My dear Miss Yarlell=

Your lovely letter of Feb-
19th brought me the sense
of your love and admiration
of my husband - that went
right to my heart. and I
want you to know of
his personal friendship
and admiration for you.
He always called you

among those who saw
the light - and who
fearlessly followed it.
I am distressed to
see you are writing
from a Sanatorium - and
to hear you have not
been well - I hope the
Spring will bring you
renewed vigor - and that
you will let me know

When you plan to come to Washington — May I know a little in advance, if possible?

I have had your letter a few days waiting to see the book you had autographed for Mr. Wilson — but it has not yet arrived — so I will say in advance — how tenderly I will prize it. With its double association of your thought to give him pleasure — and your additional thought of me —

With very deep appreciation — believe me

Faithfully yours Edith Bolling Wilson
