Dear Mr. Honig:

Please forgive my delay in replying to your letter of October 30th. It was not lack of interest, but lack of time that made me so slow in writing you.

I am much interested in what you are trying to do at Rockport. Certainly if you put the Nancy Hanks Lincoln doll on sale I want to buy one for my Lincoln collection.

An industrial school in Southwestern Indiana would be a fine monument. I don't know of a better. I will be grateful if you will let me know how you get on. I am sorry I cannot make you a substantial contribution.

Very sincerely yours

Mr. George H. Honig
