Miss Ida M. Tarbell,
132 E. 19th St.,
New York, N. Y.

Dear Miss Tarbell:-

I have just had a letter from the University of North Carolina at Chapel Hill inquiring if it would be possible for you to come down and lecture for them sometime during November. They have a place open on their program for an attraction and would like to have you fill this provided you can fill the date before December 1st. I have noticed that you have been doing some work over at Washington recently and Chapel Hill is not a very long run from there. As for that it is only a night's run from New York. There is also a prospect of our being able to put in a date at Greensboro, N. C. in that connection provided you can go in late November or around the first of December.

I have a few other dates booked down here for you but Mr. Alber informs me that he doesn't know when they can be filled, as they seem to have booked all the time you gave Mr. Alber elsewhere. I have a date for you at Meridian, Miss. where they want you on Sunday afternoon and a date with the Federation of Woman's Clubs at Columbus, Ga. -- also a date at Helena, Ark. I had booked these dates for the latter part of next February which is the time I understood you would be available but Mr. Alber now writes that the time is all taken that you have given them, and I was wondering if you couldn't arrange to fill my dates on your return to the East after you had finished your tour next February or early March with the Ellison & White folks out west. If not we might put my dates in in late November or early December in connection with the date at Chapel Hill if you found you could get away for a week. I am sure any arrangement you can make about taking care of my dates will be satisfactory with Mr. Alber, and I hope you will let me hear from you by return mail at your earliest convenience.

Very sincerely yours,

S R Bridges

President.
