My dear Mr. Bradford:

I have just received the copy of your 100th Anniversary Memorial Volume. I have read it all with great interest, because I want to prove what I have always believed that an independent business could exist in any industry given the will to live. This is a fine record. What I wanted to get exactly was the relation of the Plymouth Cordage Company to the National Cordage combination. This gives me what I was after.

Thanking you for your prompt attention to my request, believe me

Very truly yours

It seems to

Mr, H, S. Bradford
