The Bootlegger of To day Is a Lawbreaker but the Lawbreaking Saloon was with us In the old days. Violating Laws on Closing, Violating Laws on Selling Liquor to Minors, Violating Laws permitting women to Enter. Violating Laws against Gambling.

It was the breaking of Laws by Saloons with Constant Interference in Politics, that made my State dry as much as any other Cause. over

the Crimes of Violence. Especially Murders.
In my Reportorial days before Prohibition,
were usually Incited by Liquor, or had
some relation to Violated morality.
You can see In one Celebrated murder
Case after another, how Extensively
the fatal distructiveness of the Strange
Woman, In Emphasized In the Bible
Is demonstrated In our Modern Life.
the Crime Wave of today Extends wide
and far. but the world of Boose
and the world of the Red Light
have never been without It.
