Miss Ida Tarbell,
1814 N Street, Northwest,
Washington, D. C.

August 1st, 1918.

8/13 - Can't go

Dear Miss Tarbell:-

At the special request of the United States Government Officials the National Safety Council, for patriotic reasons, has changed the date of its Annual Congress to

SEPTEMBER 16th TO 20th, INCLUSIVE.

The officers of the Council believe the attendance and interest in the Congress meetings will be greater if they are not held at the time the Fourth Liberty Loan drive or the Y. M. C. A. campaign is in progress. At all events, co-operation with the Government in its "win the war" plans is our first duty.

The average temperature in St. Louis during September is 70° -- and we are guaranteed perfect weather.

Your address, therefore, is scheduled for Wednesday morning, September 18th, 1918.

Please acknowledge receipt of this letter, and oblige.

Sincerely yours,

W. H. Cameron

General Manager.
