Miss Ida M. Tarbell
R.F.D. No. 1
Bethel, Conn.

Dear Miss Tarbell:

I cannot tell you how grateful I am - and I am sure Miss Yost will be - for your fine comment on AMERICAN WOMEN OF SCIENCE. You have, of course, put your finger on the valuable thing in the book as a revelation of why and how women have achieved in this field.

Your comment will be very useful indeed and will be very influential in helping the book reach its audience.

I am particularly grateful for your effort in writing the comment with your own hand. It was an effort and a kindness which we deeply appreciate.

Sincerely yours,

Helen Dean Fish
