SOUTH ORANGE. NEW JERSEY

My dear Miss Tarbell :

Several months ago I presumed on your kindness and wrote of my woes with the Markens manuscript and enclosed a copy of a letter written to Charles Boni by the reader to whom he sent it for criticism.

I am asking you to let me have it as it is something to show to Dr. Markens , the son , if he should query my neglect in publication . He has been most considerate so far .

I am very sorry to trouble you in this matter for your mail must be a burden . As the letter has not been returned and I enclosed a stamp for the return of the criticism , I think the letter has missed you in some way .

Yours gratefully and with

many apologies ,

Kate Louise Roberts
