Secretary of
Harvard University
Cambridge, Mass.

My dear Sir:

Could you give me from your records the standing as a student of Robert Todd Lincoln, a graduate from Harvard, I think, in 1864.

I am a little uncertain as to whether the University would consider such a request legitimate; but if it is entirely proper I shall be grateful if you can let me know what his rank was at the time of his graduation. What his honors were, if any. Also if he entered the University without "conditions."

Thanking you in advance for the courtesy of a reply, believe me

Very truly yours
