Dear Miss Tarbell:

It is hoped this letter may serve as a welcome reminder to prevent your being included among the list of members whose names must be posted on the Bulletin Board if payment of current dues and fees is not received on or before May 4, 1934.

We appreciate keenly the difficulties of prompt payments in these necessitous times, but the Association needs the cooperative help of every member to assure its own good standing.

With thanks for an early reply, I am

Cordially yours,

*Thalia Newton Brown*

Secretary.
