120 E. 19th St.
New York, N.Y.

My dear Miss Tarbell:

During the week of June 13, the second annual "VillageFair" will be held in New York, the proceeds to be used by the Spanish Refugee Relief Campaign to aid and free refugees now in concoenbration camps in southern France.

SPANISH INTELLECTUAL AID will operate the book bboth, and the money raised from the sale of books will be used to alleviate the suffering of those Spanish men and women -- writers, artists, educators and scientists -- who are your professional colleagues. We hope to prevent needless deaths, such as that of Antonio Machado, the brilliant Spanish poet, who died en route to a refugee camp.

Will you donate to us autographed copies of your published works? Your contribution will help tremendously in the salvation of culture.

The success of the booth depends upon the number of books we can obtain, so we are anxious to hear from you.

Sincerely yours,

Louis Bromfield
