. mingled exasperation - superiority -
Suppose you may share this fully - too much
inclined to advise - find your way.
Put yourself in our ~~[illegible]~~ our place in
my mind - a woman with a long life behind
her - intrusted 2 been more or less a part of
a great change in woman's status -
Woke on a disorderly, baffling world -
seen certain things which might be
altered - too late for her - but she lets
a chance at you - lear for our loss
- too much to ask that - she should
not ~~[illegible]~~ give you as fully as she can
what - it seems to her is worth your
metal in inspiring what she depends -
Hardly realize change in woman's life
in my time -
Education - occupation - vote -
made necessary by changing ancillary
of world - ways of carrying on it - will
not - responsible for these changes -
