564 Woodbine Ave.
Warren, Ohio

My dear Mrs. Rudolph:

Have you seen Dr. Barton's article - "Abraham Lincoln a Lee" - in the January number of Good Housekeeping? If so, what do you make of it?

I see no reason to question that he has found documents to prove that an Ann Lee married a Joseph Hanks; but do you suppose he has satisfactory proof that this is the Joseph Hanks of Kentucky whose will interests us?

Do you suppose he has found any additional material to prove that, even if this is the Joseph Hanks, he had nine instead of eight children and that Lucy was the oldest and disinherited? Or are his assertions, assertions? I would like to know what you think about it.

Sincerely yours
