Sept. 8, 1941.

Dear Louise Tarbell:

Inclosed is a copy of a letter I have just received from one of our name in Kansas. I don't know anything of this branch, but I am writing Mr. Niccum that I am referring the matter to you as the one of the Tarbells that I know most interested in our geneology.

I am sorry I shall never have the time and strength to do anything with my ancestors. If I get to heaven and find them there sooner or later I am going to get the matter straightened out and everybody in his place.

I hope you are well. I have been trying all summer to get stronger by a rigid system of exclusion, little work, few people, lovely quiet. If you come this way drop in and see us.

Affectionately,
