

IDA M. TARBELL
R. F. D. 1
BETHEL, CONNECTICUT

February 11, 1941

Dear Miss Rowley:

I am inclosing a letter from Broadman Process, Inc. which may be of interest to you if you do not already know about it.

Mrs. Wolfe and I have watched the development of this over a period of four or five years and feel that it is a good thing.

If this is nothing in which you are interested you may destroy the letter.

Sincerely yours,

Ida M. Tarbell
