ALLEGHENY CLOSES SEASON WITH GROVE CITY VICTORY---SCORE, 40 TO 0

Coach Hammett's Team Has no Trouble Defeating the Red and White—Muddy Field Keeps the Score Low—Opponents Fail to Make a First-down

With the very decisive defeat administered Grove City in football last Saturday afternoon on Montgomery Field, Allegheny's football season is brought to a close with an unusual record of victories in games played, and all old scores with advantages for the past few years on the side of Grove City, which lay so heavy on Allegheny sympathizers, have been most effectively wiped out. That Allegheny would be returned the victor after the game was a foregone conclusion in the minds of everyone.

Although the condition of the field was anything but favorable for good football, with mud so thick as to interfere with punting very seriously and throw a runner when starting a run, yet the game was fast in every period and, especially on the part of Allegheny, free from fumbles which would be excusable on such a field.

The crowd that watched the game far outnumbered any other crowd of the season. Fully a thousand people were lined up on the bleachers when the game started, and led by the band, which had been put into shape for this last game, and augmented by several pieces from town, the singing was the best heard on the field for a long time. Grove City's famous band and usual crowd of enthusiastic supporters and rooters which had characterized every other Allegheny-Grove City game, and in anticipiation of which Allegheny spirit had been let particularly loose, failed to show up, and the rooting and cheering was almost entirely for the Blue and Gold. A few loyal supporters watched the Red and White go down in defeat and a large representation from Meadville came up on the hill to see the final game of such a remarkable season.

The game was fast all the way through and in spite of the uneven score, was exceedingly interesting. Only once or twice, however, was there anything like a chance for Grove City to score, once when Pollock attempted a field goal from place kick, and again when Cox was thrown on Allegheny's eight yard line in the last half. The rest of the time the ball was in Grove City's territory and most of the time in Allegheny's hands.

As in the game with Tech a week before, Allegheny showed very good form in open field play and the success with which they made forward passes for long gains was in great contrast to Grove City's limited style of play. Of ten attempted passes five were complete, one to Arnold for a touchdown, and one to Ricker for a long gain of over twenty yards, while the only one attempted by Grove City was unsuccessful.

The Grove City line was weak, giving way continually to line plunges by Munhall who made consistent gains in this way, while their backfield was unable to make any gains of importance through the Allegheny line. Only once or twice did the Allegheny line let men through, when Cox was thrown for one or two decided losses by Grove City line men who were on him before he was able to make an attempted pass. Grove City failed to make a first down during the entire game.

The game by quarters:

First Quarter.

Weil kicked off to Munhall who returned the ball from the 25 to the 38-yard line. Munhall made 5, Arnold 4, Munhall 4, for first down; Munhall 5, Cox 27 on a good end run, Arnold 8, and Munhall carried the ball 17 yards on a line buck for the first touchdown of the game in two minutes of play. Munhall missed goal. Score, Allegheny 6, Grove City 0.

Kramer kicked to Armstrong who returned from 27 to 38. Heckathorn made 5, Pollock no gain, and Grossman punted out of bounds on Allegheny's 8-yard line. Arnold lost 2, Cox made no gain, and was thrown for a loss of 7 yards, and Kramer punted to Allegheny's 35 yard line. Sprowl made one, Heckathorn lost one, Allen made one, Pollock attempted a field goal, and the ball went to Allegheny on downs. Cox made 7 to the 30 yard line, Arnold 5, Munhall 13, Arnold 11 for first down; Bash made 19 and 4, Munhall made 7 for first down; Arnold made 2, Munhall 2, Arnold no gain, Cox made an incomplete pass, and the ball was Grove City's on the 20-yard line. Norris was substituted for Sprowl. Pollock made 4, and 1, and Grossman punted to Cox on Allegheny's 47-yard line. Munhall made 8 and 7 for first down, Arnold made 4, Bash 4, Munhall 5 for first down; Bash made 8, Munhall 5 for first down, Bash 3, Munhall 5, Cox fumbled and carried the ball two yards over the line for the second touch-down. Munhall kicked goal. Score, Allegheny 13, Grove City 0.

Professor Hammett, Who Coached Allegheny's Most Successful Team.

Kramer kicked to Pollock who was thrown on the 28-yard line. Quarter was called.

Second Quarter.

Heckathorn lost 3 and made 3 and Grossman punted to Cox who fumbled and Arnold recovered on the 34-yard line. Munhall made one and one, Cox's attempted pass was incomplete, and Kramer punted to Armstrong, who was thrown on the 28-yard line. Pollock made one and one, and Grossman punted out of bounds on Allegheny's 40-yard line. Munhall made 4, Arnold 5, Munhall 4, for first down; Bash made 5, Arnold lost 2, Munhall made 7 and 6 for first down; Arnold made 21, Bash 5, and Munhall 2. bringing the ball to the one-yard line. Cox carried it over on the next play through center. Munhall missed goal. Score, Allegheny 19, Grove City 0.

Kramer kicked to Meally who returned 25 yards to the 28-yard line. Emery was put in for Metcalf. Pollock made 5, Allen 2, Heckathorn 1 and Grossman punted to Bash on Allegheny's 48-yard line. Bash made 8, Munhall made two for first down; Bash made 8 on a pass, and then two more for first down; Munhall made 5, Arnold 4, Munhall 2 for first down, and the half was called. Score, Allegheny 19, Grove City 0.

Third Quarter.

Ricker was put in for Bash and Gahagen for Weil. Kramer kicked to Nutt who carried the ball to the 33-yard line. Norris made 2, Heckathorn 2, and Pollock 2. Grossman punted

MEN'S WEEK MEETINGS HAVE NOW COMMENCED

First Meeting Held Yesterday Evening in Cochran Hall.

The Campus appears this morning just after the campaign of Men's Week has opened with the service in Cochran Hall last evening. The complete plans for the week of services under the direction of the Y. M. C. A. were outlined in last week's issue, and at present these plans are being worked out with promise of success in every part of them. Dr. Bagnell, of Philadelphia, who is to be the leader for the week, arrived in Meadville yesterday afternoon at two o'clock and immediately upon his arrival on the hill took complete charge of the work. His assistants, the Rev. Mr. Travis and the Rev. Mr. Merrill, also arrived yesterday and have taken their places in the plans for the meetings.

Dr. Bagnell met President Crawford and Dr. Kelly, of the Stone Church, soon after his arrival and planned with them for the program to be followed in the day, for special meetings and audiences. At four he met with the cabinets of the Y. M. and Y. W. C. A. to advise with them as to the plans they have been working on in preparation and as to the work they themselves are to do. At five he met the faculty in a faculty meeting. It is his plan to work in perfect sympathy with the faculty and to use them in as many ways as possible for the success of the meetings.

The first of the evening meetings in Cochran Hall was in the nature of an introduction and outline for the other evenings of the week. All provisions possible have been made for the full attendance of the entire body of men at these meetings. Each fraternity agreed to keep their town men on the hill at the fraternity houses for supper Monday evening and arrangement was made for all non-fraternity men to eat at Cochran Hall for this one night in order that at least the first meeting would see every man in his place.

During the past week the cabinet of the Y. M. C. A. has met each morning in the cabinet room of Cochran Hall for a half hour of prayer in preparation for the work now started, and plans have been most carefully thought out to make the week as successful as is possible.

An addition has been made to the original plan in providing for a Men's Week Sunday, when Dr. Bagnell will remain in Meadville to hold services in the morning in the Stone Church, and in the afternoon and evening meetings will be held to be announced later. This is entirely new from what has been customary other years and is a decided opportunity in having a man of Dr. Bagnell's strength and power remain over Sunday to finish up the work of the campaign.

A committee has been appointed to work among the members of the various classes, particularly the Freshmen. It is the plan of the cabinet to have the work of the campaign be as personal as can be done and to have it done in each of the classes by members of the class themselves, as a means of reaching more people.

PRESIDENT CRAWFORD RETURNS

President W. H. Crawford last week attended the annual meeting of the college presidents of the Middle States and of Maryland. The convention was held in New York City, the presidents being the guests of the College of the City of New York.

Pennsylvania Delta of Phi Delta Theta held their annual fall party in the chapter house on last Saturday evening. The banquet table was well appointed; blue and white, the fraternity colors, predominated. Thirty coupies were present including Professor and Mrs. Ross, Dr. and Mrs. Elliott, Professor and Mrs. Swartley and Mr. and Mrs. Meek.

GLEE CLUB TRIP

Musical Clubs Score Successes at Cambridge Springs and Erie.

The Glee Club appeared in two very successful concerts this last week, one at Cambridge Springs on Tuesday evening in the Methodist church, and the other on Wednesday evening in Erie in the High School Auditorium. The work of both the Glee and Mandolin clubs was very good, especially in view of the fact that only four or five weeks had been given to preparation, and the way in which these two programs were carried out with such limited preparation gives promise of an exceptionally fine program from the club later in the season.

The Cambridge Springs concert was under the auspices of the Methodist Church, and the audience that patronized the affair was good sized and very appreciative. Encores to each number of both clubs were demanded and well received and the last number, "Firelight Faces," with only the light of the "fireplace" and the soft harmony of the chorus when repeated, followed by "Near the Vale" and an "Alleghereu" proved especially effective.

The Erie concert was very good, even better than the one on the previous evening. The concert was under the direction of the Olympian Club of the High School, and the arrangements they had made went far toward the success of the concert. The audience was large, between seven and eight hundred, and was very appreciative of the work of the club.

The work of R. H. Downing, '15, the soloist of the club, was especially pleasing. He appeared twice on the program, first when he sang the ballad, "King Adamastor," in French, from Meyerbeer's opera, "L'Africain," and in the second part of the program a double number, "Rolling Down to Rio," and "The Irish Fusilier." His work both times was heartily encored and the papers, both the morning Dispatch and the evening Times, spoke in terms of highest praise of his singing.

The work of the Glee Club as a whole was very pleasing. Two numbers especially, "Swing Along" and "Honeytown," both negro dialect choruses, made a favorable impression on the audience.

The work of J. B. Hutchinson, '15, reader, was spoken of in the papers as very pleasing. He gave two readings—one in each half of the program—and both were well received. The Mandolin Club, as usual, proved to be a "hit."

The program which the club rendered in both concerts was as follows:

Part I.

1. Swing Along .....Cook
   Glee Club
2. Gypsy Serenade .....Eaton
   Mandolin Club
3. Ballad—"King Adamastor", Meyerbeer
   R. H. Downing
4. Reading ..... Selected
   J. B. Hutchinson
5. Barcarolle ..... Offenbach
   Mandolin Club
6. Honeytown ... Widener-Robinson
   Glee Club

Part II.

1. Carmena ..... Wilson
   Glee Club
2. Instrumental Trio—"Cecile", McKee
   Messrs. Dunlap, Doane and Middleton
3. Reading ..... Selected
   J. B. Hutchinson
4. Solo (a) Rolling Down to Rio,
   (b) The Irish Fusilier, Squier
   R. H. Downing
5. Magnolia Serenade .....Missud
   Mandolin Club
6. Firelight Faces .....Lane
   T. F. Smith and Glee Club

After the concert the members of the two clubs were tendered a very enjoyable informal reception in the rooms of the University Club in the Lawrence Hotel, by the Allegheny alumni residing in Erie.

ALLEGHENY'S SUCCESSFUL TEAM DULY RECOGNIZED

Sporting Editor of Pittsburgh Paper Gives Team Due Credit.

Under the caption "Allegheny College Team Not Given Credit Due," Mr. James J. Long, the sporting editor of the Pittsburgh Sun, writes an article that gives Allegheny's championship eleven some of the credit that is coming to it. Everyone who has followed football knows that in the daily papers of Pittsburgh and Cleveland the wonderful showing made by this year's team has not been given full recognition. It is therefore with a feeling of just pride that the following clipping is printed:

"While football teams more favored in the public prints are hogging all the limelight it frequently is the fate of many deserving elevens to be forced to remain in the obscure background, whereas on actual merit they are entitled to places right up near the front row. The Allegheny College team of 1914 appears to be one of these victims of circumstances and warped judgment on the part of critics. You haven't read a great deal in praise of the Meadville institution in football this season, yet it has an eleven that would do credit to any college in the land. Observing fans have been aware from the beginning of the season that Allegheny's team this year is one of unusual class and power, and there ought not to be any doubt of its strength in any football minds after the way it slammed Carnegie Tech Saturday. Steffen's Plaid charges had been cutting high jinks in the pigskin world and proving themselves the best team that ever wore the Tartan, holding Pitt to a 14-0 score only one week earlier, so that in conquering the Skibos by the lopsided figures of 26 to 7 the Meadville brigade accomplished something that entitles them to much more credit than they have received. It was the largest score made against Tech this year. The best that Lehigh could do was 24 to 20, and Lehigh, it will be recalled, has beaten every team it has faced this year except Yale, defeating the Carlisle Indians, Penn State, Villanova, Lafayette, and Franklin and Marshall. It takes a real football team to give Tech a beating like that, and Allegheny College has that same, even though public acknowledgement of the fact has been lacking in most quarters. It is all the more creditable that an eleven of that caliber can be formed in a college having only about 400 students, and more creditable still that the team is made up of real students. Allegheny College is a small institution in comparison with many others as far as the size of the student body goes, but it is a whale in football, and deserving of much higher rank than most critics have condescended to give it."—James J. Long, in Pittsburgh Sun, November 24, 1914.

THE THANKSGIVING PARTY

The annual Thanksgiving party given at Hulings Hall Thursday evening by Miss Spalding and the young women of the Hall, proved to be a very enjoyable affair. About one hundred and fifty guests, including members of the faculty and alumni, were entertained. The decorations of hemlock and yellow chrysanthemums were unusually elaborate, and ten-minute conversations furnished the chief form of entertainment, supplemented by excellent orchestra music. Dainty refreshments were served in the dining room. Miss Spalding was at the head of the reception line.

DECEMBER 1, 1914.

This week is one for serious thought and reflection. It is to be devoted to the religious life of the college, to our higher interests. In the meetings which have been planned for this week, we ought to show the same interest and enthusiasm that we have exhibited in our football and other athletics. Let us show our college spirit by attending every meeting, no matter how pressing other duties may seem.

Men's Week.

With the final victory of the season over Grove City, Allegheny's football team has completed the most successful season in the history of sport at this college. To the players and the coach we owe a great debt of gratitude and The Campus wishes to voice this sentiment by extending its congratulations to the team for the successful work of the season. The next issue of The Campus will be largely devoted to the interests of football in Allegheny College and then the team and its achievements will receive due appreciation.

A Victorious Season.

STUDENT GOVERNMENT WORKING WELL IN COCHRAN HALL

The student government in all parts of Cochran Hall is now thoroughly organized and running smoothly. The lounging room has been completely redecorated and has been in use for the past week. The committee having charge of the lower floor were appointed as soon as the work was completed and will act for the entire year. The members are: Clyde Heath, '15, Charles Aey, '16, Donald Longanecker, '17, G. F. Engstrom, '18, and P. W. Lane, '18, from Arter Hall, and R. L. Mitchell, '18, and J. L. Wiley, '18, from Cochran Hall. These seven men will be responsible for the government on the main floor at all times.

The term of nine weeks service in the dormitories for the first committee expired Saturday evening and five new men were elected to take their places for the next period. Those named were W. C. Barcus (chairman), G. G. Witter, E. L. Holmes, R. A. Phillips and C. K. Crandall. The present rules will remain the same and this committee will have full power until the half year is over.

R. F. KAHLE, '17, WINS CROSS-COUNTRY RUN

The culmination of the cross-country running classes took place Wednesday afternoon in the form of a three mile jaunt over the muddy roads north of Meadville. Nine men participated and, taking everything into consideration, excellent time was made. The course began at the end of the pavement on North Main Street and thence extetnded to the first turn on the right, east a half mile, then turned south toward Meadville on the Limber Road around the stone quarry to the pavement near the Odd Fellows' Home, where the race ended. The entire distance is approximated at three miles.

R. F. Kahle, '17, proved himself an easy victor, winning the race by thirty yards over C. C. Curtis, '17, who received the second best medal. M. C. Brown, '18, succeeded in placing third although he was hard pressed by several other proficient Freshmen. The excellent time made was 15:47, 15:56, 16:00.

Gold, silver and bronze medals, which were furnished by Coach Hammett, were awarded to the men finishing in first, second and third places. The meet was run under the direction of Captain H. H. Fahr, '15, of the track team, assisted by W. P. Long, '15, and C. L. Mulfinger, '15.

THANKSGIVING PRAYER MEETING

On Thursday morning J. G. Lane, '15, conducted an interesting "Sunrise" Prayer Meeting in the Chapel. He talked about the many things for which we should be thankful and noted how clearly each of these prayer meetings he has attended in his college course stands out in his own mind.

INTERCOLLEGIATE.

Dr. M. G. Brumbaugh, governor-elect of Pennsylvania, is a graduate of Juanita College.

Cornell has received $150,000 as an anonymous gift to apply on the erection of several new dormitories.

One out of every two students at the University of Chicago earns his own way through college.

Vice-president Marshall is to address the students of the University of West Virginia on December 21st.

Pennsylvania College has seventeen games on her basketball schedule this year, seven being played at home and ten in foreign territory.

The American Archaeological Association will hold its meeting in December at Haverford College.

Ohio State has made the regular publication, the Ohio State Lantern, a daily instead of a weekly.

The student publication of the University of Kansas is doing more than spreading the news of the college—it has a department in which ads are run free of charge for those who are trying to work their way through school.

Forest Weaver, of Oil City, has been engaged to play the Chapel organ this year in the absence of Professor M. H. Dewey. Mr. Weaver has been studying in Meadville with Mrs. Porter and also at the New England Conservatory of Music, Boston, so comes to the position as an experienced organist.

Basketball practice began at the University of Rochester on October 30. Of the team which twice defeated Allegheny last year, three men are again in school. These are Captain Lanni, Hale, and Whitney. Rochester is again on our schedule this year, the game being played on the opponent's floor.

A stringent measure against high school sororities was adopted at the recent meeting of the National Pan-Hellenic Association of American College Sororities, at Washington, in accordance with which girls who belong to high school sororities must resign before November 15 if they desire to become eligible to membership in college sororities.

Two weeks ago Saturday Grove City celebrated the thirtieth anniversary of the granting of her charter by the dedication of Memorial Hall, a new dormitory for the men. The expense of the erection of the building was borne by the family of Joseph Newton Pew, in whose memory the building is dedicated in recognition of his service as president of the board of trustees for eighteen years

Hiram's Comment on Allegheny's Victory.

"The gridiron battle between Hiram and Allegheny at Meadville may more aptly be called a massacre than a battle. Allegheny piled up fifty-one points to Hiram's nothing. For the first nine minutes of play the Hiram team held the Meadville bunch scoreless, but after Allegheny executed a thirty-five yard run for a touch down, the Hiram defense wilted.

"Allegheny monopolized the ball and scored at will. When Hiram did get possession of the ball she found her opponent's line impregnable. What gains she made were made on the forward pass. In this department of the game she showed much better form than her opponents. Hole and Snow were at the receiving end of several fine passes. But always when chances looked good for a touchdown, a fumble or an intercepted pass gave Allegheny the ball and blasted Hiram's hopes."—Hiram "Advance."

POEM BY ALUMNUS

Mr. Frank Chapin Bray, Ex-'86, Writes Poem for Allegheny Dinner.

At the New York Allegheny Alumni Dinner, held at the Aldine Club in New York City, two weeks ago today, the following poem was read by Mr. Frank Chapin Bray, ex-'86, formerly connected with the New York "Independent."

New York Allegheny Alumni Dinner, 1914.

The Allegheny Dinner is an annual affair—
A simple "get together" sort of thing,
At call of Alma Mater from the busy walks of life,
To sit a while and feast and talk and sing.

The gray-haired and hard-headed revert to college age,
And revel in a campus-memory jag
The fledgling, newly graduate, who has his life to make.
Pipe dreams that college spirit can not lag.

Don't say these are "deiusions," in this practical old world—
Group loyalties make up the social wealth.
Our food-fest, talk-fest, sing-fest, around this college board,
We count a sign of democratic health.

The same ideals were toasted, for a hundred years or so,
By college fathers, sons and daughters fair.
So here's to Allegheny, as long as life shall last—
And may we get together "over there."

—Frank Chapin Bray.

In this issue is a graph of the Grove City-Allegheny game, prepared by R. E. Hart, '17.

The Phi Delta Theta and Phi Gamma Delta fraternities entertained the men of the Freshman class at their chapter houses during the past week.

Between fifteen and twenty Freshmen reported for work last Tuesday when the coach asked the entire school to turn out to sweep the field to begin getting it in readiness for the Grove City game.

At Dickinson, any Freshman who is accused of violating the college rules or traditions is forced to appear before the Student Senate. He is given a trial by that body, and if found guilty is handed over to the Sophomore class for punishment. This hazing must be done by daylight and physical injury of any kind is forbidden. No hazing of Freshmen at night is allowed. The system is expected to do away with the evils that some times follow upon the night hazing which was formerly customary in such cases.

On each table were centerpieces of fruit and at each place was a pink carnation, a place-card and a menu card. During the dinner of six courses appropriate songs were sung and witty remarks were made by the girls at the various tables.

DEBATERS CHOSEN

About twenty of the class tried out and the team chosen was as follows: P. R. Bellows (captain), Harry Wissinger, H. L. Castle, Jr., and J. D. Regester as alternate. This team will meet the Sophomore team on the question: "Resolved, That the United States should initiate a policy of increasing governmental responsibilities in the Philippine Islands to culminate in independence about 1925. By independence is meant that degree of freedom which Cuba now enjoys." The Freshmen will defend the affirmative and the Sophomores the negative side of the question. Professors Smith, Lockwood and Swartley acted as judges.

At a recent meeting of the Sophomore class L. D. Kepner, L. C. Drake and J. C. Weaver, with H. W. Kuhl as alternate, were elected class debaters.

PRESIDENT CRAWFORD LEADS

The regular meeting of the Y. M. C. A. last Wednesday night was led by President Crawford, and it was one of the most interesting and enthusiastic meetings of that organization this year. President Crawford spoke on the manliness of leading a Christian life, and applied his theme to the preparation of the men of the college for the coming Men's Week. He said that being a Christian was not at all inconsistent with being a man in the true sense of the word, but that a man is not a perfectly developed individual unless he has accepted Christ and made Him a part of his life.

The Y. M. C. A. was especially fortunate in securing Dr. Crawford for this meeting, for it was the last one before the coming of Dr. Bagnell and his assistants for the services this week, and the talk was of a nature to be very influential in the preparation of the men present for the work to be done this week.

The past year has seen many improvements at Ohio State. Three new buildings were completed during the summer, one for physics, another for botany and zoology, and the third for horticulture and forestry.

The University of Pennsylvania has passed a resolution whereby a college degree will be required for entrance into the law school of that university. This action makes the standard of admission as high as that of any law school in the world.
