Dear Dr. Wilson:

I have your letter, forwarded to me by The Butterick Company. I hasten to tell you that you are confusing my name with that of a very able woman - Martha Tarbell. It is she, not I, who has been furnishing you material and inspiration for your Bible Class. So far as I know she still holds the same views that she always had on Prohibition - views which she expresses with ability and conviction.

Very truly yours

Dr. M. F. Wilson
