Miss Ida Tarbell,
120 East 19th St.,
New York City.

Dear Miss Tarbell:

I very much hope that nothing is going to interfere with your writing that volume in our historical series. We have been delighted at the favor with which the project is received, and we are in a fair way to securing just the people we want to write the books. We shall be delighted to do anything we can to make it more convenient or easy for you to undertake the task.

Very truly yours,

A H Thorndike
