Dear Miss Tarbell:

I'm sorry your commission didn't function better but I'm sure it was no fault of yours. Some day when you have the time, come and look over the only real plan.

Dr. Eliot says it has lasted longer than any such plan in history and I say it is immensely superior in accomplishment - Increased Production - Decreased Costs - Increased Wages - contributed by ambitious workers. Look it over some time - you're always welcome.

Sincerely yours,

T E Mitten
