Dear Miss Tarbell:

I think you will be interested in the inclosed editorial, to be published December 12 in the first issue of The Paterson Press - a new kind of newspaper.

Owned by more than 3,000 individuals and by one hundred organizations with a membership exceeding 30,000, and managed by a democratically elected board representing trade unions and liberal groups, The Paterson Press will be a precedent and a challenge in the newspaper industry. It is a community's answer to the reactionary policies of two existing dailies, whose union printers have been on strike for 19 months.

We face a stiff fight. As one who is sympathetic to the labor movement, will you mail a few lines of greeting or comment to be published as a letter to the editor?

Sincerely,

Alexander L. Crosby
