WELLESLEY COLLEGE  
WELLESLEY, MASSACHUSETTS

June 11, 1929

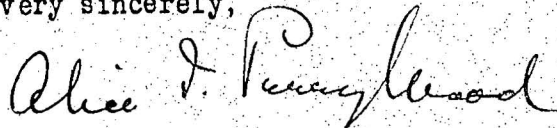

Miss Ida M. Tarbell,  
120 East 19th Street,  
New York City.

My dear Miss Tarbell:

I am sending you some lists of our alumnae engaged in different types of work and I trust you will find these lists of some assistance to you. In the list of executives and of those in independent business I can give you the names of the individuals if you wish them, but it seemed as though it would be the general information that you wished in those cases rather than the individuals.

If there is anything further that we can do here in the Bureau, I trust you will call upon us. I am looking forward with the greatest interest to your articles, and it was a very great pleasure to have an opportunity to meet you here at Wellesley.

Yours very sincerely,

Alice I. Perry Wood  
Director
