

AMBLER, PA.

June 5th, 1928.

My dear Miss Tarbell;-

Have just received the draft of resolution on death of Mrs. Arter and am returning it at once with out alterations as I see no reason for amending it or trying to improve it.

As both Mr. And Mrs. Arter have passed away within the year I see no impropriety in sending the family a resolution of respect covering both but you are much better able to judge the advisability of so doing than I ~~and I~~, so please consider this only as a passing thought.

In order to give you my O.K. as quickly as possible shall wire you when I go in town. Regret that delay occurred in your letter reaching me.

I plan to leave for Meadville Friday night and expect to see you at the Alumni Dinner Sat.

With best regards, I remain,
Sincerely,

H. M. D. Twining.
