Miss Ida M. Tarbell,
Woman's Committee,
Council of National Defense,
1814 N Street, N. W.,
Washington, D. C.

Dear Miss Tarbell:

At Miss Gilson's suggestion I am enclosing a complete list of all the women who have completed any one of the War Emergency Courses in Employment Management. Asterisks indicate the names of those graduates who have been placed directly or indirectly through the activities of this Division.

At present there are two women, - Mrs. Stearns and Mrs. Moore, - who are immediately available as thoroughly trained employment managers. Our list of reserves is, of course, subject to constant revision because of placements, successive graduations, and applications from an increasing number of acting employment managers who desire positions with firms which will send them to some one of the Government six weeks' intensive training courses supervised by this Division.

Yours truly,

EMPLOYMENT MANAGEMENT DIVISION,

By B. G. Whitmore

Dean of Students.
