Dear Mr. Hook:

I have from your Publication Department, I fancy, a copy of a recent interview of yours called "Tell the Employee and Tell Him Why." I have yet to hear wiser words said in all this flood of talk about the relation of men and management in industry. The crux of the whole matter, I am convinced, is understanding the problem and men will understand if they have such an opportunity as you give them.

With high regards

Very sincerely

Mr. Charles R. Hook
