Lincoln's Discussion of Assassination.

The "Illinois State Journal" of June 10, 1865, contains an article, one and one-half columns, copied from the New York "Citizen", by Col. Charles G. Halpine, recalling an interview he had with the President in 1862, in which Lincoln discussed the possibility of assassination.

My impression is that I called attention to this article a year or two ago, but to make no mistake I mention it again.
