II

Secondary Sources.

The best general discussion of the era ~~which unfolded from~~ between from 1878 to 1898 is David A. Wells Recent Economic Changes. Although published in 1889 its analyses and judgments ~~and~~ ~~warnings~~ applied as well to 1898 (1) His comments on the effects of machinery & of the tariff are particularly illuminating. The most ~~useful~~ current & secondary ~~material~~ for studying the multiplication growth of combinations is the Wells about the twenty-four Moody ~~A. in the~~ admirably edited own (2) collection of scholarly ~~[illegible]~~ papers ~~of~~ Trusts Pools & Corporations by William S. Ripley. The volumes contain ~~the~~ studies of the special combinations like Salt, Whisky, Wire Nails, Tin plate ~~with various~~ discussions of legislation & ~~such~~ efforts at regulation & an admirable survey and criticism of Trust Literature

1) Bogart & Thompson's The Industrial State in the Centennial History of Illinois (1920) is invaluable ~~also B. & F. & C.~~

The book contains a list of in order of incorporation ~~in which~~ all Illinois industrial franchise transportation & miscellaneous ~~are gathered with~~ ~~labor~~ arranged with statistics ~~as to time & on place of incorporation~~ - ~~no of~~ number of plants ~~on~~ controlled & total capitalization - ~~For each~~ ~~listed~~ combinations as full a description of the make up of each listed is given as fact available allowed. ~~[illegible]~~ an interesting bibliography is included.

~~In which there a classifying Illinois according to their fields according to the field in which they operate & an labor therein according to date of organization & scope of capitalization.~~

2

Over.

Moody's Bibliography is full but of less discriminating.

Transportation is sound as well by Ripley, is a volume of selected studies on Railway Problems ~~as in his volume on combination~~. Sound the decisions of the Interstate Commerce Commission are presented with the decision of the U.S. Supreme Court in case of appeal. ~~His~~ ~~This vol. [illegible]~~ ~~the most~~ Ripley He also published a volume on Rate & Regulation & another Finance & Regulation. Taken together they make ~~the~~ are the most important secondary material. ~~Several & several railroads~~ ~~leave~~ ~~forms~~ the history of the Northern Pacific, ~~the~~ ~~rail~~ R.R. by E.V. Smalley of the Union Pacific by H.K. White of the Penna by W.B. Wilson and the ~~recent History~~ all published in the 90s & the ~~recent~~ ~~History~~ Story of the B. & O. by Edward Hungerford gives detailed
