My dear Miss Tarbell -

We had a very cool and comfortable journey to Boulder in reclining chairs - and arrived in New York on time -

Mr Phillips looked and felt much better this morning. He had a letter from Mr McClure which cheered him a great deal - I will enclose a copy - as Mr Phillips asked me to do so, when I wrote you - I am very

glad the letter made him feel easier in mind - but I am not at all sure this is the end. I fear there is more trouble and worry ahead -

The hosts had such a nice visit - It did Mr Phillips so much good to talk to you - and I enjoyed every minute. It was lovely to have a visit with you - and to see the "House in the Woods". I am sure I gained a pound a day - thanks to your good care - and Hates good looking -

Please pat all those doggies for me - and give the babies a hug - I hope they are both better today -

I shall look forward to seeing you in Duxbury before very long -

That much love, I am

Affectionately yours -

Jennie B. Phillips.
