Dear Mr. Mathews:

Your requests to Senator Ashurst and to the Governor's office in Phoenix to send me material on the matter of the Hoover Dam and the All American canal have received prompt answers. My desk is piled high with documents as well as [illegible] how I can go further if I want to do so.

At the present I am pretty well tied up but this is one of the things I like to have on hand to figure out in odd moments - a good substitute for bridge.

I shall get at it as rapidly as I can, but whether I ever really do much with it remains to be seen.

Thanking you again for your kindess in the matter, believe me, dear Mr. Mathews

Very sincerely yours

Mr. W. R. Mathews
