Dear Miss Tarbell.

Your letter, also the book, received last Saturday.

The paper with Dr. Lee's picture and a sketch of his life I would like returned when you are done with it as I said before—no hurry.

If you should write Dr. Lee's biography as Florence Lee Whitman said you might, you will get much of interest from that paper.

That picture is true to life and shows what a good, noble man he was. Florence has the good qualities of both Mr. & Mrs. Lee.

I wish you could have known both. Dr. Ebenezer Fisher, head of the theological school & Dr. Lee were men of sterling character who gave their lives for the upbuilding of St. Lawrence University.

Respectfully, George L. Puffer
