CLARENCE DARROW WILL SPEAK AT CHAPEL SOON

NOTED BARRISTER WILL ADDRESS STUDENTS OF COLLEGE AT EARLY DATE

Allegheny is to have an unusual privilege in having as a speaker at Chapel Clarence Darrow, the famous lawyer who, since his handling of the Loeb and Leopold case, has been in the public eye. Through the efforts of Mr. LaBounty, Mr. Darrow's consent was gained. Mr. LaBounty travelled to Jefferson, Ohio, several weeks ago where Mr. Darrow was pleading his last case.

Mr. Darrow is one of the cleverest lawyers that has ever pleaded a case. His uncanny knowledge of all the laws and regulations which a lawyer must know and the ingenuity with which he presented his cases have gained for him a wide spread reputation. In handling the Loeb and Leopold case, which was one of the most sensational affairs and yet cruelest cases that has ever come before an American court, all eyes were focused upon this one man who was fighting the battle for life although popular opinion was against it. In his years of experience before the bar, he has faced many cases of every conceivable nature and every kind of criminal and always his presentation of the case has been a clever and ingenious piece of workmanship. He came to Jefferson to plead his last case. It is his home town and he wished to conclude his work where he first started it. It was a case of a bootlegger who had been framed and and his presentation of the whole affair was as masterly as it was when he was at the prime of his career.

Mr. Darrow has consented to speak here at Chapel and from a man who has had such experience as he has, may be garnered truths of life that are first hand and that have become clear to him as he has seen the many and varied chapters of life unfold before him in the courts of justice. He has handled many cases of criminal action where the culprit has been a boy still in his teens and his explanation of this rather alarming growth of juvenile cases is interesting. Mr. La Bounty feels as though he has secured a real treat and the pleasure of hearing him should appeal to all.

Editors and Managers For Coming Year Are Elected by Board

At a meeting of the Publications Board of the College held last Monday afternoon in the library of Alden Hall elections were held for General Manager of Publications, Editor-in-chief of the Kaldron, Editor-in-chief of the Literary Magazine, and business managers of the three College publications. The voting took a long time because there were so many men who were eligible for the positions and the Board was very careful in selecting the men to serve for the coming year.

Herbert A Mook is the General Manager of Publications for next year. Business Manager of the Campus is Frederick Lewis; of the Kaldron, Wendell Gornall; and of the Literary Magazine, George Munnell. The last three named are juniors who will compete for the position of General Manager of Publications next year.

The two men who were selected Editors-in-chief of the Kaldron and Literary Magazine are, respectively, John W. Ekey and Robert C. Wilson.

The Publications Board consists of three faculty members and the editors of the different publications and the general manager. The acultyf members are Dr. C. A. Darling, Prof. L. D. McClean, and Prof. Dale E. Thomas.

Members Elected to Athletic Board and Student Senate

Elections of the Men's Senate and for the Athletic Board of Control took place last Monday. Each Fraternity nominated three men to fill the post of junior member of the senate for next year and the College decided which should be elected by ballot. The following men were elected: Phi Kappa Psi—Wendell Gornall; Phi Gamma Delta—J. E. Sawyer; Delta Tau Delta—Brooks D. Billman; Phi Delta Theta—George W. Munnell; Sigma Alpha Epsilon—A. B. R. Colley; Alpha Chi Rho—L. E. Thompson; Beta Upsilon—C. G. Cole; Beta Kappa—W. H. First; and Nonfraternity—C. L. Neff.

Seven men were nominated as student representatives on the Athletic Board of Control. The two men who were chosen by the student body to serve in that capacity are Charles Slaven and B. P. Hughes.

Announcement has been made of the engagement of Marion **Dusenbury** '22 to Leland Stacey Kurfess of Louisville, Ky.

Unitarian Pastor Makes Address to The Student Body

Rev. Ford, pastor of the Unitarian Church of Meadville, led the devotions at the regular chapel services in Ford Memorial Chapel last Friday.

The theme of Rev. Ford's talk was that "we are growing up in a new age." He said, "This expression is so often quoted that we cannot fully comprehend its meaning. Everything seems to be new. There are new interpretations of the Bible. As an example, take the story of the Prodigal Son. We used to glory in the forgiving spirit that the father showed; now we only see that side as presented by an adventureous youth who has run away from home. Men have even become so bold as to say that Napoleon has done more for the advancement of the world than Christ himself.

"It is allright to know the new ideas and their significance and to take the good thoughts from them, but we must look back to the interpretation made by our ancestors. There are two sides and many angles to every problem. We must learn to look at the different problems in this way.

"Today the young people do not take the Bible as truth. They do not believe in the creation of the Earth, the Virgin birth, or the Resurrection. The essential realities of the church are, however, its moral principles. The challeneg it gives to us alone is worthwhile.

"There is one great principle by which we can profit. That is by doing things for others. Sheldon said, 'Service is the secret of success!' This is true not only from the business and social standpoint but also from the spiritual."

COLLEGE PLAY WILL BE GIVEN THURSDAY AND FRIDAY NIGHTS

Annual Production of College Will Take Place in the High School Auditorium

After being postponed twice because of conflicting events the college play, "The Importance of Being Earnest" will be given tomorrow night and Friday night at 8:15 in the High School Auditorium. Reserved seat tickets, at seventy-five cents each, are being sold at Bentley Hall and Ellison's New Store.

"The Importance of Being Earnest" has been highly recommended by critics and playwrights. The scene of the play is in rural England in the year 1890, and the actors will be dressed in costumes of that period.

The support of the whole student body is needed, for the cost of the stage equipment for the new theatre in Arter Hall is to come out of the proceeds of the play. The new theatre, which is reserved for collegiate dramatics, has been needed for several years and will be a great help to the Play Production class and to other dramatic activities in the college.

The cast has been ready for some time to give the play, but the players have been rehearsing regularly in order to give their best. They have been working hard on the play and deserve much credit for their faithfulness and perseverance. The cast is composed of: Florence F. Clark, Georgette B. Anderson, Mabert M. King, David H. Behrhorst, Donald W. Kofoed, John W. Walton, Robert C. Wilson, Dorothy E. Allen, and Merton Beebe.

The producing staff has been given good co-operation and the work behind the scenes is sure to be well done. The business and publicity managers have also aided greatly in the preparation of the play. The complete staff is as follows: Miss Alice Spalding, Director; Miss Alter and Mr. Henrietta, Assistants to the Director; George J. Barco, Clifford L. Behrhorst, George W. Munnell, George A. Anderson, Richard A. Hatch, and Richard N. Merrill, Production and Stage Managers; Betty Smith, Properties; E. F. Phillips, Jr., Publicity; Paul C. Reynolds and Osler Hammett, Business Managers; Wanda E. Dowdell and Eleanor E. Mechem, Costumes; Malcolm Fries, Lighting and Curtain Signals; John Lindsey, House Manager; and Robert Daker, Music.

The play was to have been given on April 24, but on account of the Founders' Day Program on that evening it was postponed a week. When this date was found to interfere with Dedication Week services of the Stone Church, the play was again postponed.

On the first day of Commencement Week, Friday, June 8, at 8:00 P. M., the College play will be given in the High School Auditorium for the benefit of the alumni who will visit the college at that time. This issue of the Campus contains a notice to the alumni to have their seats for this performance of "The Importance of Being Earnest" reserved immediately.

The Play Production class, also under the direction of Miss Alice Spalding, staged a short play at the Woman's Club last Thursday.

ALLEGHENY GIRLS TAKE PART IN PITT PLAY DAY

LUTHER AND BUERGIN MAKE PLACE ON WINNING TEAM AT CONTEST

On Tuesday, May 15, twenty Allegheny girls made the trip to Pitsburgh to take part in the second annual Pitt Play Day which was held on Wednesday at the Pitt stadium. Upon the girls arrival at the stadium on Wednesday afternoon, they were divided into eight teams, along with representatives of seven other schools. Each girl participated in one of the two major sports which her team selected to play, and then spent the rest of the afternoon challenging those on other teams to individual contests. Among the sports were tennis, hockey, baseball, volley ball, basketball, and most everything from deep knee bending and broad jumping to mumbley-peg and archery. At seven-thirty the athletes met in the dining hall of the Heinz house where a banquet and program were enjoyed. The winning team was announced and a prize was presented to the captain. Two Allegheny girls were on the winning team —Alice Luther and Grace Buergin.

The schools represented were Allegheny, Carnegie Tech, Johnstown Junior College, Indiana Normal, Pennsylvania College for Women, Slippery Rock Normal, Seton Hill, and Pitt University, who were hostesses.

The Allegheny girls who made the trip were: Grace Buergin, Laura Byers, Marjory Cole, Sara Dixon, Gwen Douglas, Jane Eckert, Ruth Farquhar, Constance Graham, Margaret Helmbold, Sara Key, Martha Langworthy, Erma Kuhnert, Naomi Norris, Alice Luther, Louise Power, Leah Pettit, Margaret Squires, Mildred VanDusen, Miss Dale, and Miss Swarts.

ROSS CAREY PRESENTS RECITAL IN CHAPEL

During the regular chapel services on Wednesday, May 16, Ross Carey presented a program of very delightful organ and piano music. This program was one of the best of its kind given in Ford Chapel, and was well received by the student body.

NOTICE ALUMNI!

For the benefit of the Allegheny alumni, the college play, "The Importance of Being Earnest" by Oscar Wilde, will be given in the Meadville High School Auditorium on the evening of June 8, at 8:00 P. M. All alumni desiring reserved seats should write immediately to the Alumni Office. The best seats in the auditorium will be reserved for the alumni at a special price of 50c.

MISS ROWLEY SENDS NOTICE TO ALUMNI

SECRETARY ASKS THAT ALL ALUMNI SIGN THEIR BALLOTS

ATTENTION ALUMNI

Attention is called to the regulation in voting for alumni trustees which requires that each envelope carrying a ballot shall bear the name of the sender and his address. The votes in unmarked envelopes are invalid and cannot be counted in June. This does not interfere with the secrecy of the ballot but it is necessary to conform to the rule. Several unmarked envelopes have been received. Among them is one bearing the postmark of Washington, Pa., and containing a bright new $5 bill for dues. No receipt can be sent until the donor is known. Others bear the postmarks of Washington, D. C., and Pittsburgh. Voters are asked to identify these ballots and make them valid.

Ballots are coming in every mail. The name of the alumnus and amount of dues is registered as soon as received. Receipts will be sent as soon as possible. It is hoped that several hundred more alumni will send their ballots and dues without delay.

The Alumni Luncheon will be served in the college gymnasium at 12 o'clock on Alumni Day, Saturday, June 9, to all alumni, ex-students, the seniors, the trustees and their wives, the faculty and their wives. This luncheon is free to the above mentioned guests of the college. A coupon is printed in this issue of the Campus. Those planning to be here for the luncheon are asked to fill out the coupon and return it to the secretary before Friday, June 8, so that places may be reserved for all.

A considerable number of rooms, vacated by freshmen before Commencement, are available for alumni. The alumni organization at the college will do all it can to help the visitors secure rooms. Please write your wants as early as possible. But early or late, come to Commencement and we will do all we can to take care of you.

Strong Grove City Track Team Will Be Met Saturday

Anyway one looks at it, the track meet this Saturday with Grove City appears to be a toss-up. From all advance indications the Crimson and Blue and Gold track squads appear to be as evenly matched as it is possible to imagine, and the coming meet should be one of the closest and hardest fought that has been witnessed on Montgomery field for some time. Regardless of which school wins the meet, it is certain that the margin of victory will not be more than a few points and the outcome will probably not be decided until the meet is about over.

In the running events Allegheny once again seems to have a slight edge, although the margin of superiority is not at all decisive and many of the races can go either way. Grove City is well fortified in the 220, half mile, mile, and two mile and is fairly strong in the hurdles. Allegheny stands an even chance with them in the 100, 220, 440 and has perhaps a slight advantage in the half and mile races. The two mile is taken care of for the Grovers by Jim Evans, who has established quite a reputation for himself in this district by his cross country running. Evans also runs the mile, but his best bet is the two mile. Allegheny's three man combination in this event can be counted upon, however, to furnish him with considerable opposition, and perhaps one of them might beat him out, although it is doubtful.

The Grovers are weak in the high jump, but have two good men in the pole vault who are both capable of doing nearly 11 feet. Consequently they will furnish Long with plenty of hard work next Saturday. Last Saturday a Grove City man won the hammer throw with a toss of 128 feet, which is considerable better than either Billings or Jackson has done so far this season, although both of them have made fine progress and have constantly bettered their previous marks. Jackson has also been doing much better in the shot put and should capture first place on Saturday.

The Allegheny team has been improving right along, and Coach Hammett expects that his team will be the best that they have been at any time this season. The runners have pledged themselves to the strictest training and everything is being done in an effort to secure a victory over the traditional rivals. The track team hopes to avenge in part the defeats that the football and basketball teams suffered at the Grover's hands, but they realize that they will have a hard time to do this and are expecting a close, hard fight on Saturday.

DELEGATE REPORTS ON NEWSPAPER CONVENTION

CONFERENCE AT HOBOKEN IS SUCCESSFUL IN EVERY WAY POSSIBLE

At the National Convention of the Intercollegiate Newspaper Association of the Middle Atlantic States held in Hoboken Friday and Saturday, May 18 and 19, E. F. Phillips, Jr., was Allegheny's representative. Delegates from 18 college papers were present. The convention was held at Stevens Institute of Technology.

The first session of the convention was called to order at 1 o'clock Friday by the President, Mr. Charles H. Blume of Stevens Institute. After the roll call, the minutes from the previous convention were passed upon in order that the delegates might be familiar with what the Association had decided at that time. Following this, reports from the committees which are standing committees were heard. Old business was disposed of as quickly as possible and the convention came to New Business in a very short time. The first thing under this head was the appointing of committees to report the next morning on various subjects such as time and place of the next convention and nominations for the officers for the coming year and a Constitution for the Association. A few reports were heard from the member-papers who had delegates present and the convention adjourned to the Hotel Plaza in Jersey City for a banquet.

Guests and Speakers at the banquet were Professor J. M. Lee of New York University, Executive Secretary of the Association; Mr. R. J. Davis, of the New York Evening Post; Professor A. J. Weston, former Executive Secretary of the Association; and Miss E. M. Hawkins, Librarian of Stevens Institute of Technology.

The second session of the convention was held Saturday morning at 9:30. The delegates heard talks from Miss Hawkins, Mr. Kaufmann, of the Collegiate Special Advertising Agency, and Mr. Stambaugh, of Roy Barnhill, Inc. The last two talks dealt with the advertising in college newspapers and were of great help to the business managers present.

After these talks the delegates from member-papers who had not yet reported told of the work which their papers were doing. The committees reported and the new constitution was finally adopted which made provisions that the convention be held twice a year instead of once and the first convention be held at the school where the president attended school. The new constitution also had several other changes such as a clause which assessed each member-paper ten dollars national dues and made definite statements as to the eligibility of papers for membership in the Association.

It was decided that the Association should institute a news service which should consist in a change of ideas in an editorial line, and which would tend

Allegheny to Send Ten Delegates To Eaglesmere

At the annual Y. M.-Y. W. C. A. conference at Eaglesmere this summer Allegheny will have ten representatives. Four of these will be women and the remaining six will be men. The men who will attend are W. C. Wycoff, V. O. Hammett, H. A. Mook, T. L. Jones, D. T. Rowlingson, and Howard Plate. The delegates from the Y. W. C. A. have not been chosen yet.

The conference this year will last eleven days and will consist of discussions, forums, and addresses. At least five hundred men and women from colleges of the middle Atlantic States are expected at the conference to discuss problems pertinent to the College campus. Some of these problems are Compulsory Chapel, College Politics, Athletics, and Fraternities. The conference will also discuss other religions and their relations to Christianity.

Some of the leaders of discussion groups whose names are familiar to Alleghenians are Sherwood Eddy, Andrew T. Roy and G. S. Lackland.

The conference will take place between the dates June 12 and 22. It is open to anyone who wishes to attend and, although special provisions are being made for the attendance of the delegates of the college, anyone else who wishes to go may do so. The main purpose of the conference is to further Fellowship, Inspiration and Education. Sports will take part of the time in the afternoons, while the program of speakers and discussions will take place in the mornings.

The results of such a conference are astounding, for the men and women who attend are usually campus leaders and they are able to put to practice successfully the ideas aroused by the conference.

HOW ABOUT THAT AGREEMENT?

Under the agreement made between the College and the Seniors there were to be no final examinations for those who took the Carnegie Foundation Tests. We find that, now, since there can be no examinations given to the Seniors, that several members of the faculty are giving hour "quizzes" which count just as much as a final. We claim that such a practice is unfair.

Very few members of the faculty are doing any such thing, but those who are should feel that they are incurring the dislike of the student body.

Can the College do nothing about this? Must we let a few who are not willing to stand by an agreement get away with actions such as this?

THE CAMPUS AS AN ALUMNI SHEET

The question arises in our minds from time to time as to whether or not "The Campus" is fulfilling its entire duty as a paper for the alumni as well as for the student and faculty; whether it serves its purpose as a connecting link between the graduates and the undergraduates. To serve the College in such a capacity the paper must necessarily be planned and executed with that purpose constantly in mind; to fulfil that duty, the paper must contain as much alumni news as student news.

Such an undertaking is well nigh impossible without the heartiest co-operation from the alumni and friends of the College. Unless they send items to the Alumni Editor or Miss Rowley, The Campus cannot be expected to know them. Won't you, please, co-operate with us in this matter so that The Campus will be a better all-round newspaper?

WHAT ABOUT IT?

Last spring the student body of Allegheny College voted to adopt a new system of government which should function better than the old one. A plan was devised whereby each fraternity could nominate three men for positions on the governing board and then the College should vote on the three and decide which of them was the best fitted to assume the responsibility of such a weighty position. Moreover, each fraternity was to have a senior and a junior member and thus each man was to serve for two years. In this way it was thought that the senior members would have had enough experience to know what to do.

The plan was, however, only a temporary measure which was proposed to fill in the space of one or two years, at the end of which time a new system was to be adopted, which was to be an Interfraternity Council, a body which would have the power to fine its members and to enforce its ordinances.

The last weeks of school are passing rapidly by and still we are under the rule of an admittedly inefficient Senate. The President himself has admitted to us that that body has no power and cannot enforce anything. It is, therefore, just a matter of form, a figurehead. He said also that he wished that the Interfraternity Council had been formed, for then there would be a chance for the students to really govern themselves. At present they are doing nothing.

We will admit that the Senate has put on several good dances this year for us. They have supported things to the best of their ability in every line, but they have not been given the power to have any ability. The time has come for a reform. If this Senate is to continue to exist as it has during the past year, it might as well be wiped off the map as far as any good it might do is concerned. If we are to have a Student Senate let it be a good one. If not a good one, let us have a strong Interfraternity Council with powers and methods of enforcing its rulings.

Don't Forget the College Play!

THE SCRUBBING BRUSH

Before another issue of the Campus will be in your hands classes will be over and exams well on their way. Doesn't it seem great to be almost out of college. (Some are more nearly out than others). We all know that exams are of no particular use, but try for sake of variety to get a good mark in them when the knell shall sound forth its banana-like peel.

* * *

The Campus comes out for the last time this year during commencement week but we haven't been able to decide yet when it will be.

* * *

We have to get a date that is a good one for the appearance of the paper and yet we have to figure one time to write six pages of matter and get it set up in type.

* * *

That issue will be our last until next year and although we know that you will be sorry (?), we will be darn glad of the rest. No more worrying about what so-and-so will say because you left his name out or because you took a crack at him in the Scrubbing Brush. What a relief!

* * *

The Pi Delt Razz will take a load off our shoulders when it comes out. We hear, though, that they are taking a crack at this column. Well, have your fun. We are!

* * *

The general consensus of opinion seems to be one of disfavor toward our column. Perhaps we are not explicit enough in our comments. Nevertheless we are doing our best and you can't expect egg in your beer for nothing.

* * *

The paper has a new manager now and although we are sorry to lose Herb we are glad to welcome Ted to his place on the masthead.

* * *

You will have a hard time living up to the precedent that Herb has set you, Ted.

We feel sure that you can do it, though.

* * *

As a privilege we were allowed to watch a rehearsal of "The Importance of Being Earnest." It is going to be one of the best things that has happened at Allegheny in years.

* * *

Of course we are all going to the College Play on Thursday or Friday night. From all sources, the production ought to go over big. The cast has worked hard, the producing staff has been on the job, and all points to a great event in the dramatic annals of Allegheny. The price of the tickets was, is, and will be, 75 cents—equivalent to 1½ movies, five milk shakes, or fifteen packages of chewing gum.

* * *

Spring parties are over and we are again settled down to the old proverbial. It certainly was wonderful for the popular girls and boys that they could do their stuff and demonstrate their "it." Anyway, we were treated to a free dinner and dance by some wonderful girls, (others not so wonderful).

* * *

The same old cry was raised by our fair Seducers against out-of-town dates for the big parties. They always welcome a chance to get in on the big time, and are ever happy to accept a bid the day of the party. Try it sometime, but light your Murad first.

* * *

Have you noticed some poor lads going around with their mouths open lately. It has caused considerable comment around the Hall and among the inmates. They say they look as though they were catching flies, indulging in deep thought, or else wanted to be kissed.

* * *

The Beauty and Popularity Contest is progressing rapidly, and developing into a close race with some surprising revelations. If the present ballots mean anything, our idea of a love for the beautiful must need change. The favorite course seems to be the Meadville Country Club, and for the popular professor many blanks have been turned in. Several have designated a Hulings choice for the popularity queen, but we thank those who have taken the contest seriously.

* * *

This year, the Pi Delt Razz Sheet will be a beaner, so save up your nickels and learn something. All those who missed getting any prominence during the year will be given front

Pi Delts Initiate Seven; Sigs Hold First Mother's Day Celebration; T. U.'s Entertain

It never rains but what it pours—this week, social activities surely were booming. We have reported seven Spring parties, along with a chapter party, a Mother's Day celebration, Pi Delt initiation, a May Day breakfast, and one club meeting. We are sorry that we cannot report such things every week, but we are glad of the fact that we have a complete column with which to end the school year, this being our last review of Social gatherings this year with the exception of those during Commencement Week. page headlines. No one will be slighted or forgotten; everybody from the most popular person down to the girls from Hulings will be in on the Big Show.

* * *

Talk about youthful degeneracy. Recently many prominent students have been seen wading in the creek up in the woods. The call of nature has been too great, and many a people hath wandered into the hills at sundown just to feel the cool riplings of the babbling brook between their toes.

* * *

Why vote for students senate members anyway? Why not let the Senate choose their own men. We think that each fraternity should be allowed to pick its own man. How can the rest of the college be able to pick the best man if the fraternity knows them all personally and intimately. This part of the system is one of its worst faults. Something ought to be done.

* * *

Another thing we want to know is who in the world ever thought that it was a good plan to elect a man for two years to the Senate. Suppose he turns out to be the wrong man from one standpoint or another. How can you change? Suppose he drops out of school. What then?

* * *

Oh yes, there is a track meet this Saturday and everyone should turn out for it. We do think though that everyone who is not an official of a contestant should be made to sit in the stands, for in this way the chances for accidents are lessened to a great degree. You can see just as well from the grandstand.

* * *

We see by the Commencement program that the band will play Saturday night while the campus is being illuminated. Banana Oil! Who can believe it? We certainly can't!

* * *

Now after that last crack perhaps they will practice up to make us eat our words. It will be worth it!

CURIOSITIES FROM PERU DISPLAYED IN LIBRARY

In the display case in the Library is a very interesting collection of curiosities which has been donated to the College by Miss Gertrude Hanks, who is a Missionary to Peru. Miss Hanks has been home on a leave of absence and has just left for her return trip. She is going by way of Europe. Miss Hanks is an alumnus of Allegheny and gave this collection to the College just before she left. The curiosities were found in a grave in Huaca, Peru, and date back to about 1500. In this collection is an Huaca Water Jar, Fish Head, Spindle, Corn Ear and other things that the Inca Indians placed in the graves of their dead.

Herbert L. Morrison, '27, is day clerk at the New Corry Hotel. His home address is 418 Spring St., Corry, Pennsylvania.

PHI SIGMA IOTA

Phi Sigma Iota fraternity held its last meeting of the year at Huings Hall, Monday evening, May 14, with Miss Sherman and Miss Carpenter as hostesses. Two splendid papers summing up French Romanticism were read by Miss King and Miss Kuder.

DELEGATE REPORTS

(Continued from page 1)

to give editors of the member-papers an idea of what the situation was on various problems on the other campuses of the middle Atlantic States. It was also deemed advisable on the recommendation of the delegates of the Tri-State district that each region should institute its own individual news service which would consist in sending stories from one school to another in advance of athletic contests and other Intercollegiate meets.

After this discussion the nominating committee reported and nominated Mr. Hedley of Haverford for President. Mr. Hewlett of Franklin and Marshall was also nominated but Mr. Hedley was elected. Under the new Constitution, by the election of Mr. Hedley, Mr. Sullivan of Haverford was automatically elected Secretary-Treasurer. Miss Watson of Cedar Crest College was elected Vice-President by unanimous vote. The officers were installed immediately following their election. Under the new Constitution the fall Convention will be held at Haverford but the time and place of the spring convention will not be decided until the fall convention at Haverford.

After a detailed discussion of news services the convention adjourned. The delegates were entertained at games in the afternoon between Haverford and Stevens in baseball, Rutgers and Stevens in tennis, and New York University and Stevens in lacrosse. Following these events a tea dance was held at one of the fraternity houses and the delegates were made welcome there. In the evening the Combined Musical Clubs of the Institute gave a concert in the Stevens Auditorium at which the delegates were present. Following this the Student Council gave a dance at the Castle Stevens until two o'clock and another fraternity gave a dance until three.

The committee which had charge of arrangements of the convention consisted of Frank P. Jaros, Charles Roede, Wilbur Rothschild, and Theodore Killhefer. These men are all of Stevens Institute of Technology.

A. A. Rea '13 is principal of the West High Schol of Aurora, Illinois where he has been located for twelve years. Mr. Rea's sister, Lois '14 has just been returned to Malesia where she is a missionary.

ALLEGHENY'S TRACK TEAM SUFFERS 90-45 SETBACK

Geneva Displays a Strong, Well Balanced Outfit Here; Races Are Close

Geneva College's powerful track team administered the first defeat of the season to the Blue and Gold runners on Montgomery Field last Saturday afternoon by the score of 90-45. The Covenantor outfit displayed great strength in all departments and had a well-balanced and experienced outfit to stack up against Allegheny, and consequently they succeeded in capturing ten first places in the course of the afternoon. The meet, however, was nowhere as nearly one-sided as the score would seem to indicate and in only two events did the Beaver Falls outfit score clean sweeps.

The races were particularly hard fought and all of them were featured by close, exciting finishes. In no single race did the Geneva team have a walk-away, most of them being decided by a yard or two. The meet started poorly for Allegheny when Danner got off to a bad start in the 100 yard dash and had to be content with third place. The first two places were taken by Ewing and Lloyd of Geneva. In the 220, however, the Allegheny captain secured revenge by winning the race with a comfortable margin over his nearest opponent, Ewing. Then to top off a good afternoon's work, the Allegheny star won the 440 in 53 seconds flat and was followed closely by his team mate, Joe Shafer. The Blue and Gold did not fare so well in the middle distances, losing both the 880 and mile runs by narrow margins. In the 880 Piper only succeeded in beating out Casey Richards by a very fine finish which gave him a two stride lead over his opponent. The mile was also a close race, with Lockley of Geneva crossing the tape only six inches in front of his Allegheny opponent, Wycoff.

The two mile race was once again the feature of the afternoon, although a new man, Paul Dreibelbis, was to be found in the leading role. Geneva entered only one man in this event, Creshnie, but the Covenantor runner was able to furnish a great deal of opposition for the Allegheny three man team of Minnis, Dreibelbis, and Bentley. Coming into the last lap of the race, Dreibelbis took a commanding lead, but found that his grip on the first place was considerably shaken by the sprint which Creshnie displayed on the home stretch. The Allegheny runner succeeded in breaking the tape a few feet in front of the opponent. The time was 10:28, the best to be turned in a Blue and Gold runner in this distance so far. Geneva displayed great strength in the hurdles, taking first and second respectively in both events.

In two of the field events, the discus and the javelin, Allegheny failed to capture a single place. Friedman of Geneva, who holds the Tri-State rec- in the javelin, displayed his prowess by tossing the spear over 189 feet, falling a few inches short of his record. Long captured the pole vault at 10 feet, 9 inches, with Weisel taking third in this event. Baird of Geneva won the high jump and Long tied for second. In the hammer throw, which also went to Geneva, Billings of Allegheny, and his team mate, Jackson, showed their best form of the season, but had to be contented with second and third places. Jackson also took a second in the shot put, and Rexford was third in the broad jump. Once again Allegheny's woeful weakness in these events was quite apparent.

The summary:

100-yard dash—Ewing (G) first, Lloyd (G) second, Danner (A) third. Time, 10.1.

220-yard dash—Danner (A) first, Ewing (G) second, Nave (G) third. Time, 23.3.

440-yard dash—Danner (A) first, Shafer (A) second, Lockley (G) third. Time, 53.

880-yard—Piper (G) first, Richards (A) second, Shafer (A) third. Time, 2:6.

Mile run—Lockley (G) first, Wycoff (A) second, Piper (G) third. Time,

Two mile run—Dreibelbis (A) first, Creshnie (G) second, Bentley (A) third. Time, 10:28.

120-yard high hurdles—Lotham (G) first, Ewing (G) second, Stehle (A) third. Time 16.1.

220 low hurdles—Lotham (G) first, Ewing (G) second, Green (A) third. Time 26.4.

Shot put—Cullen (G) first, Jackson (A) second, Merriman (G) third. 41 feet, 5 in.

Discus—Merriman (G) first, Ewing (G) second, Friedman (G) third, 117 feet, 9½.

Hammer—Cullen (G) first, Billings (A) second, Jackson (A) third. 115 feet, 7.

Javelin—Friedman (G) first, Lansome (G) second, Merriman (G) third. 189 feet, 3 ¾.

High Jump—Baird (G) first, Long (A) and Sole (G) tied for second. 5 feet, 7.

Broad Jump—Ward (G) first, Duncan (G) second, Rexford (A) third. 19 feet, 10¾.

Pole Vault—Long (A) first, Duncan (G) second, Weisel (A) third. 10 feet, 9 in.

This and That

BAD WEATHER

Old Jupe Pluvius certainly had it in for the tennis team last week. Just when Allegheny's racketeers were about to win a nice victory, old Jupe opened up and put the damper on the day's affair. We are speaking of the Allegheny-Westminster match last Thursday afternoon. The tennis team seems to be improving as time goes on and they certainly secured nice revenge against Thiel on Tuesday for the defeat that they suffered earlier in the season.

STILL GUESSING

These Allegheny two milers still have us guessing as to which one of them really is the best. So far it seems to be about a toss-up between Minnis and Dreibelbis. In the first meet of the year these two boys ran in step the whole distance, with Minnis crossing the line just a few feet in front of his opponent. Then in the Thiel meet, Dreibelbis was called into service in the mile, and did not run the two. But his partner, Minnis, ran a beautiful race and made good time. Then last Saturday, Dreibelbis came back again and took upon himself the responsibility of beating out Creshnie of Geneva, while Minnis lagged behind. Next Saturday they stack up against one of the best two milers in the district, Evans, and the fur certainly should fly. The best time of Minnis, Dreibelbis, and Evans are all about the same, and a real race from start to finish is in store for Saturday.

CONSISTENT

Little attention has been paid to the consistent work of Freddy Long in the pole vault and high jump this year. Fred has won the pole vault in all of his meets to date and he is hoping to make it a perfect year next Saturday. He will have plenty of opposition, though, for two Grovers went over the bar at 10 feet, 9 inches, against Westminster. Fred is also the Blue and Gold's best bet in the high jump, having always taken at least a second place in this event.

TOSS-UP

Anyone who can prophesy correctly the outcome of next Saturday's meet with Grove City is a good man. We are indeed anxious to see the Blue and Gold crash through and top the Grovers, but it is not going to be done in any easy fashion, and perhaps it won't be done at all. Allegheny has yet to score a victory over their traditional rivals this year, except in cross country, and if the track team doesn't come through, it will seem like a pretty poor year for the Blue and Gold. No one can tell anything definite from advance dope, and especialy in this case, for although the Crimson scored more points than Allegheny against Geneva, they lost to Westminster by a few points, while Allegheny claims a victory over the New Wilmington outfit. Perhaps a little better support from the student body would help out somewhat. Encouraging a team on to victory is just the thing that is needed to put a student in the right frame of mind to settle down to exams the next week (especially if the victory is over Grove City).
