Miss Ida M. Tarbell

New York, New York

Dear Miss Tarbell:

You have doubtless seen in the current issue of The Villager the first page news story which tells of your unanimous election as Honorary President of The Villager League of Friendship.

Everyone agreed that your name was, like that of Abou Ben Adam, the one "to lead all the rest".

We shall not expect you to attend the meetings, but to serve as the Honorary President and to be good enough, as you always are, to give us advice and counsel when we look to you for it.

I am glad to tell you that we have just received acceptances from Deputy Mayor Curran, Dr. Howard Duffield, Grover Whalen, and many others to go along with us on the work we are planning. I believe that the Village is going to rise en masse to uphold the helpful hands of The Villager, and I know that is just as you think it should be.

With hearty greetings I am,

Yours faithfully,

Herbert S. Houston
