Dear Helen Burr:

Does your letter from Clifton Springs mean that you are ill, or resting?

Thank you for your note. I have the Ben Ames Williams' book - not much good. I am just sending for "The Mad Booths of Maryland" which I think pays no more attention to the oil industry than the book by Ben ~~Williams~~.

I am going to write you soon. I have been away all winter in Arizona trying to pick up some strength. I am just getting back to work.

Affectionately yours

on Booth by Ames
