Miss Mary E. Woolley
Mount Holyoke College
South Hadley, Mass.

My dear Miss Woolley:

I have never thanked you for all your kindness to me when I visited Mount Holyoke. You put me into such competent and friendly hands, - Mrs. Dresser- and you yourself showed me so many courtesies that I should long ago have written you my appreciation. But I have had to finish my college tour and get my notes in order, so that my correspondence has been sadly neglected. Please believe that I am most grateful to you.

I find your name among those interested in the Abraham Lincoln Foundation. I hope you are to be at the dinner on the fifteenth. I am expecting to get back to town that day from a western trip and shall do my best to be there. It seems to me there is a chance for a fine and effective piece of work.

Sincerely yours
