# Large Crowd Is Expected for Homecoming

## Playshop Opens With Greek Farce

In honor of Homecoming, the Playshop will open its season at Allegheny with "The Warrior's Husband", a three-act farce by Julian Thompson, to be presented for the alumni Saturday night at 9:00.

Based on the Greek myth of Hercules' ninth labor in which he attempts to obtain the girdle of Hippolyta, queen of the Amazons, this play pokes fun at all feminists who vainly try to regulate men, love, and marriage to a remote corner of their lives.

Joanne Thomas, '48, will portray Hippolyta; Barnard Frick, '49, will play Hippolyta's husband, Sapiens; Marjorie Sweet, '47, is cast as the princess, Antiope; and Theseus, her lover, will be played by Clifford Smoot, '48. Marie James, '48, Pomposia; John Cremer, '47, Sapiens Major; Miles Mutchler, '50, Homer; Leake Bevil, '50, Hercules; Clair Strawcutter, '48, Buria; Albert Acker, '50, Guy Lawhead, '48, and Robert Gray, '50, the Greeks; seregeants; Patricia Pointer, '50, and Mary Thoma, '49, sentries; Emma Jane Frankel, '50, Sally Baldwin, '48, and Mary Lou Flanagan '50. And warriors, Corrine Lingenfelser, '50, Betty Rose, '50, Edith Carberry, '50, and Patricia Kershner, '50.

The play is under the direction of Mr. John W. Hulburt, head of the dramatics department. Mr. Graham G. Bird is in charge of scene design and costumes; Michael Curry, '50, is the technical director; and Melvin Gerseny, '50, is the assistant director.

Cosmo Catalano, '50, is in charge of lighting; Mr. Bird, costumes; Carol Kelly, '48, properties; Joanne Thomas, make-up; Joel Rosenblum, '49, music and sound; stage crew, Richard Brown, '49, and John Foreman, '47; and Renee Binder, '48, bookholder.

On the business staff are John Houserman, '48, business manager; Eugenia Smoot and Lynn Heiss, '47, publicity managers; and John Strome, '49, house manager.

The play will be presented for the general public every night at 8:00 from October 21 to 26. Students will be admitted with their activities cards plus tax.

## *"Horrible Dan" Contest Continues Until Friday Night*

Because of the great difficulty in determining which Horrible Dan is the "horriblist" the *Campus* staff is forced to extend the contest another week.

Rumors say that several more delicate members of the *Campus* staff have handed in their resignations and bought one-way tickets to Warren. A few of the hardier staff members still remain however, and the agonized cries descending upon the quiet campus from Third Bentley tell of their misery in selecting a favorite "Horrible Dan." You, too, can get rid of the *Campus* staff and earn an easy prize. Leave your interpretation of "Horrible Dan the Orangutan" at Brooks desk by Friday evening.

Editor's note: Anyone wishing to model for drawing of above animal notify the *Campus* staff.

### *Sports Events*

Played last week:

Soccer: Friday, October 11, at Buffalo, Buffalo State 2, Allegheny 1. Tuesday's game against Slippery Rock was played too late to make this week's *Campus*.

Football: Saturday, October 12, at Meadville.
Allegheny 7, Earlham 0.

Coming this week:

Soccer: Friday, October 18, at home, Allegheny vs. Westminster

Tuesday, October 22, at home, Allegheny vs. Thiel.

Football: Saturday, October 19, at Meadville, Allegheny vs. Westminster (Homecoming)

Pep rally: Friday, October 18, at 8:00 p.m., corner of Allegheny street and Park avenue, behind Odd Fellows Home.

## *Immunizations Will Be Given Thursday, Friday*

The large enrollment at Allegheny this year and the limited amount of living space has caused crowded housing conditions. This overcrowding increases the possibility of the spread of infection. In order to protect the students from serious epidemics, the college has inaugurated two preventive measures.

The first of these measures is the chest x-ray, announced in last week's *Campus*. Each student will be required to have a chest x-ray taken. Men are to report to the Health Center on Thursday, October 17, between the hours of 9:00 a.m. and 3:00 p.m. Women will report on Friday, October 18, between the hours of 9:00 a.m. and 3:00 p.m. Each x-ray will take about one minute; therefore students may report between classes. There will be no charge made for the x-rays, but students failing to report on the above dates must have the x-rays taken at the local hospital at their own expense.

The second preventive measure is the innoculation against influenza. Dr. Robert Byers advises that as many students as possible have this immunization in view of the danger of an epidemic of worse proportions than of last year. Only one injection is necessary. Immunization is for influenza and *not* for colds. Army statistics reveal that complete immunity against influenza is provided in three out of four cases. The fee for the injection will be $1.00.

## *Library Has Three Exhibits On Display Now*

Reis library has prepared three interesting exhibits, while a fourth, in connection with the tuberculosis prevention campaign, is being made ready. At present there is the fourth annual photo exhibt of Alfred Watson, of Buffalo, which will continue through October 22. Mr. Watson, an amateur, who does his own developing and printing. has presented a varied exhibit of town, country, and shore life. Of particular interest to Pittsburghers would be a striking photograph of "Pittsburgh at Dusk."

On exhibit in the large reading room is a display by Mr. Philip Benjamin. The showing illustrates Mr. Benjamin's hobby of book-collecting. Included in the display are Philip Pain's "Daily Meditations", printed in Naples in 1660, and "The Man of Feeling", printed in 1795. Of special interest is a volume on Dutch architecture sent by a foreign relief recipient, "Oude Nederlandansche Buowkunst."

In the Craig reading room is a special Homecoming display of former Allegheny football teams. Featured are the photos of the 1914 and 1917 unbeaten teams and *Campus* articles telling of Allegheny triumphs of yore. Especially noteworthy in this latter department is an article in *Campus* of November 4, 1913, telling of Allegheny's 116-0 slaughter of Wooster university.

## *Puerto Rican Anxious to See First Snowfall*

Luz Maria Acevedo of Puerto Rico feels very much at home at Allegheny. Small, dark Miss Acevedo says that this is because Meadville reminds her very much of her home town of Mayaguez. Schools here, she added, use just about the same system of teaching as that used in her native land. In Puerto Rico English is taught as a subject in the lower grades and spoken in the higher ones.

Miss Acevedo came to this country in June of this year. She had planned to stay for just a short visit but while spending a two-week vacation in New York, she decided to broaden her education by studying in an American college. She came to Meadville on July 4. She visited here all summer and started college as a senior in September. She is majoring in Spanish and has a minor in English. Miss Acevedo was graduated from the normal school at the University of Peurto Rico.

She is very excited waiting for the first snow fall. She has never seen any snow and is a little worried about the cold weather and slippery streets.

Miss Acevedo has not decided what she will do in the future. She knows that she wants to teach languages. The nearest she has come to a decision is that if she goes back to Puerto Rico, she will teach English; if she stays in this country, she will become a Spanish teacher.

## Benjamin Announces Outing Plans

"The goal of the Outing club this year is to make Bousson the center for outdoor activities for the *whole* college, students and faculty alike," according to Philip M. Benjamin, newly appointed advisor to the group. "It will take a few week-ends of hard work to get Bousson into shape again after the war years of comparative neglect, due to the restriction on transportation and lack of materials for repairs. But new we have a fine group of men and women eager to make the Outing club's headquarters one of the finest centers for college activities," Mr. Benjamin explained.

Bousson Farm will play an important part in the expanding athletic and recreational opportunities of the college. Like the other facilities for these activities, it will be under the direct supervision of the physical education department for men and women. The staff members of both departments will serve as an advisory group to the Outing club in reconditioning Bousson, suggesting a program of all-college and group events, and planning a long-range development of the facilities available.

President John R. Schultz has given his enthusiastic endorsement of the club's program, and Mr. Louis J. Long and Mr. Wilbur G. Kraft have promised whatever material assistance the college can provide in carrying out the plans.

"Before the football season is over," Mr. Benjamin announced, "Bousson will be ready for use. While accommodation for overnight is limited, and the food situation may not make large parties *feasible for the time being, it is hoped* that many students will go out for afternoons of recreation, especially when the winter sports of skating, skiing, and tobogganing begin. By the second term we should have a bang-up weekly program for the college well-planned," he concluded.

As soon as Bousson is ready for use, the Outing club intends to sponsor maximum use of the cabin and grounds for all-college group activities, from fraternity, sorority, dormitory, and class suppers and week-ends, to all-college winter and outdoor sports programs.

Individual groups desiring use of Bousson will apply as usual to the Student-Faculty Affairs committee, who will, in consultation with the Physical Education department and club faculty adviser, make assignment of dates.

Groups desiring the cabin will obtain the key from the Physical Education department, and be expected to abide by Outing club rules in being responsible for equipment and leaving the cabin and grounds in the same condition as

## Football Game and Dance Top Week End Activities

Some 500 to 600 alumni and guests are expected for the annual Homecoming week-end, October 18-20. A soccer game with Westminster college scheduled for 2:15 p.m. on Friday at Eberhardt field will be the first in a full program of activities.

Members of the freshman class, in accordance with the college tradition, will provide the wood for the bonfire at the Homecoming rally Friday night at 8:00 behind the I.O.O.F. home. Sponsored by the Men's Undergraduate Council, the rally will be highlighted by the college band and the cheerleaders.

Mr. H. Paul Way and Robert Stanton, '50, captain of the football team, will speak. Carl Rosmer, '48, is chairman of the event aided by August Bloomquist, '48, and Calvin Schaffner, '47.

All the fraternity houses and Lee house will be decorated for the occasion. A plaque will be awarded to the house with the best display. This award is given by the M.U.C. in cooperation with the alumni association.

The winner will be announced at half-time and presentation will be made by Mr. Julius A. Miller. It is hoped that the plaque design will be posted in the library before the end of the week. Committee for the house decoration award consists of Mr. Miller, chairman, Miss Laila Skinner and Mr. Paul Kozelka.

Saturday's activities will be opened with an alumni buffet luncheon at 12:00 noon in Brooks hall. At 2:30 Allegheny will meet Westminster in the second football game of the season at North street stadium. Following the game a cider and doughnut party will be held in Montgomery gymnasium from 4:30 to 5:30 p.m.

Mr. John Cavelti will be guest speaker at the Independent dinner to be served in Cochran hall at 6:00 p.m. Fraternity and sorority dinners are also planned.

In the evening alumni may may have their choice of attending the Playshop production of "The Warrior's Husband" or the Homecoming dance with music supplied by Bruno Castle and his orchestra. (Women's dress for the dance is optional.)

The program has been planned by the Alumni association in cooperation with a student committee.

On October 19th Dr. Guy E. Snavely who is executive secretary of the association of American Colleges will be the honored guest of Allegheny. Dr. Snavely was formerly professor of Romance Languages at Allegheny and was later dean and president of Birmingham Southern college in Alabama.

Also here on that day will be the Board of Trustees for their semi-annual meeting.

## *American Vets Committee Names Delegates for Meet*

At the bi-monthly meeting on October 8 in the Court House members of the Meadville Chapter, American Veterans Committee elected Peter Meyer, '47, Alfred Kern, '48, and Fred Eschbach, '49, delegates to represent the local chapter at the state convention in Harrisburg on October 26 and 27. Mr. Meyer, chairman of the chapter, was also elected to serve on the nominating committee at the convention. James Replogle, '49, Louis Meyer, '49, and James Rigley, '49, were elected alternate delegates.

It was announced the local chapter has been granted the use of the Talon Club for future meetings.

"The permanent charter has been received from the New York office," Mr. Meyer reported today, "which means that the chapter has been taken off provisional status."

The next meeting of the chapter will be held at 8 p.m., October 23 at the Talon Club. All veterans and any others interested in the American Veterans' Committee are invited to attend.

## Ludwig Announces Staff of Literary Magazine for '46

Donald Ludwig, '47, is the editor for this year's *Literary Magazine*. Assisting are Betty Crabbs, '47, and Joan Young, '47, on the editorial staff.

Other members of the staff are: Filis Baldwin, '48, art editor, assisted by Philip Hultman, '49, and Helen Baumbach, '48; Janet Shoff, '47, make-up editor, assisted by Audrey Jean King, '48, and Helen Burns, '49; William Lortz, '48, publicity director. Mr. Stanley Swartley is the faculty advisor.

Students interested in working on the *Lit Mag* are asked to sign up at the main desk in the library.

## MONEY MATTERS

When a student enters Allegheny, he pays a fee of $15, listed for activities. Actually, this money is turned over to the Allegheny Undergraduate Council which handles the appropriations to be given to each of the sixteen organizations functioning solely for the benefit of the students.

Last Sunday night the A.U.C. approved the following budget. Listed with it is an estimate of the distribution of each student's contribution:

| | | |
|---|---|---|
| Consolidated Relief | $ 15 | .02 |
| A. A. A. | $ 30 | .03 |
| Outing Club | $ 55 | .06 |
| Band | $ 100 | .10 |
| A. U. C. | $ 100 | .10 |
| W. A. A. | $ 250 | .25 |
| Civic Music Assn. | $ 300 | .30 |
| Lit. Mag. | $ 700 | .70 |
| A. C. C. | $ 350 | .35 |
| Philo-Franklin Union | $ 800 | .80 |
| Playshop | $1300 | 1.30 |
| KALDRON | $3750 | 3.75 |
| CAMPUS | $1550 | 1.55 |
| Singers | $ 900 | .90 |
| Social Committee | $4600 | 4.60 |
| Chapel Committee | $ 300 | .30 |

This budget was approved by Mr. Long, and accepted by the council. However, we feel that because many requests were cut, the students should have an explanation as to the appropriation of the money. The total amount requested by the organizations exceeded the student allotment by over $2,000. It is obvious that all the requests could not be granted. The budget committee strived to grant at least the minimum request, basing their decision on the number of students immediately benefitted by the fund. Although there was a question raised on the abvisability of enlisting the aid of the college to help to sponsor these groups such as Singers and Philo-Franklin Union which add considerably to the prestige of the college, the council discovered that the college was already subsidizing these organizations to capacity.

Each of the sixteen groups, with the possible exception of the Consolidated Relief fund which is spent in the promotion of the Relief drive, estimates the amount of money to be spent, and reports monthly on the balance in the teasury. There is no possibility of misappropriation of funds.

The concern provoked by the refusal of the A.U.C. to grant the Men's Undergraduate Council sufficient funds to finance a dance we feel should be explained. The council recognizes the M.U.C. as an organization comparable to the Associated Women Students. The A.W.S. does not receive appropriations from the council. They set a fee of $2.00 to be exacted from each woman, and paid upon entrance. It was therefore suggested by the council that a representative from M.U.C. attend the meeting of the board of trustees next Saturday to introduce a similar plan for financial backing for their group.

The A.U.C. is anxious that each student understand the reasons for appropriations of the funds, and will discuss the budget freely with any who are interested.

M.C., '49, and R.J., '47

## *Band to Make Grand Debut at Pep Rally Friday*

Boasting the largest band in the history of Allegheny college, the members, under the direction of Mr. Robert Johnson, are practicing for the performance this Homecoming week-end. With a complement of 61 playing members, four majorettes, and two majors, the band is organizing its new formation and musical arrangements, including "Near the Vale" in a march tempo. Because of the rain, with inevitable resultant damage to the new uniforms, the band was unable to play for the opening football game.

As the Westminster band plans to be here this Saturday, the Allegheny band will stage their performance at 2:00 p.m., giving the visitors the half-time. In addition to the game music, support of the Friday evening pep rally is planned. The band will occupy the center of the cheering section and all students are requested to cooperate and aid in saving these seats for the musicians.

Tentative "post-football season" plans are already underway. Mr. Johnson hopes to transform the band into a concert orchestra, and give open air concerts next spring. With its size limited now due to the number of uniforms, the director hopes to raise the number in the concert edition to 80 members, and he is requesting all those interested to stand by for an announcement as to when new members will be accepted.

---

All freshmen interested in intra-mural debate, are asked to meet Thursday afternoon at 4:00 in Arter hall, room 15, Mr. Glen Timmons, director, announced today. The questions will be announced teams selected and sides chosen.

## DIS GUY'S *Discourse*

Dancing -- one of America's most popular indoor sports. Practically every full grown person in the country has, at one time or another, participated in it. Some people perform quite gracefully. Others who aren't as adept have gone to great lengths to learn. But no matter what degree of agility a person can boast, it is our observation that no two people dance alike. Each couple is a distinct type. First and most outstanding, is the pump handle type. This is very tiring to both parties, because, obviously, there are more limbs in motion. Loud conversations, usually about "the new heifer over to Sam's place", go hand in hand with this type. At the other extreme there is the Zoot Suited Hep Cat type. They usually need lots of room to go through their contortions. Frequently you see them spin away from each other and then slink rhymically back to the center of the floor. The movement of their fingers is called "tickling midgets." Then there is the "lean to" type. This is where the male partner leans forward from the hips at an angle of about 45 degrees. An impression of "Whispering sweet nothings" is given. No doubt you've seen the ivy cling type. This is where the woman assumes a pose like the statue of liberty and the man wraps his arm about hers like a cobra sunning himself on a tree branch. Cigarettes often adorn the upright hand and both partners usually dance with their eyes closed. Lastly there are the couples who sachet about at arm's length. Both have that far away look about them but it is often said that halitosis is the cause. By the way, what type are you?

We tried to think of an issue, but the only one that came to mind was "government issue." Anyway you fit it, it's too long or too short to be of interest, which these days run around Montgomery at 6%. How many run-arounds have you had? What with the increase in the mail population, the stamping ground for the women should approach the Land of Milk and Honey, Valhalla or some such haven of heaven. First thing you know these articles of feminine puckeratude will want to vote. What a pyknic they're going to have. (For a woman who wants a career, there's one all lined up. And there are 71 sports events which will run competition with the love life.) Due to the congestion, these women will have to watch their breeding. The heir around here is loaded with smoke and fire of Allegheny football tradition, among other things. To these ends we pass into home territory. There was only one drawback to the game Saturday. After the game someone went in to ring Bentley's bell; we went in to wring our coats.

Don't jump to hasty contusions. The rain wasn't heavy although it did wash the fuzz off the peaches. Some of the gay blades won't have to use same until November 2.

## *Announcements*

Unless the convention is cancelled because of the power strike in Pittsburgh, members of the library staff will attend the meetings of the Pennsylvania Library association, October 17-18. Mr. Benjamin is president-elect of the college and university section of the P.L.A. and chairman of the resolutions committee.

P. M. Balasundaram will speak in chapel October 23. The subject of his talk will be "India— The Focus of the World."

## Letters To The Editor

EDITOR'S NOTE: The views expressed in this column are not necessarily those of the *Campus*. However, students are encouraged to express their opinions here. Anonymous contributions can be given absolutely no consideration, but names of authors will be withheld by the staff upon request.

Dear Editor:

We have a plan that we would like to propose to the administration and students of Allegheny. We know of no better way to draw it to their attention than through the *Campus*.

At various colleges, Middlesburk, for example, the singers group have made recordings of the favorite songs of the school. This would include the Alma Mater, the college songs, and the most well-known fraternity songs. A company will come to the college and make the recordings, put them into albums and these albums sell for about $6.00.

Of course, we realize that Mr. Luvaas is deeply engrossed in the Christmas concert during the first semester, and busy with rehearsals for the Singers Tour the second semester, but these songs are known by the students. If Mr. Luvaas were to merely put the finishing touches on these, it would not take too much time.

What could be a better memento of your college days than a Singers recording of CHEEKO or NEAR THE VALE? The fraternity serenades which we all love would still be with us after we left Allegheny. We, as students, would preserve these albums and the alumna would jump at the chance to preserve their memories of Allegheny in music.

We hope that this plan will meet with the approval by both the faculty and students.

Sincerely,
TWO STUDENTS

# Gators Play Westminster On Saturday

Allegheny-Westminster contests will provide the athletic interest here this week-end as Allegheny college celebrates its first full-scale Homecoming since 1942.

The Gators and Titans tangle in a soccer game Friday afternoon, then switch to the gridiron for a Saturday afternoon engagement. The football contest is the 37th in the series between the colleges which began back in 1899 and shows 20 wins for Allegheny, 12 for Westminster and four ties.

Allegheny's eleven opened the the current campaign last Saturday by topping Earlham of Richmond, Ind., 7-0. Westminster tied Slippery Rock and Juniata and last Saturday scored a 7-0 victory over Edinboro Teachers.

Joe DeMoise, 185-pound fullback, threw a 12-yard touchdown pass to right half Roy Vensel for the score. DeMoise then added the placement, which concluded the scoring for the afternoon.

One of Westminster's best backs who will be seen in the game Saturday is Dick Newton, captain of their 1946 squad. Dick is a returning letterman from previous years, after spending considerable time in the armed service. He is married now and the father of one child. Beside alloting most of his time to football, Dick is able to work in the dining room at Westminster in his spare time. It will be worthwhile to keep an eye on Newton in Saturday's game for he should figure considerably in Westminster's attempt to pierce the Gator's defense.

Westminster's band will be on hand to give a demonstration at halftime.

Westminster's probable starting lineup will be:

| *Player* | *Position* | *Weight* |
|---|---|---|
| Ed Sample | Tackle | 195 |
| Hank Vitkovich | End | 165 |
| Walter Schumm | Guard | 180 |
| Park Glass | Center | 205 |
| Vic Taylor | Guard | 170 |
| Bill Heatley | Tackle | 200 |
| Roy Mattocks | End | 198 |
| Bob McDaniels | Back | 155 |
| Joe Mastro | Back | 178 |
| Roy Vensel | Back | 185 |
| Joe De Moise | Back | 185 |

# Allegheny 11 Tops Earlham

Wet and tired, the underdog Allegheny eleven scrapped their way through a muddy field to upset a heavier and more experienced Earlham college team Saturday by a score of 7-0.

The Gators culminated a 70-yard sustained drive with Bob Carman taking a lateral from quarterback Art Waterman and racing seven yards around left end for the only score of the afternoon. Bill Rylander's educated toe added the extra point. After two unsuccessful running plays, Earlham's right halfback, Bob Avels, received a bad pass from center and kicked out of bounds on his own 38-yard line. Again Allegheny threatened to score as the combination of Waterman to Carman rolled off 15 yards. Here the threat ended as Waterman's fumble was recovered by left tackle Paul Beisner of Earlham.

It was not until the third quarter that Earlham's offensive got under way. Spearheaded by their 210-pound full back, Jim Phelps, the Quakers pounded their way to the Allegheny 8-yard stripe. Here our line stiffened, and with Filer, Burns, and Tiffany bearing the brunt, cooled off the only serious Earlham threat of the game.

Early in the game the Gator's hopes were dimmed as Carman and Rylander received injuries, but able substitutes, Nate Edelblute and Frank Pollard quickly restored them. Edelblute's fine punting kept the Quakers deep in their own territory for the majority of the game. At one point, Nate, standing on his own 28-yard line booted the slippery ball 72 yards into the end zone. Another time he quick-kicked with the ball stopping on the one-yard line.

Playing his first game of organized football, Frank Pollard showed much promise with his ferocious running and tackling. The first time he had the ball, he carried the ball plus four men for a five-yard gain.

At the very first play the fast-driving charges of the line were noticeable. Rod Burns and Guy Tiffany played the full 60 minutes, while Lynn Snyder and Captain "Itch" Stanton saw all but a few minutes of action. The lack of experience on the line was over shadowed by their fighting spirit.

The Gator rooting section was worried in the second half as Norm Baker was carried from the field in an apparent serious condition. However it was learned that it was only a dislocated vertebra and he was discharged from the hospital the next day.

## Jym Montgomery Sez

The Predictor Speaks:

Everyone is making predictions this week for the big Homecoming football game. Students as well as faculty have come through with some illuminating prophecies.

Professor Kalfayan is one of the worthy prognosticators because of his noble achievements on the athletic field. Mr. Kalfayan comes through with the score of 120-0, favor of Allegheny, with a trip to the Rose Bowl thrown in.

Mr. Cordier, the new head of the Speech department, has a wealth of experience with which to base his claim. He played college and semi-pro football. In addition, Mr. Cordier was coach for the Columbia City high school in Indiana. A more conservative score is his. The prediction is 13-7, favor of Allegheny.

Mr. Julian Miller supervised the gigantic task of repainting Ed Filer's helmet. Thus he too is well qualified to estimate the score in this column of predictions. Mr. Miller's guess is 14-0, favor of Allegheny.

Latrine-ograms are pouring in by the buckets. Everyone favors Allegheny by an overwhelming majority. Just to show the students as well as ourselves, Ole Jym has carefully taken an average of all the predictions and comes out with the mean. In addition, other stellar sources of information were queried, too numerous to include in this column. The mean average was 24-0, favor of Allegheny. O. K. team, you've the experts opinion, let's go and show them they are right!

From watching Bob Carman flashing runs last Saturday, Jym wants to know if "Carp" is trying to impress the city fire department so he can move in on his Dad's job one of these days.

Ed "Silent" Filer's only words last Saturday were spoken to the opposition's left guard Denver Clouser following a play in which Clouser came up spitting mud. What was that comment, Ed?

Attention cheerleaders:

Charlie Johnson of last year's soccer and basketball teams has a new yell to suggest. It goes like this: Alligators, Alligators, snap! crunch, gulp!

This column seriously regrets the fact that Wally Reisch will not be able to play football this year due to a severe sinus condition. The team lost a good quarterback.

Question of the week:

Who was the fella that asked Garbie if he shouldn't try for football since he was cut from the choir?

The starting lineup was:

| Allegheny | | Earlham |
|---|---|---|
| Potter | LE | Hart |
| Stanton | LT | Beisner |
| Snyder | LG | Paulin |
| Tiffany | E | Clarke |
| Filer | RG | Jones |
| Burns | RT | Clouser |
| Zurbrick | RE | Gingery |
| Waterman | QB | Collins |
| Rylander | LHB | Brown |
| N. Baker | RHB | Avels |
| Carman | FB | Phelps |

## THE WOMAN'S SIDE

by Foster and Brewster

Water, water everywhere and not an umbrella in sight! Just to get the right atsmosphere this week, we decided we'd run over to Montgomery pool. So here we are now, floating on our backs and tryinng to think of something to write.

Did you get wet at the football game? All right, all right, don't throw it. We were only trying to make conversation. Anyway it was worth getting soaked for. And while we're on the subject we would like to congratulate the cheerleaders for the splendid job they did even though they had to cope with heavy raincoats, boots and mud.

It seembs that this horrid stuff which we're trying to float in has also caused a few changes to be made in the hockey schedule so if you're not one of those calm, even-tempered persons who doesn't mind walking out to the hockey field for nothing, better take a look at the bulletin board to see what corrections have been made.

By the way, have you seen any of those ambitious hockey players crawling up the stairs or limping to classes still stoutly declaring that in another couple of days they will be all right?

Minor Terrapin members just chosen last week are: Margie Bailey, Florence Brownell, Shirley Cutter, Rita Ginn, Candy Griffith, Barbara Jones, Barbara Manning, Ann Mathews, Ruth Ridgway, Phylis Rosen, Marguerite Stone, Martha Vande Walle, Nancy Warren, Virginia Witter, and Martha Wright.

If you didn't try out before and still want to belong to either Minor or Major Terrapin just swim over to Montgomery pool tomorrow night at 7:00. Correction, by the looks of the weather right now maybe you had better ice skate over.

All members of the advanced and intermediate riding classes are to make up missed lessons by riding on the road by themselves after reporting the time to Miss Ayrault.

With one last gulp before becoming submerged, we want to mention that Orchesis tryouts were held last Monday and the names of those accepted for membership will be posted today or tomorrow.

Gulp . . . sputter . . . gulp.

## *Allegheny Meets 2-1 Soccer Defeat*

Allegheny's booters journeyed to Buffalo last Saturday for their first game with the Buffalo State Teachers, and came away on the short end of a 2-1 verdict. The squad they faced was a veteran outfit, with only four of its members not having seen action in previous years. This advantage of experience held by the Buffalo squad proved to be the deciding factor in what turned out to be a dull game. Allegheny was in the Teachers' territory for the major part of the contest, but their inability to capitalize on the breaks proved to be very costly.

The first quarter was played almost entirely in Allegheny's territory, but numerous saves by Goalie Nichols pre-

# *Section Four and Alpha Chi Rho Tie*

The first inter-fraternity football games were played Monday at 4:00 p.m. on Eberhardt field.

Caflisch hall has two teams of freshmen entered to boost the total number of teams to eight. The fraternities and Caflisch will also enter soccer and cross country teams in the fall sports program.

Alpha Chi Rho and Caflisch 4 fought to a 12-12 deadlock Monday with the Chi Rho's pulling the game out of the fire by scoring two touchdowns in the second half. Ben Shaffer took the kick-off that opened the second half and galloped into the end zone untouched. A few minutes later George Winkler grabbed a pass from Tom Patterson for the second counter after the men from Caflisch held for 3 downs on their own 2-yard line.

Both the freshmen's touchdowns started from the arm of Doug Benson. His first aerial was gathered in by Bob Woods for six points while the other started the same way but ended with Woods lateralling to "Banana Al" DeRussy who ran the remaining 20 years for their second marker.

The other game featured Sigma Alpha Epsilon against the Phi Delta Theta Terrors. Both teams showed up well in practice game but the Phi Delts combined a good air attack with heads-up ball to gain a 12-0 victory. The first score resulted from a pass from Jim Feisley to "Ernie" Andres who had placed himself beyond the Sig halfbacks. On the first play from scrimmage in the second half, Doug Dunbar pulled a sleeper by walking to the sideline and conversing with the spectators. As the ball was centered "Bar" streaked down the field and Feisley again heaved the ball for a score.

Red Bare played fine defensive ball for the Sigs by tying Chuck Hileman all afternoon. Hileman plays end and is noted for his pass catching ability.

Two more games are scheduled on Thursday of this week.

## Brooks' Team Wins Intramural Contest

Caflisch Intra-Section touch football has completed its schedule. Scores for the final games of the season were:

Section 3—24 Section 1—0
Section 3—12 Section 2—0

and, in the decisive battle for first place,

Section 4—18 Section 5—0

Thus section 4 finished its schedule of four games, unbeaten, untied and unscored upon. The men of section 4, ably coached by Jim Brooks, were Randy Lunber, Dave Conrad, Jack Peffer, Doug Benson, Wilson Thoburn, Al De Russy, Hoby Chivers, Dave Blakely, Bill Glenn, Bill Challenet, Bob Woods, Chuck Paterson, and John Reddecliff.

Section 4 has entered the new intramural touch-football program as a unit. Another Caflisch team is being organized, by men in the other sections to play in this new program with the fraternity teams.

The final standings of the Caflisch Leage were as follows:

| Section | Won | Lost | Tied |
|---|---|---|---|
| 4 | 4 | 0 | 0 |
| 5 | 2 | 1 | 0 |
| 3 | 2 | 2 | 0 |
| 1 | 0 | 2 | 1 |
| 2 | 0 | 3 | 1 |

## SOCCER

(Continued from page 3)

vented any scoring. Shortly after the opening of the second quarter, Buffalo insideman John Morrissey, a veteran of five year's experience in Hungary, slipped over the Teachers' first counter. There was no further scoring until midway through the third quarter, when Clark Webb of Sheridan Park, Long Island, blasted a shot through Nichols and James. With only a few minutes remaining in the game, Captain Sam Barco made good a penalty kick, which accounted for Allegheny's lone score.

The Gator's play was characterized by a lack of drive throughout the entire contest. The only aggressiveness evidenced by the Allegheny team was shown by substitutes Matthews, Ferraraccio and Bailey, who went a long way toward the securing of berths in the starting lineup.

The soccer team is host this week to two games. Slippery Rock plays here Tuesday, while the game with Westminster Friday will begin the Homecoming celebration.

"Should a Christian compromise and when?" is the topic for the informal discussion sponsored by the Allegheny Christian Council. Eltie Smith, '48, and Joseph Harrison, '48, will lead the discussion.

## OUTING PLANS

(Continued from page 1)

they may find them.

As soon as the faculty lodge, given by Col. Lewis Walker, as a recreational center for the faculty, is available, the Outing club hopes that the faculty will join the students in the week-ends of activity.

One of the projects of the Outing club will be to provide firewood and keep the drive to the lodge open and in good shape. The faculty lodge will be reserved solely for faculty use, under such regulations as they as a group may decide.

The Outing club had its first meeting in Brooks gymnasium on Tuesday, October 8, when Richard Shaner, student president, outlined the general program for the year.

On Tuesday, October 22, the club will have its second, and regularly monthly meeting. At that time the newly-elected members from last year's Heelers will be present, and the officers urge all returning veterans who were formerly members, to be present as well.

Two new groups will be organized: the first group to consists of all freshman men and women interested in becoming members of Outing club, and the second group, upperclassmen who have had no previous opportunity to join.

Plans for the first work to be done in reconditioning the cabin and grounds immediately adjacent to the cabin will be explained in detail. Trails must be cleared and the winter supply of wood laid in. Members of the group with Mr. Benjamin have made a complete survey of the projects that must have immediate attention this fall, before the winter sports program can be put into effect.
