Dear Mr. Case:

Thank you for the copies of Mr. Young's correspondence with Dr. Rufus Jones.

A little later I am going to ask you to look over the article I am trying to hammer out on Mr. Young's ideas on the training of youth for the higher ranks of industry. What I have written is so unsatisfactory to me that I will not trouble you with it as it stands.

It was very nice to see you and Josephine the other night and of course I had a wonderful time listening to Mr. Young.

Very sincerely yours

Mr. Everett Case
