Dear Mr. Johnson:

Thank you for your promptness in replying to my inquiry about Mr. Carlisle's appearance before the investigating committee. I misunderstood you in our talk in Watertown. I am glad to have the testimony before the public service commission of New York State and also the memorandum on water power.

As you know I shall always be glad to have any hints that you feel like passing on.

With kindest regards to Mrs. Johnson.

Very truly yours

Mr. Harold B. Johnson
