularity during Operation Desert Storm. However, a year later with the presidential campaign approaching, the country's declining economy contributed to his dramatic drop in the public opinion polls.

Jay Leno, exclusive guest host for the *Tonight Show*, was named to replace Johnny Carson when he retired in May 1992 after three decades of hosting the show.

Many people across the country lost sleep as they watched the Minnesota Twins struggle through seven games to defeat the Atlanta Braves in the 1991 World Series.

ALLEGH COLLEGE
ALLEGHENY COLLEGE

... People are individuals, not labels, and must be treated as such ....

Every member of this graduating class should be proud of himself. I may be the one standing here giving this speech, but no one should be overimpressed by the title "valedictorian." We have each succeeded to our individual ability.

Success cannot be measured by grade-point averages, GRE scores, grad school offers or the like. Success is being honest enough with yourself to drop your economics major to become an art major in the middle of your senior year, because you realize that is what you truly want to do.

Success is continuing to the completion of your task — be it student teaching, comping, struggling to find your place in an uncertain job market.

Success is understanding yourself, being happy with what you yourself, not your parents or your brothers or your sisters or your friends, have done ....

May we all leave this college with a sense of accomplishment, as better people than when we first arrived, as adults ready to assume our newly bestowed responsibility in the world with confidence and pride.

Thank you. Smile, stop sweating, be glad it's over, and have a drink with Tom.

— April Jane Giesler

nama always said: vanity will get you nowhere...

Congratulations to the Class of 1992! As editor of this year's Kaldron, I hope that you enjoy looking through the book, that your Kaldron brings back fond memories.

This began as a difficult task for me. I was to produce this book on my own. Thankfully, two staffers lent their time, energy, and creativity. I'd like to thank Lynn Burmester and Liz Diviney for their ideas and their help.

I'd also like to thank Shawn from the Public Affairs Office for pictures and all the advice.
