

October 6, 1930

Dear Mrs. Bethune:

It was kind of you to write me so appreciatively of the place I gave you in my list of "Fifty Women." I put in no name with deeper satisfaction than that of your own and it gratifies me that you feel by having your name there it will be a stimulus to your people in their brave efforts.

With best wishes for your continued health and happiness, believe me

Very sincerely yours

Mrs. Mary McLeod Bethune  
Bethune-Cookman College  
Daytona Beach, Florida
