18 December 1924

Dear Ida:

Will you be able to turn over to S. S. McClure the opening installment of the Biography before January first? On that date, according to our contract, a payment is due from the magazine, and as I do not wish there to be any excuse for delay, I think it would be well to have as many chapters as possible ready for S. S. at that time.

Yours faithfully,

Miss Ida M. Tarbell
