New York City

My dear Miss Tarbell,

This morning's Times has a graphic representation of the plight of the women's colleges. The new president of Chicago University announced that more than six million dollars in gifts had been made to Chicago University this past year, and said that this did not include pledges outstanding. Dr. MacCracken of Vassar also announced gifts of the year which totalled for Vassar \$210,000.

I hope you will consider favorably the Forum article. I will do everything possible to aid in gathering material.

Sincerely yours,

*Maude White Stewart*
