South Dennis Mass Dec 21 1895

My Dear Miss Tarbell.

Owing to a mistake in the address of Mr Nathan Underwood a delay has been occasioned in getting at the particulars of the incident I wrote to you about in a former letter. You will see that I got the most of the matter. Mistake Mr N Underwood itemizes. He seems to think the speech was published at the time. But I suppose that will make no difference if it has not been embraced in a publication such as you are now going to. I trust that you may consider it worthy of your attention.

You can best ascertain that it is authentic.

Respectfully Yrs

C W Underwood
