Academic Regalia Rental

Sandra Sanford brought this item for discussion, it has been brought to her attention that some academic departments have their regalia paid for while others do not

Is this an AAC issue?

What is rental cost, how many people rent?

Can we help, make a suggestion, should this be a bigger issue?

Should we work harder to get administrators to go?

Cynthia will fact-find

Decals for Sustainability Office

Penny suggested we get quotes for decals to help out the Sustainability Office, if the committee agrees it's something we want to support

Discussed bathroom mirror decals to educate people; Alan brought up the recycling can signage

Do we use different color bins or can we re-label them?

Penny will get quotes and work up proofs with Kelly
