Dear Ider M:

What a lovely letter was yours about the Coolige book. Sally and I were so happy to find it here on our return from Northern California. I also found a letter from your niece Esther and curiously enough there was a lovely letter from Ray Baker. We seem to be gathering for some kind of reunion in the mail.

Sally and I are perfectly well. We have an apartment here right on the sea for a months rest. Shall be in New York for a few days in early March and off and on for two or three weeks in late April and I hope to see you then.

Goodby and God bless you,

Affectionalely yours,

W A White
